Proposal Presentation:

The Technical committee will call the eligible bidders to make a presentation to the GMDC at a date, time and location notified by the GMDC. The purpose of such presentations is to allow the bidders to present their understanding of EOI and Approach & Methodology to the committee, the key points in their proposals and present key personnel to be deployed for the project. Bidder shall be given opportunity to make presentations up to 20 minutes, at GMDC’s place before opening of Financial Proposals, to demonstrate their credentials based on eligibility criteria as outlined in this document along with the following and to submit five (5) hard copies during the presentation –

- a) Brief Company profile, presence in India, associates, major clients & projects etc. to satisfy the evaluation committee about the eligibility of the bidder;
- b) Experience of rendering services as Consultant;
- c) Understanding of assignment along with methodology indicating broad scope of Work & road map of said work.
- d) Proposed Key Personnel along with Team Leader, their qualification, experience and availability.

The technical committee may require verbal/written clarifications from the bidders. The primary function of clarifications in the evaluation process is to clarify ambiguities and uncertainties arising out of the evaluation of the EOI documents. Verbal clarifications provide the opportunity for the committee to state its requirements clearly and for the bidder to more clearly state its proposal. The committee may seek inputs from other professional, technical faculties in the evaluation process

Depending on the evaluation methodology mentioned above, each Technical Bid will be assigned a technical score (ST) out of a maximum of 100 points as per the aforementioned Technical Evaluation Criteria Table. Only those Bidders scoring Technical Proposals score 70 marks or more out of 100 shall qualify for financial bid opening.

Evaluations and Selection Process

The overall selection of the Bidders will be on Quality and Cost based Selection (QCBS), the following formula will be used for the evaluation of the bids. The Final scores will be calculated as:

$$\text{Score} = 0.7 * \text{Technical Score} + (0.3) * 100 * \text{Minimum Price} / \text{Bided Price}$$

The bidder achieving the highest overall score will be invited for awarding the contract. In case of a tie where two or more bidders achieve the same highest overall score, the bidder with the lower financial bid will be invited first for awarding the contract.
