- (vi) Failing to adhere any of the conditions of this tender.

**(8) Bid and other material**

Rates for all the vehicles mentioned in online tender shall be quoted considering the manpower, materials, diesel, maintenance and all taxes except service tax and other materials. Service tax on vehicle hiring charges will be reimbursed separately on submission of appropriate documents/evidences as per applicable rate prevailing at that time.

Note: If the Diesel price increases/decreases, the additional/deducted rate shall be calculated on the basis of 0.5 km/liter. The increase/decrease in diesel price shall be considered for the number of kilometers for which the vehicle is used. An example in this regard is as under:

For example: Per Bus/per month kilometers fixed by the Corporation are 9000

Actual use of kilometers per Bus/per month is 7000

Rate of diesel on the date of opening of technical bid is Rs. 50/liter

New rate of diesel is Rs. 52/liter

Difference of diesel price is Rs. 2/-

Calculation: If the Bus runs on an average of 5 kilometers per liter, it requires 1800 liter diesel for 9000 liters.

However, if it is used for 7000 kilometers then average consumption of diesel comes to 1400 liters. Accordingly, after calculating the difference of Rs. 2/- per kilometers, the Corporation requires to make additional payment of Rs. 2800. (This calculation shall be applicable for both the cases of increase or decrease).

**(9) While submitting Online Tender**

- (a) It is compulsory to quote zone-wise online price bid in Annexure 'A'.  
(price shall be quoted in our format without mentioning any condition)
- (b) In case of need of any further information or clarification, I/c General Manager (HR) - phone number 079-27913200 or Senior Assistant - No. 079-27913200 Ext. No. 1518 may be contacted.

**(10) Opening of Online Price Bids:**

Only technically qualified bidder's Price Bid shall be opened online. The concerned bidder shall be informed separately through letter/SMS/e-mail regarding opening of price bid so that they can view the details at their own place on computer.

- (11)** Rate quoted in column (9) will be taken as the base rate for deciding the lowest bidder (L1) for respective zone (total of column no 9 of all the groups within the zone), if bidder is technically qualified. No part quantity offering within the zone will be accepted (i. e: it is compulsory to quote the rate for all the vehicles of all the Zone A & B within the zone in order to qualify in tendering process). The rate quoted should in no case be the conditional and the offer must includes all charges like Diesel cost, Driver, maintenance, road passing, RTO Tax, Insurance, other charges taxes / duties associated and other incidental expenses with running of the Bus except the toll taxes which would be reimbursed by GMDC on production of the original receipt. During the period of contract, if any new tax is imposed by Govt. the same shall be reimbursed by GMDC on submission of original receipt as a proof of depositing with the Govt. by the contractor. The rate quoted will be exclusive of Service Tax. GMDC will reimburse Service Tax at applicable rates from time to time on submission of appropriate documents/evidences.

- (12)** School Bus will be used for School duty for 12 hours. Such Buses will be maintained as per rules of R.T.O. and will be on standby during the period of vacation. During vacation period only standing charge will be paid as quoted in column 12 of Annexure-C. In case bus owner wants his bus to be freezed during vacation (Diwali/Summer) he can be allowed to do so without standing charge payment by GMDC subject to decision of GMDC Head Office. A minimum notice of seven days before vacation is required from transport contractor.

**(13) Payment of allowances to the driver in case the vehicle is sent out of Gujarat**

In case the vehicle is sent out of the project, the driver shall be paid Rs. 100/- 6 to 12 hours and for more than 12 hours Rs. 200/- night allowance shall be paid. Driver shall not be paid overtime.

**(14) Running of Vehicle and Its Maintenance**

- (i) All the responsibilities of carrying out required maintenance and to fit spare parts in the vehicle in order to run the vehicle in good condition shall remain on that of the bidder.
- (ii) The bidder shall bear all the costs to run the vehicle such as fuel, oil, salary of drivers, bonus, maintenance and premium of third party insurance and other necessary expenses.
- (iii) The bidder shall maintain required registers for mines safety/factory and follow all rules and shall bear the cost thereof as per law at his own.
- (iv) The bidder shall pay all duties such as service tax, road tax and all other tax for each vehicle and shall have accident insurance for all the vehicles and shall produce details and receipts of payments of premiums thereof.
- (v) In case due to any of the reasons if the bidder fails to provide the vehicle for any number of days in a month, one and half times rent for such number of days shall be deducted from the bill of that month.
- (vi) In the event of breakdown/accident during the shift hours or the contractor withdraws back his vehicle due to any of the reasons; in such case the bidder at his own cost shall make alternate arrangements. Failing in doing so, the Corporation shall make alternate arrangement itself on behalf of the bidder and cost thereof shall be recovered from the bill of the bidder. Making alternate arrangement becomes the primary responsibility of the bidder. Since in failing to do so, the Corporation is forced to make alternate arrangement and it does not become obligatory on Corporation to inform/take approval of the bidder.
- (vii) It is necessary to have insurance for all the vehicles. In case of accident, the bidder shall be responsible for all types of compensation and shall also bear court/legal expenses arising out of the same.
- (viii) All the provisions and rules of labour contract and provident fund shall be followed.
- (ix) In case of damage to the property of the Corporation and in case of injury or loss of life due to accident during the continuation of

contract period, total responsibility of payment of cost, damage or compensation shall remain on the bidder.

- (x) The bidder, getting work order, shall fix a board superscripting "On Duty GMDC)" (alongwith the logo of the Corporation) on the vehicle.
- (xi) The bidder getting work order shall issue uniform to all the drivers and if the driver on any day report for duty without uniform, penalty of Rs. 10 for each such day maximum of Rs. 100/-, in a month shall be imposed and deducted from the monthly bill of the contractor and the power thereof shall be vested with the concerned General Manager (Project).
- (xii) The bidder getting work order shall see that the drivers are not changed frequently. (driver may be changed maximum for three times in a year)

#### **(15) Maintenance of Log Book**

Driver of each vehicle shall maintain records of kilometer readings and log book for the same shall be filled on day to day basis. Reading of start meter and end meter shall be noted in log book and the driver shall obtain signature of the officer authorized for the same on daily basis.

The concerned driver shall ensure that speedometer of vehicle is in working condition and shall get it repaired immediately in case of fault, if any, in the same and the officer authorized in this behalf shall be informed immediately. In case of non-working of speedometer, the number of kilometers certified by the Project Officer shall be accepted.

The place of parking shall be decided by the Contractor to park the vehicle after completion of the trip. Payment of running vehicle from the place of parking to the place of duty shall not be paid, meaning that this cost shall be borne by the contractor.

#### **(16) Running of Kilometers**

In case the vehicles run more than the monthly kilometers prescribed, the payment for those additional kilometers shall be made every three months as per the rate quoted in the tender and on completion of three months the number of unused kilometers remained credit during these three months period shall be adjusted against use of such additional kilometers.

*For example for having one Bus:*

<b>Month</b>	<b>Minimum Monthly K.M. fixed/Bus</b>	<b>Actual monthly K.M. used/ Bus</b>	<b>For appropriation of kilometers</b>
March	3000	2700	Payment for the kilometers prescribed
April	3000	3200	Payment for the kilometers prescribed
May	3000	3300	Payment for the kilometers prescribed plus for 200 kilometers used additionally shall be adjusted in the bill for the month of May
<b>Total</b>	<b>9000</b>	<b>9200</b>	

*For example for having more than one Bus:*

<b>Nos. of Buses</b>	<b>Seating Capacity</b>	<b>Minimum Monthly K.M. fixed per Bus</b>	<b>Hours</b>	<b>Actual monthly K.M. used per Bus</b>	<b>For appropriation of kilometers</b>
Bus -1	56	3000	24	2700	Payment for the kilometers prescribed
Bus-2	56	3000	24	3500	Payment for the kilometers prescribed
<b>Total</b>		<b>6000</b>		<b>6200</b>	After three month total KM shall be adjusted (6000x3 moths=18000 KM and actual running of all Buses 18600 KM, in that case payment of extra KM is payable.
This calculation will be applicable on those buses which having same rates.					

### **(17) Providing additional vehicle**

In case of need of additional vehicle by the Corporation during the contract period, the bidder shall provide the additional vehicle in accordance with the agreed terms and conditions of the tender. If the bidder fails to provide additional vehicle in time limit, the Corporation shall have powers to hire vehicle from other source/s.

## **(18) Earnest Money and Security Deposit**
