(12) Bid and other material

Rates for all the vehicles mentioned in online tender shall be quoted considering the manpower, materials, diesel, maintenance and all taxes and other materials, other than Goods & Service Tax (GST) on vehicle hire charges. No escalation in the rates except diesel will be given to the contractor due to any reasons whatsoever in nature.

Note: If the Diesel price increases/decreases, the additional/deducted rate shall be calculated on the basis of 12 km/liter. The increase/decrease in diesel price shall be considered for the number of kilometers for which the vehicle is used. An example in this regard is as under:

For example: Per Jeep/per month kilometers fixed by the GMDC are 3000

Actual use of kilometers per Jeep/per month is 2400

Rate of diesel on the date of opening of technical bid is Rs. 50/liter

New rate of diesel is Rs. 52/liter

Difference of diesel price is Rs. 2/-

Calculation: If the Jeep runs on an average of 12 kilometers per liter, it requires 250-liter diesel for 3000 KM.

However, if it is used for 2400 kilometers then average consumption of diesel comes to 200 liters. Accordingly, after calculating the difference of Rs. 2/- per kilometers, the Corporation requires to make additional payment of Rs. 400. (This calculation shall be applicable for both the cases of increase or decrease).

(13) While submitting Online Tender

- (a) It is compulsory to quote project wise online price in the price bid in Annexure 'B'. (price shall be quoted in the format prescribed by GMDC without mentioning any condition)

(17) Maintenance of Log Book

Driver of each vehicle shall maintain records of kilometer readings and log book for the same shall be filled on day to day basis. Reading of start

meter and end meter shall be noted in log book and the driver shall obtain signature of the officer authorized for the same on daily basis.

The concerned driver shall ensure that speedometer of vehicle is in working condition and shall get it repaired immediately in case of fault, if any, in the same and the officer authorized in this behalf shall be informed immediately. In case of non-working of speedometer, the number of kilometers certified by the Project Officer shall be accepted.

The place of parking shall be decided by the Contractor to park the vehicle after completion of the official duty. Payment of running vehicle from the place of parking to the place of duty shall not be paid, meaning that this cost shall be borne by the contractor.

(18) Running of Kilometers

In case the vehicles run more than the monthly kilometers prescribed, the payment for those additional kilometers shall be made every three months as per the rate quoted in the tender and on completion of three months the number of unused kilometers remained credit during these three months period shall be adjusted against use of such additional kilometers.

For example:

Month	Minimum Monthly K.M. fixed per Ambulance	Actual monthly K.M. used per Ambulance	For appropriation of kilometers
March	3000	2700	Payment for the kilometers prescribed
April	3000	3200	Payment for the kilometers prescribed
