Chapter I: Brief Introduction

1. GMDC:

Gujarat Mineral Development Corporation Limited herein after referred to as GMDC, a Government of Gujarat Enterprise, is a pioneer institution in the field of mining for more than five decades, catering to the needs of the minerals and solid fuel for the industries based in and outside Gujarat. GMDC's mining activities are spread over in Kutch, Jamnagar, Bhavnagar, Bharuch, Baroda and Banaskantha districts of the State. It is currently dealing in minerals like Bauxite, Fluorspar, Ball Clay, Silica sand, Manganese and Lignite. The GMDC has also set up a 250 MW lignite based Thermal Power Station at Nani Chher in Kutch, Wind power plant of 200 MW at Maliya, Jodiya, Godsar, Bhanvad, Bada, Varvada, Rojmal and Solar Power plant of 5 MW at Panandhro Project.

GMDC is operating Lignite mines at Panandhro, Umarsar and Mata-No-Madh in Kutch, at Rajpardi in Bharuch District, at Tadkeshwar in Surat District and at Surka(North) in Bhavnagar District.

2. LOCATION

The project is located about 12 kms from Bhavnagar town, on Bhavnagar-Ghogha Road. It is well connected by road (NH No 8E) with Ahmedabad, which is about 200 kms away. It has a good network of State Transport system. Bhavnagar is the nearest Rail-head on Western Railway. Bhavnagar also has an Airport. Ahmedabad is another airport, which is well connected with all major cities of the country.

3. THE PROJECT:

The climate of the area is warm, humid and subtropical in nature. The monsoon is generally normal. Average rainfall is about 600-700 mm but the highest rainfall since commencement of the project was 1579 mm during the year 2013. The temperature ranges from 10⁰C in winter and in summer it goes up to 45⁰C.

4. CURRENT STATUS:

4.1 Currently project is in operation with established infrastructures facilities. Mining and lignite production activities are going on by existing turnkey mining contractors as shown in plate no-1.

5. METHOD OF WORK

It is proposed to carry out the work by opencast mining method, using conventional mining machinery like Rock breaker, ripper dozer etc. The overburden lying over the hard strata will be removed by the existing turnkey mining contractors working at the mines and top of the hard strata will be exposed. Successful bidder has to carry out the work of breaking of hard strata by deploying rock breaker, ripper dozer etc. The broken hard strata materials will be loaded in to the dumpers and transported to the dumps by the existing turnkey mining contractors. The works is proposed to be outsourced to a Bidder selected through tendering process.

6. DESCRIPTION OF THE WORK

6.1 GMDC proposes to award the work as described below:

Breaking of Hard Strata and related ancillary activities = 1.50 Lakh M³ (approximately) as directed by project authority.

The Contractor shall be required to carry out the work of **Breaking of Hard Strata** in such area as may be directed by the General Manager (P) from time to time within the mining lease area.

- A. The Bidder should have their own inspection and make their assessment of the site and satisfy themselves of all technical information. Site visit are allowed as required by the Bidder.
- B. In case of any reason including adverse working conditions during execution of the contract that may compel suspension/closure of the mining operations, GMDC shall be at liberty to conclude/postpone/complete/terminate/foreclose this contract. No compensation or payment shall be made on account of non-completion of the balance qty. work or for whole contract quantity. Decision of GMDC in this regard shall be final and binding to Bidder.
- C. In case of requirement of other work which is not in the scope of the Contract and same is related to operation than the Contractor may be assigned that work at the lowest rate finalized in the recent tender for particular work, in case the rate are not available than rate may be derived after analyzing the same.
- D. **Drilling and Blasting are not permitted.**
- E. **Contractor shall be responsible for various related ancillary activities including those listed below:**
 - (a) Dust suppression at all working places as directed by the General Manager (P).
 - (b) All the activities arising under the scope of the work shall be complied with various statute/laws/Rules/Regulations etc. including Environmental laws and if Contractor fails to do; it will be done at the risk and cost of the Contractor and expenses will be recovered from RA Bills of the Contractor.
 - (c) Illumination of all working areas and any other places where persons are employed in the mine by the contractor as per the standard specified by the Director General of Mines Safety.

7. DIESEL ARRANGEMENT:

- 7.1. The Contractor will make suitable arrangement, at his own cost and risk, for procurement and storage of diesel, oil, lubricants etc. for the consumption at works site to execute the work. GMDC will provide space for diesel storage facilities within lease and acquired area, if available. At the end of the contract period, the Contractor shall hand over the space and the facilities provided by GMDC as close as to its original condition existing at the time of allotment. If the existing diesel storage pump is handed over to the Contractor then the onus of transferring the explosive license to the name of Contractor at the onset of the contract and again transferring back to the name of GMDC at the end of the contract shall lie with the Contractor.
- 7.2 To carry out the work described in scope of work, the 20% of initial contract rate shall be treated as diesel component for breaking of hard strata. In case of any increase / decrease in price of diesel with respect to the frozen rate of diesel (as on the date of opening of technical bid), the contract rate shall be increase / decrease on pro rata basis as per the following formula. No escalation on any other account will be paid or considered by GMDC.

Formula

$$\text{NER} = \text{IER} \{ (0.20 \times \text{NDR} / \text{FDR}) + 0.80 \}$$

Where NER = New Rate in Rs. per M³

IER = Initial Rate in Rs. per M³

NDR = New diesel price in Rs. Per liter

FDR = Frozen diesel price in Rs. Per liter.

- 7.3 For the above purposes the landed diesel price at the project as on the date of opening of the technical bid of this tender will be taken as base price and will be frozen for the entire currency of the contract. The contractor should consider this price for computing their tender rate for the work. The variation in diesel rate will be in respect of this base price for the work.
- 7.4 The escalation in rate will be calculated on every revision in landed price of diesel at project which is considered as bench mark and its effect will be passed on to the contractor with effect from the date of such a change / revision.

8 DURATION AND QUANTITY OF WORKS:

- 8.1 The period of contract will be of 03 months which can be extended up to completion of contract of the existing turnkey mining contractors and subject to Clause No.8.4 & 8.5 of Chapter-I .Period can be extended in case of additional requirement of the works and circumstances prevailing at the time of completion of the schedule period of 03 months. In case of completion of the works of awarded quantity ahead of the schedule period of 03 months, it will be at the discretion of GMDC to conclude the contract or award the additional quantity of the works.
- 8.2 The Contractor shall carry out the works for the quantities as under:
- Breaking of Hard Strata and related ancillary activities = 1.50 Lakh M³ (approximately) as directed by project authority.**
- 8.3 GM (Project) would provide total monthly targeted quantity for all the works along with minimum quantity specified in the monthly schedule. The Contractor is expected to work for fulfillment of the total monthly as well as yearly targeted quantity as its fundamental

obligations. The Contractor shall strictly adhere to the obligation of execution of all the works as per the schedule provided to the contractor.

- 8.4 If the awarded quantity is not executed within the schedule contract period and reasons for shortfall in the quantity like geological surprise, force majeure condition, local working condition etc. not attributed to Contractor then the contract period may be extended as per requirement and Escalation in rate shall be applicable as per formula mentioned above at clause 7.2 of Chapter-I of this tender document. No escalation on any other account will be paid or considered by GMDC.
- 8.5 In case of requirement of execution of additional quantity after completion of the contract period, the contract period may be extended and escalation in the rate of the work shall be applicable as per formula mentioned above at clause 7.2 of Chapter-I of this tender document. No escalation on any other account will be paid or considered by GMDC.
- 8.6 In case of requirement of execution of additional quantity during the contract period, contractor shall be responsible to execute such additional quantity during the contract period at the same rate finalized for the respective works. No escalation in the rate of the works for such additional quantity during the contract period shall be considered.

9 TENDER DOCUMENT PROCESSING FEE:

The tender documents can be downloaded from our web site www.gmdcltd.com and <https://gmdc.nprocure.com>. The cost of tender documents is to be paid at the time of submission of supporting document of technical bid in the form of demand draft of Rs. 15,000/- plus 18% GST (Total Rs.17,700/-) as mentioned in tender notice, in the sealed technical bid cover. If the amount mentioned in the DD is found short, the tender will not be considered for scrutiny and will be out rightly rejected.

Chapter II
INSTRUCTIONS to the BIDDERS

1. The Bidders are advised to read carefully all the instructions, evaluation norms and other terms and conditions described in these documents under different Chapters carefully before rendering their offer. In case of any doubt they may seek clarification from General Manager (LP) available at GMDC's head office at Ahmedabad.

2. SITE VISIT:

- 2.1. Bidders are advised to visit the site to study the actual working conditions, before submission of the bid. The information/details given in the tender document are only to describe the magnitude of work and are for mere guidance to the Bidders. The project works are under the charge of Shri Neeraj Pareek, I/c General Manager (Project) and his contact numbers in his Office is (0278) – 2883100 , email: bhavnagar@gmdcltd.com; nspareek@gmdcltd.co.in
- 2.2. Any neglect or failure on the part of the Bidder in obtaining necessary and reliable information upon the foregoing or any other matters affecting the contract shall not relieve him from any risks or liabilities or the entire responsibility from completion of the work at the scheduled rates and time in strict accordance with the contract documents.

3. MINING SCHEME:

- 3.1 It is proposed to carry out the work by opencast mining method, using conventional mining machinery like Rock breaker, ripper dozer etc. The overburden lying over the hard strata will be removed by the existing turnkey mining contractors working at the mines and top of the hard strata will be exposed. Successful bidder has to carry out the work of breaking of hard strata by deploying rock breaker, ripper dozer etc. The broken hard strata materials will be loaded in to the dumpers and transported to the dumps by the existing turnkey mining contractors. The works is proposed to be outsourced to a Bidder selected through tendering process. Major quantity of the work will be within the area shown in the enclosed drawings/maps (Plate No-1). However, in the case of GMDC's urgent requirement or any unforeseen cause, work may be required to be carried out at other locations within the mine lease area for which no extra claim shall be entertained.
- 3.2 Time is and shall remain the essence of the contract. The compliance with monthly and yearly schedules and specified quantities-durations therein are the prime requirement of the contract.

4. THE TENDER DOCUMENT & EVALUATION:

- 4.1. It is a three stage bid evaluation system. It is mandatory that the bids are first submitted on-line at **gmdc.nprocure.com** by the date and time prescribed in the tender notice as above. **Failure to submit bid online in stipulated time due to any reason whatsoever by any Bidder shall not be entertained.** In such circumstances, even if a bid is submitted physically for supporting documents, tender fees, EMD amount etc. shall not be considered as bid submitted and returned back to Bidder without opening the same. GMDC reserves the right to take suitable decision as deemed fit.

A. Stage – I Preliminary Evaluation of Bid

C. Stage – III Price-Bid

- (a) The Bidders must submit a **Price Bid only on-line** before the stipulated time. Price bid of all Bidders whose Bids meet the prescribed technical requirements, would be taken up for opening at this stage of the Bidding process. If the Price – bid is submitted only in the physical format, the tender will not be taken up for scrutiny and will be out rightly rejected.
- (b) If the EMD and tender fee are not found in the sealed technical bid document cover in the required form and manner or if the amount thereof is found short, the tender will not be considered for technical scrutiny and will be out rightly rejected.
- (c) The GMDC reserves the right to reject any or all the Bidders or split the work between more than one Bidder without assigning any reason thereof.
- (d) All the supporting documents submitted online with the tender shall be genuine and correct. If it is found at any point of time that the said documents were not genuine then in that case the tender will be rejected, earnest money will be forfeited and the Bidder may be debarred from participating in further/future GMDC tender as per declaration format enclosed in the tender document **(FORM G)**

5. OPENING OF BIDS AND DETERMINATION OF THE LOWEST (L1) BID:

- 5.1. E-tendering procedure is explained in Chapter – III.
- 5.2. For Preliminary evaluation, the bids will be opened for verification of receipt of payment towards document fee and EMD. The Bidders will be able to view it on their computers after opening of the same.
- 5.3. On verification of the supporting documents as per requirement of the tender, technical qualification of the Bidders will be assessed. Technically qualified

Bidders will be communicated the date and time of on-line opening of price bids by fax or telephone or email or SMS. However, all the Bidders will be able to view the price bids on-line on their computers as well.

5.4. Evaluation of the Price Bid:

For tender evaluation, total amount for the works shall be determined. For tender evaluation, the lowest rate for the work for the work of transportation of lignite from Surka (North) lignite mine face to feeding point of Pyrite Removal Plant shall be determined as per example given under:

Item No.	Work	Estimated Qty. (M ³)	Rate Quoted by Bidder (Rs./M ³)		
			Bidder-A	Bidder-B	Bidder-C
1	Breaking of Hard Strata and related ancillary activities	150000	12.00	10.00	15.00
	Remark		L2	L1	L3

- A. The bidder is required to quote the rate strictly as per the terms and conditions mentioned in the tender documents. **The conditional tender will not be entertained and will be rejected.** The rate quoted should be inclusive of all items.
- B. L1 Bidder may be called for negotiation.
- C. **To assist in the scrutiny, evaluation and comparison of bids, GMDC may, at its discretion, seek from any or all Bidders, clarification(s) on his/their Bids, including technical information, documents and materials after the Technical Bid Opening but before opening of the Price Bid (Stage-III) but no change in the final price or substance of the bid shall be permissible.**

6. Price Bid:

- 6.1. Bidders are requested to quote their Rate in Rs. per M³ in the following manners as per Price-Bid Form-AA for the works:
- 6.2 While submitting the price bid electronically, Bidders are requested to quote their Rate for the works of Breaking of Hard Strata and related ancillary activities inclusive of all taxes except Goods and Service Tax, as under:

PRICE BID FORM – AA (To be submitted online)

Item No.	Work	Estimated Qty. (M ³)	Unit	Rate in Rs. per Unit	Amount in Rs.
1	Breaking of Hard Strata and related ancillary activities	150000	M ³		

There shall be no escalation on any other account except price variation in diesel price as per clause 7.2 of Chapter-I of this tender document will be paid or considered by GMDC.

6.3 There shall be no reimbursement on the cost of diesel to be consumed for any other related ancillary activities.

6.5 The Bidders are required to quote the rates strictly as per the terms and Conditions mentioned in the contract. Any conditional tender will not be entertained and may be summarily rejected. Rate quoted shall remain **valid for 90 days from the date of opening of the technical bid**, which shall be deemed extended unconditionally for further period of 90 days, if GMDC requires it.

6.6 Payment to be made to the Contractor will be based on the work of Braking of Hard strata, the actual quantity being measured in M³.

6.7 Any other fresh imposition or variation in existing taxes or levies during the currency of the contract by the Govt. if applicable after submission of the bid and payable by the Contractor, shall be reimbursed by GMDC on actual subject to submission of documentary proof of having remitted the same and to the extent directly related to the services rendered by the Contractor under this contract. This shall be subject to submission of documentary proof clearly mentioning the name of work and respective RA Bill No.

6.8 GOODS & SERVICE TAX (GST):

- a. All bidders are requested to submit their GST number and date in the bid. Bid received from unregistered bidder will not be considered and out rightly rejected.
- b. Bidders are requested to quote their rates without GST. GST will be paid/adjusted/reimbursed to the Contractor as per prevailing rates and rules to the extent directly related to the services rendered OR Goods supplied by the contractor under the said contract subject to production of documentary proof and contractor will mention the GST amount separately in the invoice/bill along with SAC/HSN Code under GST.

7. ACCEPTANCE OF LETTER OF INTENT AND PAYMENT OF SECURITY DEPOSIT:

GMDC, on acceptance of the offer, will issue Letter of Intent to the Bidder; who will be required to confirm its **acceptance of the LOI within 7 days of its receipt**. If it does not accept the LOI within stipulated time period, the amount of the EMD paid will be forfeited and necessary further actions may be initiated as may be deemed fit by the GMDC. Contractor **shall submit the Security Deposit in the manner prescribed in clause no.2 of Chapter No-VI of the Tender Document**. In case of **failure to submit the security deposit, the**

amount of EMD will be forfeited and necessary further actions may be initiated as may be deemed fit by the GMDC.

8. CONTRACT AGREEMENT AND COMMENCEMENT OF WORK:

8.1 The Contractor, along with the payment of Security Deposit, shall have enter into a contract/ agreement with the GMDC on appropriate Stamp Paper (to be provided by the Contractor) in token of acceptance of the terms and conditions of the contract, within 30 days from date of commencement of the work. In case of any necessity arising after executing the agreement and during the execution of the work, which requires alteration/modifications in the agreement, the same can be made in writing after mutual understanding and consent of both the parties. The Contractor shall have to start the work as per the Scope of work mentioned in the tender document within 15 days from the date of acceptance of LOI. In case of failure to commence the work within the above-mentioned period, the contract may be terminated, at the discretion of GMDC.

8.2 The basic/refresher training of the Contractor's employees required under MVTR 1966 will be imparted at our GVTC on chargeable basis free of cost. During the course of training, if the performance of any Contractor's employee is found unsatisfactory than the Contractor will not engage such employee in the mine. If for the purpose of special training the Contractor's employees will be referred to any other institution/training centre then the cost of the training shall be borne by the Contractor. The Contractor shall ensure that the training of their employees completes before commencement of the work. The Contractor will also organize at their own cost medical examination of their manpower, to be deployed in the mine as per DGMS norms.

9. GENERAL:

9.1. If the tender documents and forms referred to in the tender are not submitted or are submitted but not found duly filled in and unsigned, will result in rejection of the tender.

9.2. Canvassing in any form may lead to rejection of the offer.

9.3. Bids once submitted shall not be returned and shall remain the property of the GMDC.

9.4. The Bidder who have earlier been awarded contract by the GMDC for any job which they either did not accept or have abandoned or contract has been terminated by the GMDC for breach of conditions, shall not be eligible to participate in this tender.

9.5. To assist in the scrutiny, evaluation and comparison of bids, the GMDC may, at its discretion, seek from any or all Bidders, clarification (s) on his/their Bids, including technical information, documents and materials after the Technical Bid Opening but before opening of the Price Bid (stage-III). The request for clarification and response shall be in writing or by fax, but no change in the final price or substance of the bid shall be permissible.
