Instructions to Bidders / Tenderers

A. General Instructions:

1. Specification, quantity, unit, rate, taxes, duties, freight, insurance, packing, forwarding etc. should be mentioned separately and clearly.
2. Please indicate Rate/Unit and value both in figures and in words.
3. Quotation should be clear and legible. No correction, over-typing or over-writing shall be permitted in the Price Bid.
4. Tenderers are requested to return our drawings enclosed with enquiry issued along with quotation / regret letter.
5. Tenderers who submit their offers shall be deemed to have read, understood and accepted the terms & conditions of the tender.

B. General Terms & Conditions:

1. ELIGIBILITY CRITERIA

Only proven manufacturers / Authorised Dealers / Distributors are entitled to quote. Authorised Dealers/Distributors will have to submit along with the offer, Dealership/Distributorship Certificate of their principal with date of appointment and validity signed by authorized signatory.

2. The bidders will be satisfying the following condition:-

They shall also have enough experience in supply of similar product till date. Proof for the experience shall be produced before issue of tender documents to the firm. Tenderers should have adequately qualified and experienced Engineers to carry out the job. A list of such people available with them shall be enclosed along with the offer.

3. THE TENDER & THE OFFER:

- a) It is a three-bid system. The bids are required to be submitted on line at <https://nprocure.com> by the date and time prescribed in the tender notice as under:

Part – I Preliminary Bid

- To be submitted online about the details of Tender fee and EMD.

Part - II Technical bid

- Technical bid documents i.e. forms are to be submitted on line. However, the documents required to be submitted in support of forms as well as tender fee and EMD in the desired form shall be placed in sealed cover super-scribed

“TECHNICAL BID, Tender No. 003/18-19 and Name of work ”, should be submitted separately at Corporate Office, Ahmedabad before stipulated time.

Part – III Price-bid

- to be submitted **on line only** before the stipulated time.
- b) If the EMD and Tender fee are not found in the sealed technical bid document cover or if the amount thereof is found short, the tender will not be considered for scrutiny and will be out rightly rejected.**
- c) The Corporation reserves the right to reject any or all the tenders or split the work between more than one bidder without assigning any reason thereof.**

4. OPENING OF BIDS

- a. E-tendering procedure is explained as above.
- b. Preliminary bids will be opened after verification of receipt of payment towards Tender fee and EMD. The bidders will be able to view it on their computers on date and time notified in tender notice.
- c. On verification of the supporting documents, technical qualification of the bidders will be assessed. The successful bidders will be communicated the date and time of on line opening of price bids by fax or telephone or email or SMS. However, all the bidders will be able to view the price bids online on their computers.

5. CORRIGENDUM:

Please note that there is no provision to take out the list of parties downloading the tender document from the above referred the websites. As such tenderers are requested to see the website once again before due date of tender opening of ensure that they have not missed any corrigendum uploaded against the said tender after downloading the tender document. The responsibility of downloading the related corrigenda, if any, will be that of the downloading parties.

No separate intimation in respect of corrigendum will be sent to tenders who downloaded the tender document from the website as information in this respect will not be available to website i.e. <https://nprocure.com> etc.

6. Earnest Money Deposit:

- (a) A non-interest bearing Earnest Money Deposit of Rs. 25,000/- (Rupees Twenty Five thousand only) shall be paid along with the tender, enclosed with Technical Bid documents in seal cover super scribed “TECHNICAL BID”, in form of
 1. DD in favour of GMDC Ltd. payable at Ahmedabad from Government of Gujarat approved bank, except Cooperative banks.
 2. Bank Guarantee, issued by a Nationalised or IDBI, ICICI, Axis, HDFC banks only in India valid for a period of not less than 3 (three) months

beyond the proposed validity of bid. The validity of the Bank Guarantee shall be extended if required.

Any pending dues against invoice or any other deposit lying with the Corporation will not be adjusted against Earnest Money Deposit. Any tender submitted without Earnest Money shall be summarily rejected and no claim shall be entertained on such rejected tenders.

- (b) The unsuccessful bidders will be refunded the EMD amount by way of crossed cheque within 10 days of finalization of the tender.
- (c) The EMD of the successful bidders shall be refunded by way of crossed cheque on receipt of Performance Bank Guarantee amount as Stipulated in clause No. 21.
- (d) If the party does not accept the work order issued by G.M.D.C., then EMD amount paid by the bidder will be forfeited.

7. Security Deposit:

The successful Tenderer need not require to submit security deposit as they will submit Performance Bank Guarantee before completion of work allotted site.

The successful Tenderer shall have to deposit Security Deposit @ 5% of the order value (Including EMD) within a fortnight after receipt of the order. (in the case of SSI Industries, 3% is applicable) by way of

1. DD in favour of GMDC Ltd. payable at Ahmedabad from any Nationalised or scheduled banks (not being a cooperative Bank),
2. Bank Guarantee, issued by a Nationalised or IDBI, ICICI, Axis, HDFC banks only in India valid for a period of not less than 3 (three) months beyond the proposed validity of bid.

If the successful Tenderer does not pay Security Deposit or does not supply the material as per our order or does not fulfill any of the terms & conditions of this tender, Earnest Money Deposit paid by such Tenderer shall be liable to be forfeited by the Corporation.

Security Deposit paid by the successful Tenderer shall be liable to be forfeited by the Corporation, if he is not able to supply the material in accordance with the terms & conditions and the Tenderer shall be liable to late supply of the material under this clause.

Security Deposit paid will be refunded within 60 days after the execution of the order satisfactorily.

Earnest Money / Security Deposit will not bear any interest.

8. No Relaxation on EMD/SD.

Unit registered with Govt. of Gujarat / National Small Industrial Corporation Ltd., As SSI Unit will not be exempted from paying Earnest Money Deposit / Security Deposit in any case. Cheque will not be accepted.

9. Specification & Technical details as given in the tender shall be clearly confirmed in the offer. In case any deviation is proposed, it shall be clearly highlighted. All other information required (technical) literature, leaflet, price list etc. should be furnished. However, the decision of the company regarding the acceptability of the deviation shall be final.

10. PRICE:

Bidders are requested to quote the rates strictly as per the terms and conditions mentioned in the Tender Document. Rate quoted by the Tenderer should be firm and no price increase will be allowed to the tenderer during the supply period. The tenderer should quote price only on free delivery at our Project basis. The rates other than (FOR project basis) (our project basis) will not be considered.

11. Validity:

Rate quoted shall remain valid for 120 days from the date of opening of the Technical-Bid, which shall have to be extended unconditionally for further maximum period of 30 days, as deem fit by the Corporation.

12. Taxes, duties & levies:

Bidders are requested to quote their GST number and date in the bid. Bid received from unregistered dealer will not be considered.

Financial Evaluation: L1 bidder will be decided after considering input tax Credit to be available to GMDC under GST.

13. Delivery:

- a) Within 8 weeks of date of work order issued.
- b) Timely delivery is the essence of the contract. In the event of supply not being effected within the contractual delivery schedule given in the order ,liquidated damages @ 0.5 % not by way of penalty , of the value of the materials without taxes and duties , per week of delay or part thereof , subject to a maximum of 10 % , is recoverable from the supplier without prejudice to the right of GMDC to procure the balance materials at the risk & cost of the Supplier.

NB:-

[i] Liquidated damages to be levied shall be calculated on the Base Price on which order is placed. LD shall not be applicable on taxes and duties.

[II] In the event of failure to supply the goods, or part thereof, within the contracted delivery period, GMDC reserves the right to cancel the contract, or part thereof, and if so desired, to purchase the balance quantity of goods from alternate source at the risk and cost of the defaulting supplier and recover the difference in the event of extra expenditure by GMDC.

14. Invoice:

Original invoice should be sent along with challan at Head Office and duplicate invoice should be sent at our project for our reference. (Please mention the Purchase Order No. in Invoice without fail).

05. Approval:

The material supplied will be subject to our approval and inspection at project premises. Our decision for acceptance or rejection of the goods will be final and binding on you.

16. Transit Insurance:

The material supplied under the contract shall be fully insured against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery to destination. Insurance is to be provided by the supplier at his cost.

17. Payment Terms:

100% payment will be made by Cheque / RTGS from H.O. within 30 days from the date of receipt of material or invoice whichever is later & after due certification by the project. Payment term other than this will not be considered.

18. Guarantee/ Warranty:

The supplier must replace, free of charge, any mechanical or electrical parts which owing to defect in design, material or workmanship fail or show signs of failure at any time within 12 months from the date of the equipment being put into operation or 18 months from the date of receipt of supply, whichever is earlier or otherwise as specified in the tender. Material is to be replaced free of charge on FOR destination basis (even in FOB contracts) and all charges, duties, freight, insurance, etc. up to Project - Stores shall be borne by you. Acceptance of order as above will not require any separate guarantee for the purpose of acceptance / payment. All supplies will be considered to have been covered by the above guarantee by the supplier unless specific conditions in this regard are indicated in the purchase order

19. Loss and Damages:

Not-with-standing anything herein contained, the supplier should undertake to be responsible for the said receipt of the goods in satisfactory condition and without any loss or damage at the final destination and until the same is actually delivered and receipted by the company at its works or other place of final destination. For this purpose goods carried by the railway or other carrier shall be deemed to be carried at the risk of the supplier. If on inspection at final destination, the company discovers any loss in goods supplied or the goods are received in damaged condition or in the opinion of the company these are not of the contracted quality and specification the company will be entitled (not-with-standing that the property of goods shall have passed on to the company) to refuse acceptance of the goods altogether and claim damages and/or cancel the contract and buy its requirement in the open market at the risk and cost of the supplier, reserving always to itself, the right of forfeiture of any amount found due and payable or the deposit, if any, Placed by the supplier for the due fulfillment of the contract as also to recover any amount, if already paid, along with interest @ 18% p a.

20. Responsibility for packing and preservation:

The supplier is responsible for the stores being sufficiently and properly packed for transportation and for suitable preservation to avoid deterioration during transit and storage at Project - Stores. Indication for validity of such preservation should be clearly mentioned to enable GMDC projects to arrange for re-conservation thereafter. Validity for such preservation should not be less than a year unless otherwise advised taking into account the nature of the goods. Please indicate your standard packing norms / details in the offer.

21. PERFORMANCE BANK GUARANTEES:

The successful bidders shall be required to furnish the Performance Bank Guarantee.

- (a) 10% of the total Material value on Landed basis inclusive of applicable Taxes & Duties, valid for Commissioning period + 12 months from the date of commissioning of the equipment with claim period of 3 months in excess of the 12 months. The total period of PGB shall be for 15 months.
- (b) Successful bidder shall have the option to be converted the Security Deposit amount into the Performance Bank Guarantee or submit the Performance Bank Guarantee separately. In case the successful bidder get the Security Deposit converted into Performance Bank Guarantee and Security Deposit amount is less than the required Performance Bank Guarantee amount, bidder shall have to submit the separate Performance Bank Guarantee for the additional required amount. In case Performance Bank Guarantee is submitted separately, Security Deposit shall be released against submission of Performance Bank Guarantee.

The Performance Bank Guarantee shall be released after fulfillment of all contractual obligations including warranty / guarantee conditions stipulated in the contract. For unsatisfactory Performance and/or contractual failure GMDC shall have the full right to invoke/encase the Performance Bank Guarantee.

The Performance Bank Guarantee shall be issued by a Nationalized or IDBI, ICICI, AXIS, HDFC banks only and shall be irrevocable and unconditional and GMDC shall have the powers to invoke/encase it notwithstanding any dispute or difference between supplier and GMDC pending before the court, tribunal, arbitrator or any other authority.

The format of performance bank guarantee shall be provided to successful bidder only

22. Tenderer have to advise the name of the reputed Industrial/Government undertaking to which they have supplied items mentioned in the tender. Also please give your complete organization detail / company profiles.
23. Tenderer, if registered under DGS&D rate contract shall have to furnish particulars of rate contract stating the no. of rate contract, period, date & DGS&D rate together with a copy of the rate contract. In such cases, the DGS&D rate only shall have to be quoted.

24. If Tenderer is a SSI Unit, please state SSI No. and attach copy of the registration as SSI Unit.
25. Effect of increase in E.D. due to the higher turnover of the party will not be considered in any case.
26. Order will be issued to the successful bidder and in any case request for changing bidder name will not be considered.
27. The tender submitted in contravention of the terms & conditions stated herein will not be considered.
28. No conditional tender will be accepted and will be rejected out rightly. Conditional tender will not be read at the time of Opening.
29. For any typographical error in this tender, decision taken by Corporation will be final & binding to all the bidders.
30. **Weight / Quantity of material supplied:** The weight / quantity recorded at our Project will be taken as the basis of payment.
31. In case of disputes or difference of opinion in the interpretation of any of the terms & conditions of this tender, the decision of the Managing Director, of GMDC shall be final and binding to all.
32. In case of medicines, chemicals and other items having limited shelf life, the left over shelf-life of each item at the time of delivery should be at least 80%.
33. The Corporation reserves the right to reject any or all without assigning any reasons thereof. The corporation also reserves the right to amend, alter, increase or decrease the quantity of the material during any month due to change in the production pattern. If necessary to do so the Corporation reserves right to terminate this contract, without assigning any reasons thereof to the tenderer. For any of the above act, the Corporation does not accept any liability or any financial or other loss that the tenderer may have to suffer in exercising this power by the Corporation.
- 33.1 If the tender documents and forms referred to in the tender are not submitted or are submitted but not found duly filled in and unsigned, will result in rejection of the tender.
- 33.2 In the event of space being insufficient for furnishing required information, additional sheets may be used and signed.
- 33.3 Canvassing in any form may lead to rejection of the offer.
- 33.4 Bids once submitted shall not be returned and shall remain the property of the purchaser.
- 33.5 The tenderer who have earlier been awarded contract by the company for any job which they either did not accept or have abandoned if or contract has been terminated by the company for breach of conditions, shall not be eligible to participate in this tender.

- 33.6** To assist in the scrutiny, evaluation and comparison of bids, the Corporation may, at its discretion, seek from any or all bidders, clarification(s) on his/their Bids, including technical information, documents and materials after the Technical Bid Opening but before opening of the Price Bid (part-II). The request for clarification and response shall be in writing or by fax, but no change in the final price or substance of the bid shall be permissible.
- 34.** The Court at Ahmedabad in Gujarat State only will have jurisdiction to deal with and decide any legal dispute or contravention between the parties hereto.

35. FORCE MAJEURE

1. Force majeure is herein defined as any cause which is beyond the control of the bidder or the GMDC as the case may be which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as:
 - i. natural phenomena such as flood, draughts Cyclone, earthquake and epidemics, declaration of war.
 - ii. Acts of any government, including but not limited to war, declared or undeclared priorities, quantities, embargoes, providing either party shall within fifteen (15) days from the occurrence of such a cause notify the other in writing of such cases.
2. The bidder will advise, in the event of his having resort to this clause by a registered letter duly certified by the statutory authorities, the beginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition. In the event of delay lasting over two months, if arising out of Force Majeure, the contract may be terminated at the discretion of the GMDC.
3. For delay arising out of Force Majeure, the contractor will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of force Majeure and neither GMDC nor the bidder shall be liable to pay extra costs provided it is mutually established that the Force Majeure conditions did actually exist.

Only latest versions should be followed.	
3.0	Technical Requirements (Towers)	
3.1	The design and construction features of the tower shall generally meet the following basic requirements. The material used in the fabrication / construction of tower and its design shall conform to the BIS or other International standards amended up to date as referred above.	
3.2	Type of Towers Required: Trolley mounted having pneumatic tyres	
	Material of construction : Steel tubes / M.S.Plates	
	Regional basic Wind speed : 50 m/sec (180 km /hr)	
	Gust Factor : 1.15	
	Topography configuration : 1.0	
	Mean probable design life : 25 years	
	Height of the Towers : 9 meter including the height of trolley & cradle	
	Height Variation factor : As per IS Code 875:1987 (Part 3)	
	Terrain Category : Category 1 Class A as per IS 875	
	Winches: 9 mtr. Should be with Manual winches	
	Number of Lights Cradles: Two	
	Number of Lights on Cradle: (9) Nine.	
	The Tower should be designed with a provision for at	

	least 4 lights to be fitted on one side of the cradle if required.	
3.3	<p>Hinging / Telescopic Arrangement :</p> <p>The system should have an arrangement for installing and maintaining lights at ground level. The tilting arrangement of the Tower should be perfectly balanced and should not give any jerk or need a push / pull to activate the operation.</p>	
3.4	<p>Trolley Base :</p> <p>The trolley base shall be fabricated from channel frame work. The base shall be provided with suitable number of riggers of suitable extendable length to provide complete stability of towers when fully erected. The riggers after extension shall be fixed with the help of screw jacks having suitable free base of steel / cast iron.</p> <p>The trolley base shall be provided with solid rubber tyres to facilitate pulling / dragging without damaging the haul roads. The design should be such that the extension of outriggers is minimum.</p> <p>The base should be so designed as to make its assembly and de-assembly on site within a very short time.</p>	
3.5	<p>Anti –rust Treatment and Painting</p> <p>The total tower structure shall be given anti rust treatment by painting after sand blasting. Before painting two coats of primer shall be applied. During final painting of complete tower structures standard safety colour code shall be complied with so as to provide clear visibility to the operation of dumpers, dozers, tippers etc. for safety against collision / damage during night time.</p>	
3.6	<p>Winches:</p> <p>The winch used shall be of suitable design and robust construction making it reliable and easy to operate. The enclosed type gears shall be appropriately designed, machine cut duly heat treated and ground to achieve adequate strength against wearing etc. The rope drum shall be made of ERW heavy duty tube and fabricated as per BIS 10887. It shall be suitably mounted on ball bearings. The drum shall have suitable wire rope anchoring arrangement. The surface of the drum shall be finished smooth.</p> <p>The ropes used with both the telescoping and the tilting winches shall be of suitable size. 6 x 37 construction, fibre core and breaking strength giving a factor of safety of more than ten and shall confirm to relevant BIS, as amended up to date.</p> <p>The winch would shall be complete with manually operated arrangement designed and fabricated for easy operation of the winch; a screw and friction disc type self actuating braking system which applies automatically on load/weight of the tower sections and the luminaires on its top.</p>	

3.7	<p>Tools & Tackles A tool box made of sheet steel containing a set of general purpose tools/spanners and a special tools/tackles (special key) for the luminaries would be supplied along with each Tower.</p>	
3.8	<p>Spare Parts A set of spare ropes would be covered under scope of supply and would be dispatched with each of the tower supplied.</p>	
3.9	<p>Mast Lighting Control Panel (MLCP) The MLCP shall be of outdoor type having IP 55 class of protection with two incomers one for power from D.G. and other from mains with a selector switch for the same. The MCBs shall protect the outgoing cables from short circuit. RCBO of 30 mA rating shall be provided with main incomer MCB of adequate rating. The cables from MLCP to the individual luminaries shall be prewired and so laid and protected that it does not infringe with raising and lowering of the segments of the tower.</p>	
3.10	<p>Protection against Lightning Since these areas are lightening prone area, the tower shall be provided with five pronged lightening conductor which shall be connected to the earth terminal at bottom frame through suitable size of flexible copper cable.</p>	
4.0	<p>Technical Requirement (Luminaries) The asymmetric beam 2 x 400 HPSV flood light with double tubular lamp (non-integral). It should be high intensity, energy saving, dust moisture and vermin proof shall have IP-65 protection. The no. of flood lights shall be of 9 (nine) Nos.</p> <p>The fitting should be at power coated die cast aluminium corrosion resistance or stainless steel housing, electrochemically brightened and high purity anodized aluminium / highly polished stainless steel reflector, heat resistance toughened glass cover of min. 5 mm thickness, heat resistance silicon rubber gasket, toggles and earthing terminals.</p> <p>Lamp should be of 400 Watt HPSV SON-T PIA lamp with lumen output of 56,500 lumens & average life of 32,000 Burning Hours. The make of lamp should be of Phillips/Oshram only.</p> <p>The flood lights should meet the requirements as laid down in IS 10322 Part 5 Sec V and IS 13383. The fittings offered should have Type Test Certificate including for Photometry for all tests specified in the type test clause and also for wind load test and leakage current test from a reputed laboratory approved by NABL.</p>	

	The fitting should be complete with 2x400 Watt HPSV lamps as per designed rating and its control gear, as laid down in IS:9974 Part-I and Part-II, 1981.	
5.0	<p>Design Calculations and Drawings:</p> <p>The detailed design calculations for the Lighting Mast Tower and trolley details for at least one type of Mast duly approved by a Government Institution, general arrangement drawings showing plan, elevation, end views and circuit diagram along with bill of material for the equipment quoted must be submitted with the tender. The tower should be type tested for the parameters of the NIT from a reputed lab approved by Govt.</p>	
6.0	<p>Deviation :</p> <p>Deviation if any, from the technical requirement / specification given herein with a view to improve the design/Technical features must be clearly spelled out. If not so pointed out, the tenderer shall be fully responsible for total compliance.</p> <p>Any deviation should be fully supported by Technical data / details for further consideration.</p>	
7.0	<p>Past Experience :</p> <p>The tenderer must submit details of the past experience - giving purchase/supply order reference & value; quantity supplied consignee details etc. for design, fabrication / manufacture of this items.</p>
