That if the Bidder is not covered under the Employees State Insurance Act, 1952 then it shall be the duty of the Bidder to take appropriate insurance cover under the Workmen Compensation Act and take Group Personal Accident Policy for all the employees deputed at the premises of the "First Part".
- V. The Bidder has to issue to the employee's Identity card with their photos and shall also maintain relevant register.
- VI. That the Bidder shall give leave/holiday to its workforce as per the provisions of labour laws applicable.

- VII. That the Bidder would obey with all applicable laws and maintain all such necessary records as necessitated under such enactments.
- VII. In case were the contract period is over or the contract is terminated by either party the “Second Part” shall employ the personnel deployed by it at other place. In case the workmen recruited by the GMDC is not provided work at any other place and are discharged then all the eligible workmen shall be paid retrenchment compensation, gratuity, bonus, earned leave and other benefits payable under the labour laws
- VIII The bidder shall follow the provision of the Building and other construction workers welfare (Cess) Act-1996.

## 24. Force Majeure.

1.1 Force majeure is herein defined as any cause which is beyond the control of the Successful Bidders or the GMDC as the case may be which they could not foreseen or with reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as:

- (i) Natural phenomena such as flood, draughts Cyclone, earthquake and epidemics, declaration of war.
- (ii) Acts of any government, including but not limited to war, declared or undeclared priorities, quantities, embargoes, providing either party shall with in fifteen(15) days from the occurrence of, such a cause notify the other in writing of such cases.

1.2 a. The Successful Bidders will advise, in the event of his having resort to this clause by a registered letter duly certified by the statutory authorities, the beginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition. In the event of delay lasting over two months, if arising out of Force Majeure, the contract may be terminated at the discretion of the GMDC.

b. For delay arising out of Force Majeure, the Successful Bidders will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of force majeure and neither company nor the Successful Bidders shall be liable to pay extra costs (like increase in rates, re mobilization, advance, idle charges for labour and machinery etc.) provided it is mutually established that the Force Majeure conditions did actually exist.

c. If any of the Force Majeure conditions exists in the place of operation of the Successful Bidders even at the time of submission of bid he will categorically specify them in his bid and state whether they have been taken into consideration in their quotations.

1.3 (1) The Successful Bidders or the GMDC shall not be liable for delays in performing his obligations resulting from any force majeure cause are referred to and/or defined above. The date of completion will subject to here in after provided, be extended by are as on able time given

though such cause may occur after Successful Bidders's performance of his obligations has been delayed for other causes.

- (2) By reason of any exceptionally inclement weather requiring total stoppage in work. Or
- (3) By reason of loss or damage occasioned by any one or more of the contingencies referred to in clause 47(a), (b), and (c) of these conditions. Or
- (4) By reason of power commotion, local combination of workmen strike or lockout affecting any of the trades employed upon the works or any of the trades engaged in the preparation, manufacture or transportation of any of the goods or materials required for the work. Or
- (5) By reason of Engineer's instructions issued under clauses 9, 30(1) or 38 (2) of these Conditions.

Or

- (6) By reason of the Successful Bidders not having received in due time necessary instructions, drawings, details or levels from the Engineer for which he specifically applied in writing on a date which having regard to the date for completion stated in the Appendix to these Conditions or to any extension of time then fixed under this clause was neither unreasonably distant from nor unreasonably close to the date on which it was necessary for him to receive the same. Or
- (7) By delay on the part of nominated Sub- Successful Bidders or Nominated Suppliers which the Successful Bidders has taken all practicable steps to avoid or reduce. Or
- (8) By delay on the part of artists, tradesmen or others engaged by GMDC in executing work not forming part of this Contract. Or
- (9) By reason of the opening up for inspection of any work covered up or of the testing of any of the work, in accordance with clause 36 (7) of these conditions (including making good in consequence of such opening up or testing) unless the inspection of test showed that the work is not in accordance with this Contract. Or

Then the Engineer shall so soon as he is able to estimate the length of the delay beyond the date or time aforesaid make in writing a fair and reasonable Extension of Time for completion of the works, provided always that the Successful Bidders shall use constantly his best endeavors to prevent delay and shall do all that may reasonably be required to the satisfaction of the Engineer to proceed with the work.

## **25. Foreclosure of contract:**

If at any time after acceptance of the tender GMDC decides to abandon for any reason whatsoever GMDC, through its Engineer In Charge, shall give notice in writing to that effect to the Successful Bidders. In the event of abandonment the GMDC shall be liable:-

- a) To pay reasonable amount assessed and certified by the committee Constituted by the GMDC in this behalf of the expenditure incurred, if any, by the Successful Bidders on preliminary works at site e.g. temporary access roads, temporary construction for labour and staff quarters, office accommodation, storage of materials, water storage tanks and water supply for the work including supply to labour/ staff quarters, site formation mobilization of machinery.
- b) To pay the Successful Bidders at the contract rates full amount for works executed and measured at site up to the date of such abandonment.
- c) To pay for the materials brought to site or to be delivered at site, which the Successful Bidders is legally liable to pay, for the purpose of consumption in works carried out or were to be carried out but for the foreclosure, including the cost of purchase and transportation and cost

of delivery of such materials. The materials to be taken over by the GMDC should be in good condition and the GMDC may allow at its discretion the Successful Bidders to retain the materials in full or in part if so desired by him and to be transported by the Successful Bidders from site to his place at his own cost with due permission of the Engineer In charge.

- d) To take back the materials issued by the GMDC but remaining unused, if any, in the work on the date of abandonment/reduction in the work, at the original issue price less allowance for any deterioration or damage caused while in custody or the Successful Bidders.
- e) To pay for the transportation of tools and plants of the Successful Bidders from site to Successful Bidders's place or to any other destination, whichever is less.

The Successful Bidders shall, if required by the Engineer-in-charge furnish to him books of account, wage books, time sheets and other relevant documents and evidence as may be necessary to enable him to certify the reasonable amount payable under this condition.

The reasonable amount of items on (a), (d) and (e) above shall not be in excess of 2% of the cost of the work remaining incomplete on the date of closure, i.e. total stipulated cost of the work as per accepted tender less the cost of work actually executed under the contract and less the cost of Successful Bidders's materials at site taken over by the GMDC as per item (b) above 'Provided always that against any payments due to the Successful Bidders on this account or otherwise, the Engineer-in-charge shall be entitled to recover or be credited with any outstanding balances due from the Successful Bidders for advance paid in respect of any tool, plants and materials and any other sums which at the date of termination were recoverable by the GMDC from the Successful Bidders under the terms of the contract.

## **26. Dispute Resolution and Arbitration”**

### **Legal Jurisdiction:**

Matter relating to any dispute or difference arising out of this agreement and subsequent contract based on the agreement shall be subject to the exclusive jurisdiction of courts at Ahmadabad only.

### **Dispute Resolution;**

“The parties shall endeavour, in the first instance, to resolve any dispute, disagreement or difference arising out of or in connection with this Agreement, including any question regarding its interpretation, performance, existence, validity, termination and the rights and liabilities of the Parties to this Agreement (a “Dispute”) through good faith negotiations.”

“All questions, disputes, differences and/or interpretation of agreement whatsoever, which may at any time arise between the parties to this contract in connection with the contract or any matter arising out of or in relation thereto, shall be referred to Sole Arbitrator as per the provisions of Arbitration and Conciliation Act, 1996 and subsequent amendment thereto. The venue of arbitration proceedings shall be at Ahmedabad. The Language of the Arbitration shall be in English.”

**Subject:**

Dear Sir,

I/We are interested in participating in the above Tender for the subject works at GMDC Corporate Office Building at Ahmedabad. We will carry out the works as per terms & conditions mentioned in the tender.

I/We have adequate experience of similar works and have adequate infrastructure, machinery and funding at our disposal to execute the work. We have sound financial position to fulfill any additional requirement if required to carry out the work to the entire satisfaction of the GMDC. We have understood that during the contract period, GMDC will be only responsible for providing supports and no other lieu will be paid/ reimbursed by GMDC in any case. If my work is not satisfactory, GMDC will be authorized to cancel / terminate the contract at any time & my security deposit also will be forfeited.

Thanking Your entity .

Your entity rs faithfully,

[Authorized Name, Signatory & Stamp)
