(Approx) Nearest Port Kandla (220 Kms) Nearest Airport- Bhuj 160 Kms. (Approx) Access Roads- National Highway no- 8 A to Gandhidham connects Bhuj. State Highway no-45 connects Bhuj to ATPS
--	--

In view of the above and to get resourceful and experienced agencies (Contractors or Bidders), it will be necessary to get them pre-qualified for the work under reference on the basis of the documents submitted by the contractors as asked by GMDC .

With a view to select a competent agency for the subject work under reference the Tender Documents are placed on (n) procure management system. The Tender Documents include Technical Bid / Prequalification Bid. Only the tenders of the Bidders who are qualified in the Technical Bid / Prequalification Bid will be considered for further evaluation. The Bidders are requested to send all the required documents as mentioned in the Technical Bid / Prequalification Bid.

If required, inspection visit will be made by client for job of similar nature / construction work against the work under reference.

If two agencies will become L1 than ,the preference will be given to the agency who have higher turn over .

Decision of the GMDC Management regarding pre- qualification based on the documents furnished by the bidders contractors will be final and binding to all the bidders and no correspondence will be entertained from any of the bidders in this regard.

The GMDC reserves the right to reject any or all the Technical Bids for pre- qualification without assigning any reasons thereof.

The GMDC reserves the right to allot the work in parts to more than one agency whose Technical Bid is qualified for the work. All decision to award the work will be made by employer.

The Engineer in charge or any other Officer authorized by the GMDC is entitled to ask the contractor to discontinue any work which does not meet the expected and/or specified standards.

The selected Bidders will have to enter into an agreement with the GMDC on a stamp paper of Rs.100/- to be provided by the selected Bidders in the form approved by the GMDC covering all terms and conditions interlaid that are advertised and stated in this tender form and those which may be agreed upon or modified by both parties during subsequent correspondence / discussions / negotiations.

Dated Signature & Stamp of the Contractor

Chapter I

INSTRUCTIONS TO THE BIDDERS:

Bidders are advised to read the instructions, evaluation norms and other terms and conditions described in these documents under different Chapters carefully before making their offer. In case of any doubt they may contact Manager (Civil) at the head office of the GMDC at Ahmedabad

THE TENDER & THE OFFER:

It is a three-bid system. The bid is required to be submitted on line at <https://www.nprocure.com> by the date and time prescribed in the tender notice as under:

Part – I Preliminary Bid

1. Any conditional Tender will not be entertained and will be out rightly rejected.
2. Bidders are advised to visit the site where works are to executed to study the actual working conditions, before submitting its offer. After quoting the tender no correspondences are to entertained in this regard.
3. The Contractor shall have to start the work within period of 15 days from the date of Letter of Intent, In case of non-compliance with the above condition, the action may be taken.
4. The contract shall be the item rate contract. The rate quoted is inclusive of all labour and material required for the Job.
5. Bidders are expected to quote competitive and workable rates.
6. The Scope of work under this Tender is “providing and laying with the materials. In the event of missing of above phrase in the description of schedule of quantities will not mean that materials will be supplied by GMDC and Bidders has to deploy only laborers for completing the work.
7. The main scope of the work is Repairs, retrofitting & protection of 130 M high RCC Chimney for at ATPS , Nani Chher . Under the scope of this tender the agency has to carry out the subject work, various civil works as per all items of Price Bid and as per detail technical specifications items. The quantities taken under individual items are very tentative. However the agency has to carry out the works as per the GMDC’s requirements.
8. The scope of work to be carried out by the contractor shall also include clearance of site, disposal of debris and excavated materials etc. Contractor has to make arrangement for workable site condition with the co operation of departments of GMDC and agencies, all necessary arrangement to get work permit is to be made by contractor. Day to day cleaning is required after completion of job. The removed materials and any other unwanted materials are to be transported and taken away as instructed by E.I.C.

The major works involvement generally mentioned as under:

- Dismantling of the existing cage ladder and Platform works
- Fabrication and Erection of structural steel works
- Hot Dip Galvanizing of the Structural steel works
- Fixing of lightening arrestor works
- Fixing of Aviation lights
- Supply and Fixing of GI Cable trays
- Job work for inspection of Chimney – Inside and Out side for total height of the Chimney .

No any extra payment shall be entertained. Drawing of aviation light shall be provided during execution. These Items/works are included in the scope of work.

9. The agency has to carry out the works as per item & specifications of the tender by providing all materials of best quality and of standard manufactures as the samples approved by EIC and providing best workmanship through expert manpower.

10. The agency has to carry out the works as per the priority & schedule given by EIC time to time even in on or off working hours of the office. The agency will take complete care and will not damage any other structure in premises of GMDC .
11. The agency has to carry out all the works by taking all due cares of safety, security norms, with all risks including scaffolding, strutting, shoring, etc up to any height irrespective of quantum of the work with his own cost .
12. All Fabrication materials including Structural steel works etc. are in your scope and hence all the responsibility regarding the all type of wastage are in your scope.
13. In case the fabrication and GI Coating of ladder is done by the Contractor at his own workshop out side the Project site than the rate quoted by them for this item shall be inclusive of transport of the fabricated materials from his Shop to Project site . He shall also in such case provide all facilities and access to the Engineer in Charge or his representative to carry out inspection of the Component being fabricated/ GI coating at his workshop during all stages of fabrication of ladder work .
14. Maximum deviation in linear dimensions from the approved dimensions shall not exceed 12 mm .
15. All measurements and computations, unless otherwise specified, shall be carried out as per Latest IS : 1200.
16. The distance which constitutes lead shall be determined along the shortest practical route and not necessarily the route actually taken. The decision of the Engineer-in-charge in this regard shall be taken as final.
Where no lead is specified, it shall mean “all leads”.
Lift shall be measured from plinth level.
Up to “floor two level” means actual height of floor up to 6.5 Mt. Above plinth level.
17. Quantity mentioned in schedule of quantities against each item is only for guidance to quote the rate and no claim will be entertained on either increase or decrease in the quantity to complete the work in all respect. For increased quantity no escalation will be consider. The quantity in “Bill of Quantities” are estimated quantities and actual quantity as executed becomes payable at quoted rate.
18. The quantities increase or decrease to any extent , the present rates (quoted rates) as mentioned in contract will hold good and no price escalation will be allowed . The quoted rates shall remain valid till completion of the works . It is proposed that the payment of increase or decrease in item quantities may released up to estimated/quoted amount put to the work order .
19. The total cost of actual executed work (of all tender items together) varies beyond $\pm 10\%$ of the cost of the estimated work mentioned in Work order, even if the quantities increase or decreases to any extent , the present rates as mentioned will hold good and no price escalation will be allowed. The quoted rate shall remain valid till completion of works. GMDC will not be liable to pay any compensation or any additional cost in case of work is reduced or abend at any point of time .
20. The rate of particular item appearing in more than one schedule shall be the same. If the bidder quotes different rates for an item appearing more than on schedule , the rate lowest amongst the quoted rates shall be considered /applicable for payment of that item .

21. The successful bidder will have to accept the minimum Unit rates (For Rate only items) amongst the quoted by the pre qualified bidder , whose price bids are considered.
22. The GMDC reserves the right of altering the Drawings and nature of work by adding to or omitting any items of work or having portions of the same carried out without prejudice to this contract.
23. The GMDC reserve the right to carry out the work at other places mentioned in the scope at the same Rate , terms and condition and mutually agreed upon.
24. You have to make your own arrangement for water and electricity for this tendered work . If Potable water supplied by GMDC than the charges will be as per actual as per GMDC rules . In case of requirement of Electric Power by bidder from GMDC , the same shall be provided at one point and charges will be as per actual consumption as per GMDC rules.
25. GI Coating And Fabrication : In case the fabrication and GI Coating of ladder is done by the Contractor at his own workshop out side the Project site than the rate quoted by them for this item shall be inclusive of transport of the fabricated materials from his Shop to Project site . He shall also in such case provide all facilities and access to the Engineer in Charge or his representative to carry out inspection of the Component being fabricated/ GI coating at his workshop during all stages of fabrication of ladder work . Maximum deviation in linear dimensions from the approved dimensions shall not exceed 12 mm.
26. No escalation in price / rate will be allowed on any ground., even if there is a delay in completion of the work due to GMDC. In that case extension in time limit may be granted at the same terms, conditions of the tender with an explicit understanding that no price escalation will be paid by GMDC. In any case no claim is entitled for idle machinery and man power by GMDC. However penalty will be imposed if delay is attributed to the Contractor.,
27. Extra item/ Additional work would be executed only on getting the instructions. Such items executed only if special expertise needed and major financial implications not involved. If there may be any extra work, contractor has to bring to the notice to GMDC well in advance with expected cost of execution and time required for the same. .
28. In absence of detailed specifications, the work should be carried out based on either relevant IS code and /or with fair engineering practice.
29. No mobilization advance shall be given by GMDC for this contract.
30. All the rates quoted by the Bidders must be inclusive of all required materials, labours, taxes and duties applicable like, Royalty, transportation, (excluding GST), Professional Tax, and turn over tax, loading, unloading, mobilization, de mobilization , necessary tests etc.
31. Approval to the samples of various materials given by the Engineer-in-charge shall not absolve the contractor from the responsibility of replacing defective material brought on site or materials used in the work found defective at a later date. The contractor shall have no claim to any payment or compensation whatsoever on account of any such materials being rejected by the Engineer-in-charge.

32. Bidders are requested to quote their GST number and date in the Bid. Bid received from unregistered bidders will not be considered.

Bidders are requested to quote their rates without GST. GST will be paid/adjusted/reimbursed to the successful bidder as per prevailing rates & rules to the extent directly related to the service rendered or Goods supplied by the successful bidder under the said contract subject to production of documentary proof and bidder will mention the GST amount separately in the invoice/ bill along with SAC/HSN code under GST.

Bidders, who are opting for composite scheme under GST, are required to quote their rates inclusive of GST.

Financial Evaluation:

L1 bidder will be decided after considering input Tax credit to be available to GMDC under GST.

No statutory variation shall be admitted, if current taxes become payable because of exceeding the prescribed limit for turnover of the contractor after the date of offer.

If any variation take place after contractual date of completion, the same shall not be allowed, even if delayed are accepted by Contractor.

Note: Above clause will hold good and govern the contract

In case, if similar condition/clause elsewhere in tender document complied conflict with the clause, the clause mentioned in this para will prevail and govern the contract

33. Successful Bidders will have to submit three copies of detailed bar chart in the manner as per the Performa issued by the client, for timely completion of the work
34. Bidders is required to submit a copy of PF registration number received from RPFC office along with the tender, failing which the Bidders will be rejected summarily.
- RA bill must be submitted along with the names of the laborers employed for the work, salaries / payment made to them, PF code no., amount of P.F. deducted from the salary made to the labours and employer's contribution amount deposited in RPFC office till the previous month duly certified by project office, failing which no payment will be made for the RA bill submitted by the Contractor.
35. The Bidders will have to submit 'NO DEMAND CERTIFICATE' and pre receipt bill document along with the final bill of the work, as per the Performa given.

Successful Bidders is supposed to enter in to an agreement with the GMDC on an appropriate stamp paper (to be provided by the contractor) after accepting the Letter of Intent. On acceptance of the tender the name (s) of the accredited representative (s) of the tenderer who would be responsible for taking instructions from the Engineers of the GMDC shall be communicated to General Sr. Manager(Civil), HO/ Manager (Project), GMDC, ATPS.

36. The quoted rates should hold good for working as per drawings related from time to time.
37. In overall interest of work and for better co-ordination, Engineers in charge may ask the contractor to stop the work for time being for which no compensation will be paid.
38. You will abide by the provision of labour laws , contract labour regulations and Abolition act (contract Act-37 of 1970) pertaining to the employment of the labour and shall get yourself register with regional provident fund commissioner and inform the GMDC about the registration number by submitting the copy of the number allotted to you by RPFC . You have to submit the copy of labour license from the competent authority for the subject work.
39. You shall be responsible for and shall pay any compensation to your workman payable under the workman's compensation Act, 1923 (VII of 1923) for injuries, cause to the Workman. If such compensation is paid by GMDC as principal under sub-section (1) of section 12 of the said act on behalf of the contractor. It shall be recovered by GMDC from you under section (2) of the said section. You shall pay such amount of compensation on demand, failing which same will be recovered from your running bills.
40. Contractor has to submit month wise labour payment record duly certified by GMDC labour welfare officer /HR dept, along with RA bill, failing which no payment will be made for the respective RA bill.
41. Roads, passages, approach at work site should be kept clean all the time. Material/machineries' should be stack/ kept in proper manner so it should not obstruct day to day vehicular traffic.
42. The contractor has to produce bill of the materials use in the execution if ask for by the client or consultant.
43. Successful bidders have to carry out the work fully as per instruction of EIC. Bidders should have to inform EIC before starting of the work at any quarters /structures.
44. For the items, for which only quoted rates has been asked , for those items, the lowest rate quoted amongst all bidders shall be considered .
45. The work will be executed as per the design drawing provided by GMDC . Require fabrication drawings are in scope of bidder and one copy of fabrication drawing to be issued to GMDC Project office before starting of the work. .
46. Bidder has to carry out the test for the fabrication works like Radiography (X-Ray) , magnetic Particle, liquid penetrate , Ultra sonic etc . as per requirement and all the charges for the above test are in scope of bidder .
47. Contractor's scope of work shall also include making all necessary arrangements for access to work sites, stores and site offices etc. from the nearest approach road to facilitate transportation of man power, machinery and equipment duly considering the existing site conditions. No extra claims / costs will be entertained by GMDC.

48. The GMDC will not pay any extra charges or rate for any reason in case the contractor claims, after acceptance of contract to have misjudged the site condition. Ignorance of the intents and contents of the specification document and site conditions shall not be accepted by the Owner as basis for any claims for compensation.
49. The contractor shall ensure the safety of workers, material and structure including existing structures during execution of the contract. Safety measures shall be followed during operations of equipments/machinery being used. No separate payment shall be made for the safety measures and the quoted rates shall include the cost for all safety measures. The Contractor shall set up a suitable safety organization of his own in this regard.

50. **FENCING AND LIGHTING AND VENTILATION :**

Except as herein after provided, the contractor shall unless otherwise specified, be responsible for the proper fencing, guarding, lighting and taking of the necessary safety measures for all works comprised in the contract and or the proper provision of temporary roadway, footways, guards fences, caution notices etc. as far as the same may be rendered necessary by reasons for the work for the accommodation and protection of workman foot passenger or other traffic and of the owners and occupiers of adjacent property and of the public and shall remain responsible for any accidents that may occur on account of his failure to take proper and timely precautions. All the arrangements made for fencing, lighting and ventilation shall be maintained by the contractor throughout the tendency of the contract till physical taking over of the work by the department

51. **CLEANING UP :**

The contractor shall at all times keep the construction area and his power house and storage areas free from accumulation of waste, or rejected materials. Prior to the completion of the work the contractor shall remove all rubbish from and about the premises, and all tools, scaffolding, equipment and materials which are not part of permanent structure. The premise will be left in a manner fully satisfactory

52. **WORKS IN SHIFT DUTY :**

Works shall be planned in shift duties, if possible in three shifts, depending on emergency of the work with prior approval of Eng. – in- charge. On Sunday or any other holidays work shall be continued in order to maintain progress with prior permission of Eng.-in –charge. Such works shall not form any grounds for complaint, compensation or extension of time limit.

If on the other hand, the Engineer-in-charge directs that the work shall be proceeded with on days and during hours which are not permissible under this contract, the contractor shall proceed with the work as directed without in any way vitiating this contract or forming any grounds for compensation of claim.

The contractor shall in his dealing with labour, at all times, during the period of this contract, have due regard to local festivals and religious and other customs.

A working day shall consist of two shifts each of eight hours, a working day shall constitute any day on which in the opinion of the Engineer-in-charge, work can be carried out in one or more shifts.

53. Contractor is required to maintain proper records at site of work in addition to normal routine requirement of own office. The records to be maintained shall include but not limited to the following:
- (a) Daily Progress Record.
 - (b) Work Site Order Book.
 - (c) Instruction by GMDC's Officers.
 - (d) Test Registers of other materials/fittings, fixtures, equipment as stipulated in the tender.
 - (e) Register for Working Details.
 - (f) Log Book of Defects.
 - (g) Hindrance Register giving details of commencement and removal of each hindrance.
 - (h) Supply and consumption registers of all materials shall be maintained.
 - (i) Day to day Record of used/received materials shall be entered in the register and signed by the Site Engineer of the GMDC as well as contractors' representative at site.
 - (j) Measurement Book.

CHAPTER-V

General Terms and Conditions of Tender:

Note: The bidder should note that special clauses brought out in this chapter V of “General Terms and condition of tender “will hold good and govern the contract. In case, if similar condition / Clauses elsewhere in tender document complied conflict with the clause of this chapter, the clauses mentioned in this chapter will prevail and Govern the contract.

1) Prices:

Prices quoted by the Bidders should be firm and no price increase will be allowed to the Bidders during the entire contract period till completion of work.

2) Payment Terms and Running Bills:

Invoice/ Bill should be sent in duplicate. [Please mention our LOI/Work Order no in the invoice without fail]. Original invoice, Measurement Sheet, Materials Test Certificates etc. The payment procedure will be carried out on original copy only. Payments shall be released for the work executed in all respects as per BOQ, drawings and specifications.

Salary of the employees of the contractor shall be made through Bank only and RA bill submitted by the contractor shall be made upon submission of bank statement

MODE OF PAYMENT OF RUNNING BILLS:

The contractor will submit running bill with required all documents for the work executed amount proportionately to work order value and time limit for the work . Each running bill shall be accompanied with detailed measurement sheets duly certified by the Engineer In charge or authorized person of GMDC and/or Consultant !

RA bill will be paid adhoc at 75% of the amount payable under this contract by the Engineer In charge/ General Manager [Proj] at the project office.

Balance 25 % amount of Running Bills become payable at Project office after approval from HO within 30 working days from the date of receipt of the bill at HO, after deducting there from

- A. Retention money deposit will be deducted from RA bills @ 5% of the value of the bill amount.
- B. Security deposit at 5 % of the contract value exceed than tendered value.
- C. Income tax inclusive of surcharge at the prevailing rate from time to time shall be deducted from the running account bills.
- D. Cost of any services provided by GMDC and/or material supplied by the GMDC.
- E. Other deduction either statutory or other work reason, if any.

Note: The amount of Final bill should have at least minimum 10 % amount of work and 100 % payment of the same bill will be released from Project office after getting approval from Head Office

For the Payment purpose following percentage will be considered for the work of Fabrication and Erection of the Cage ladder , Platform works and for other structural works , the payment terms will be as per following :

Payment Terms:

65 % of the item rate will be Released after Fabrication works

20 % of the item rate will be Released after Erection work

15 % of the item rate will be Released after Welding and Painting work

3) Earnest Money Deposit.(EMD) / Security Deposit (SD) / Retention Money

- a) The tender must accompany Earnest money deposit of Rs. 2,21,400/---only by demand Draft and it should be in favour of 'GMDC Ltd' , payable at Ahmedabad of Nationalized Bank or from Bank approved by Govt. of Gujarat from time to time(except Co-Operative Bank)in the form and manner acceptable to the GMDC. EMD in any other form, except DD, will be outright rejected.
- b) Earnest money paid will be adjusted against security deposit of successful bidder. Earnest money deposit paid as above will be refunded to unsuccessful bidders after awarding the work to L1 agency..
- c) Successful Bidders has to pay full amount of Security Deposit @ 5% of the contract value including EMD By D.D. should be in favour of 'GMDC Ltd', payable at Ahmedabad of Nationalized Bank or from Bank approved by Govt. of Gujarat from time to time (except Co-Operative Bank) in the form and manner acceptable to the GMDC, within 15 days from the date of issue of LOI. Payment against the work as well as detail work order will be issued only after submission of Security Deposit. If you fail to pay security deposit within 15 days from the date of LOI, order will be deemed to be cancelled and EMD paid by you shall be forfeited.
- d) Earnest Money Deposit, Security deposit and Retention Money will not bear any interest.
- e) If successful Bidders does not pay security deposit and does not commence work as per tender / LOI/ Work Order E.M.D. paid will be liable to be forfeited by the GMDC.
- f) Security deposit and Retention money paid by the successful Bidders shall be liable to be forfeited by the GMDC, if he does not able to carry out the work in accordance with the terms and condition of the tender / LOI/Purchase Order/ Work Order. This will not also prejudice that GMDC will complete the work at your risk and cost.
- g) Tender received without E.M.D. Will be outright rejected.
- h) No relaxation on EMD/SD for any small-scale industry shall be considered.

- i) Security deposit will be refunded after completion of defects liability period of **Twenty Four** months on demand by you and submission of certificate of satisfactory completion of defects liability period from Project office .
- j) Retention money deposit will be deducted from RA bills @ 5 % of the value of the contract amount, which will be released after one month from completion of work.

4. Work Completion time Schedule.

Work Completion time is the essence of the contract and if Completion of Work not adhered as stipulated or bidders abended the work then GMDC shall be at liberty to execute the work at Bidders's risk and cost and if thereby any extra expenditure is involved, the same shall be debited to Bidders's account, If GMDC is unable to execute and complete the work from alternate source in time and if GMDC suffers any consequential loss, Bidders will have to bear the same. GMDC in that case will forfeit the security deposit and will also have the right to recover the claim against party for damage incurred.

5. Validity.

Validity of the tender should be for 180 days from the date of opening of the Price Bid and if required by the GMDC, the Bidders will have to extend the validity for a further period of 30 days.

6. Taxes .

Taxes should be stated as applicable. All the rates quoted by the Bidders must be inclusive of all taxes and duties applicable like, Royalty, transportation, labour, (excluding GST), .

TDS: TDS will be deducted from bill amount as per the prevailing Govt. Rules & regulations.

7. Liquidated Damages

The subject work should be completed **within 9 months**.

If work is not completed as per work completion time, Liquidated damages will be levied @ 1 % of work value per week from the date of delaying the said work up to the maximum 10 % of work value. This will not release the contractor from the responsibility of getting the balance work done by client at his risk and cost through any other contractor.

Part completion of works should not be considered for above .

8) Loss and Damages:

Any loss or damages or deterioration of the material in transits shall be at the cost of the bidders. It shall be at the discretion of the GMDC to reject, damaged or spoiled material, if so noticed. During the work, if any property of client damaged than book value/ repair cost + 20 % of same should be recovered from bidder.

9) Insurance:

All required insurance for the work are to be provided by the Bidders at his cost.

10.1 **TERMINATION OF THE CONTRACT.**

10.1 If the Contractor fails to carry out the work as per terms and conditions of the contract to the satisfaction of the GMDC, GMDC shall be entitled to forfeit the security deposit paid by the Contractor. This however, shall not absolve the Contractor from his obligation to fulfill the contract. In such event, the GMDC shall have a right to complete and/ or to get the work completed at the cost & risk of the Contractor and the Contractor shall be responsible to pay such cost incurred by the GMDC to complete the work and/or to get the work completed.

10.2 Likewise, if the Contractor does not fulfill the terms and conditions of the contract and does not carry out the work up to the entire satisfaction of GMDC, GMDC has the right to forth with terminate the contract at its sole discretion, without assigning any reason, Under such events, the GMDC shall be entitled to forfeit the security deposit paid by the Contractor and the GMDC shall have a right to complete the work and/or to get the work completed at the risk and cost of the Contractor.

10.3 For any reasons, if it is required, the GMDC reserves rights to cancel terminate amend and / or alter the contract and/or bifurcate and/or reduce the contract work at any time without giving any notice to the Contractor and without incurring any responsibility. For such cases, Contractor shall have to take away his labour, tools, tackles, machinery, equipment etc. and shall leave the site at once without any extra cost to GMDC or shall have to carry out the instructions of the GMDC time to time.

10.4 **Stop Deal / Banned for business dealing :**

- Has submitted fake, false or forged documents/certificates
- Has tampered with the stipulated tendering procedure.
- Has refused to accept Letter of Acceptance / Purchase order / Work Order after the same is issued by the company within the validity period of 30 days and as per agreed terms and conditions,
- Has committed breach of contract or has failed to perform a contract or has abandoned the contract,
- Has failed to provide suitable expertise for the work as per pre-scheduled program.
- Has failed to submit all the necessary tests reports / documents within time scheduled / as per company's time limit, as mentioned in the LOA, if the Letter of Acceptance (LOA) is placed subject to submission of type reports / documents to the firm.
- Has indulged in construction and erection of defective works.
- Has supplied inferior quality / defective materials and refused to replace with stipulated time frame, as specified by the company,
- Has substituted materials in lieu of materials supplied by the company or has not returned or has short returned or has unauthorised disposed of materials / documents / drawings / tools or plants or equipment supplied by the Company,
- Has involved in malpractices such as bribery, corruption, fraud, canvassing and pilferage,
- Has unauthorisely obtained official company information or copies of documents, in relation to the Tender / Contract.
- Has failed to follow the stipulated mode of communication, if specified by the tendering authority / Purchaser.
- Has parted with, leaked or provided confidential / proprietary information of the company given to the firm only for its use (in discharge of its obligations against an order) to any third party without prior consent of the Company,

- Any other ground for which in the opinion of the Company makes it undesirable to deal with the Firm In case the state Government directs the Company to place a firm in stop dealing / banned for business dealing / blacklisting.

11. Approval:

For the subject tendered work, GMDC decision for acceptance or rejection of the Quality Of work will be final and binding on you.

12) Defect Liability Period. :

The subject work should have defects liability period of **24 months** , considered from the date of completion of work. .If any defects found during defects liability period than contractor should have to respond the same with details of attending the work and completion of work within 15 days and if such defects will not attended than Corporation will carry out the work at your risk and cost +20 %

- 13) The GMDC also reserves right to make improvements, alter, increase or decrease the scope of work and payment will be made accordingly.
- 14) If tender submitted in contravention of the terms and conditions stated herein will not be considered.
- 15) In case of any dispute or difference of opinion in the interpretation of any of the terms and conditions of this tender, the decision of the Managing Director of GMDC shall be final and binding to all.
- 16) The courts at Ahmedabad in Gujarat state only will have jurisdiction to deal with and decide any legal dispute or contravention between the parties hereto.

18) Statutory Obligations:-

- I. That the "Bidder shall obtain license under the Bombay Shops and Establishment Act and it shall pay wages and benefits in accordance with the applicable laws and shall not pay less than as notified by the Government Authorities from time to time and shall maintain the employment records as required under applicable laws.
- II. That the Bidder shall get his own License under Contract Labour (Regulation and Abolition) Act, it shall be binding to get the same renewed from time to time and shall maintain all the records as per the act.
- III. That the Bidder shall be responsible to enroll his employees, deduct, add and deposit in the relevant accounts the contributions as required under the Employees State Insurance Act, 1952 and the Employees Provident Funds and Miscellaneous Provisions Act 1952 and any other enactment's covered under the various applicable labour laws as well as maintain all books of records for the staff and employees deputed by it for this contract such as required under any laws applicable. The Bidder shall also furnish a copy of such statements as documentary proof to the GMDC.

- IV. That if the Bidder is not covered under the Employees State Insurance Act, 1952 then it shall be the duty of the Bidder to take appropriate insurance cover under the Workmen Compensation Act and take Group Personal Accident Policy for all the employees deputed at the premises of the "First Part".
- V. The Bidder has to issue to the employee's Identity card with their photos and shall also maintain relevant register.
- VI. That the Bidder shall give leave/holiday to its workforce as per the provisions of labour laws applicable.
- VII. That the Bidder would obey with all applicable laws and maintain all such necessary records as necessitated under such enactments.
- VII. In case were the contract period is over or the contract is terminated by either party the "Second Part" shall employ the personnel deployed by it at other place. In case the workmen recruited by the GMDC is not provided work at any other place and are discharged then all the eligible workmen shall be paid retrenchment compensation, gratuity, bonus, earned leave and other benefits payable under the labour laws
- VIII The bidder shall follow the provision of the Building and other construction workers welfare (Cess) Act-1996.

19) Force Majeure.

1.1 Force majeure is herein defined as any cause which is beyond the control of the contractor or the GMDC as the case may be which they could not foresee or with reasonable amount of diligence could not have foreseen and which substantially affect the performance of the contract, such as:

- (i) Natural phenomena such as flood, draughts Cyclone, earthquake and epidemics, declaration of war.
- (ii) Acts of any government, including but not limited to war, declared or undeclared priorities, quantities, embargoes, providing either party shall with in fifteen(15) days from the occurrence of, such a cause notify the other in writing of such cases.

1.2a. The contractor will advise, in the event of his having resort to this clause by a registered letter duly certified by the statutory authorities, the beginning and end of the cause of delay, within fifteen days of the occurrence and cessation of such Force Majeure condition. In the event of delay lasting over two months, if arising out of Force Majeure, the contract may be terminated at the discretion of the GMDC.

b. For delay arising out of Force Majeure, the contractor will not claim extension in completion date for a period exceeding the period of delay attributable to the causes of force majeure and neither company nor the Contractor shall be liable to pay extra costs (like increase in rates, re mobilization, advance, idle charges for labour and machinery etc.) provided it is mutually established that the Force Majeure conditions did actually exist.

c. If any of the Force Majeure conditions exists in the place of operation of the contractor even at the time of submission of bid he will categorically specify them in his bid and state whether they have been taken into consideration in their quotations.

- 1.3 (1) The contractor or the GMDC shall not be liable for delays in performing his obligations resulting from any force majeure cause are referred to and/or defined above. The date of completion will subject to here in after provided, be extended by are as on able time given though such cause may occur after contractor's performance of his obligations has been delayed for other causes.
- (2) By reason of any exceptionally inclement weather requiring total stoppage in work. Or
 - (3) By reason of loss or damage occasioned by any one or more of the contingencies referred to in clause 47(a), (b), and (c) of these conditions. Or
 - (4) By reason of civil commotion, local combination of workmen strike or lockout affecting any of the trades employed upon the works or any of the trades engaged in the preparation, manufacture or transportation of any of the goods or materials required for the work. Or
 - (5) By reason of Engineer's instructions issued under clauses 9, 30(1) or 38 (2) of these Conditions. Or
 - (6) By reason of the Contractor not having received in due time necessary instructions, drawings, details or levels from the Engineer for which he specifically applied in writing on a date which having regard to the date for completion stated in the Appendix to these Conditions or to any extension of time then fixed under this clause was neither unreasonably distant from nor unreasonably close to the date on which it was necessary for him to receive the same. Or
 - (7) By delay on the part of nominated Sub- Contractors or Nominated Suppliers which the Contractor has taken all practicable steps to avoid or reduce. Or
 - (8) By delay on the part of artists, tradesmen or others engaged by GMDC in executing work not forming part of this Contract. Or
 - (9) By reason of the opening up for inspection of any work covered up or of the testing of any of the work, in accordance with clause 36 (7) of these conditions (including making good in consequence of such opening up or testing) unless the inspection of test showed that the work is not in accordance with this Contract. Or

Then the Engineer shall so soon as he is able to estimate the length of the delay beyond the date or time aforesaid make in writing a fair and reasonable Extension of Time for completion of the works, provided always that the Contractor shall use constantly his best endeavors to prevent delay and shall do all that may reasonably be required to the satisfaction of the Engineer to proceed with the work.

20) Foreclosure of contract:

If at any time after acceptance of the tender GMDC decides to abandon for any reason whatsoever GMDC, through its Engineer In Charge, shall give notice in writing to that effect to the contractor. In the event of abandonment the GMDC shall be liable:-

a) To pay reasonable amount assessed and certified by the committee Constituted by the GMDC in this behalf of the expenditure incurred, if any, by the contractor on preliminary works at site e.g. temporary access roads, temporary construction for labour and staff quarters, office accommodation, storage of materials, water storage tanks and water supply for the work including supply to labour/ staff quarters, site formation mobilization of machinery.

- b) To pay the contractor at the contract rates full amount for works executed and measured at site up to the date of such abandonment.
- c) To pay for the materials brought to site or to be delivered at site, which the contractor is legally liable to pay, for the purpose of consumption in works carried out or were to be carried out but for the foreclosure, including the cost of purchase and transportation and cost of delivery of such materials. The materials to be taken over by the GMDC should be in good condition and the GMDC may allow at its discretion the contractor to retain the materials in full or in part if so desired by him and to be transported by the contractor from site to his place at his own cost with due permission of the Engineer In charge.
- d) To take back the materials issued by the GMDC but remaining unused, if any, in the work on the date of abandonment/reduction in the work, at the original issue price less allowance for any deterioration or damage caused while in custody of the contractor.
- e) To pay for the transportation of tools and plants of the contractor from site to contractor's place or to any other destination, whichever is less.

The contractor shall, if required by the Engineer-in-charge furnish to him books of account, wage books, time sheets and other relevant documents and evidence as may be necessary to enable him to certify the reasonable amount payable under this condition.

The reasonable amount of items on (a), (d) and (e) above shall not be in excess of 2% of the cost of the work remaining incomplete on the date of closure, i.e. total stipulated cost of the work as per accepted tender less the cost of work actually executed under the contract and less the cost of contractor's materials at site taken over by the GMDC as per item (b) above 'Provided always that against any payments due to the contractor on this account or otherwise, the Engineer-in-charge shall be entitled to recover or be credited with any outstanding balances due from the contractor for advance paid in respect of any tool, plants and materials and any other sums which at the date of termination were recoverable by the GMDC from the contractor under the terms of the contract.

21) Arbitration

The Parties shall endeavour, in the first instance, to resolve any dispute, disagreement or difference arising out of or in connection with this Agreement, including any question regarding its interpretation, performance, existence, validity, termination and the rights and liabilities of the Parties to this Agreement (a "Dispute") through good faith negotiations.

"All questions, disputes, differences and/or interpretation of agreement whatsoever, which may at any time arise between the parties to this contract in connection with the contract or any matter arising out of or in relation thereto, shall be referred to Sole Arbitrator as per the provisions of Arbitration and Reconciliation Act, 1996 and the venue of arbitration proceedings shall be at Ahmedabad. The Language of the Arbitration shall be in English.

CHAPTER-VI

GENERAL SAFETY RULES AND LIST OF SAFETY TOOLS

“GENERAL SAFETY RULES / NORMS” TO BE OBSERVED BY THE CONTRACTORS

Contractor working at ATPS shall have to strictly observe the following Safety Rules. Concerned Contractors are responsible for informing & observance of these rules by their supervisors/employees/labours as well as the supervisors/ employees/ labours of agencies/ sub-Contractors engaged, if any, by them for the work contract awarded to them. Prior to commencement of the work, Contractor shall have to submit a written assurance on their letterhead to the concerned Sectional Head / Engineer-in-charge that they have thoroughly gone through these Rules, have educated their employees / employees of their sub-contractor and will strictly observe the said Rules while execution of work under work contract awarded to them. They will have to indemnify the Corporation for any loss or damage / accident / injury to the Corporation’s property / employee or employee of their own in default of non – observing these rules.

1	Persons to be employed for carrying out the work shall possess required qualification, are fully trained and conversant for works to be done. All persons should have gate pass. Register consisting the full details i.e. address, phone no, nearest relative, of all persons to be maintained. During the work execution, one trained & competent supervisor should always remain present at site.
2	The contractor shall take all the required safety measures prior to commencement of work on dangerous substances, machineries or area at which cautionary notice is displayed and obtain “Line Clear” or “Work Permit” through the concerned Department / Section and shall be closed/ returned after completion of work.
3	The contractor shall check & securely cover or securely fence any opened fixed vessel, sump, tank, pit or opening in ground or in floor which, by reason of its depth, situation, construction or contents ,is or may be a source of danger before starting the work each & every day or after interval/recess. Contractor’s supervisor shall inform to concern HOD regarding any unsafe conditions.
4	Prior to carrying out welding, gas cutting, furnace heating or any other hot work job, remove all the inflammable material lying at or nearby worksite or cover it properly by suitable protective covering. Also, special care shall be taken before carrying out such job & see that all possible contributing factors to set fire shall be removed / vanished prior to commencement of the work. Advance intimation shall be given to concerned section / fire section to commence the work in fire prone areas. They should also keep ready all the First Aid Fire Extinguishers / equipments & fire extinguishing media / material like sand / water buckets or other appropriate equipment at such place.
5	<ul style="list-style-type: none"> ➤ While carrying out work in confined space or inside vessel, obtain necessary “Confined Space / Vessel Entry Permit” from concerned department prior to commencement of the work. ➤ For lighting in such areas, only 24-volt (ISI certified & with proper guard) hand lamp shall be used. For taking care of the persons working inside the confined space / vessel, a supervisor / person capable to keep continuous watch on person(s) working inside, assist them in case of emergency or arrange to get immediate outside help, shall remain present at entry point. Use full body safety belt without fail. ➤ While working inside sewer, trench or in-depth, a person to warn outsiders / entrants / passers etc shall remain available near entry point or the entry point shall be cordoned by a barricaded tape with a cautionary notice. After completion of the works, all the lids / covers / grills / grits opened, shall be re-fixed / re-placed in the original position as it were prior to commencement of the work and leave the work place in safe condition in all respect, so as to prevent accident to fellow workers.
6	The contractor shall see that he / his persons do not work on or block (by stacking material, spare parts, tools-tackles, equipments etc.), any passages / walkways / gangways / aisles / staircases / ladders / lifts or any other approaches / roads leading to plants or its auxiliaries, on which there is traffic movements or possible traffic movements in case of emergency. Such passages are meant for safe escape in the event of emergency. If it is utmost necessary to carry out work in such area with blocking of passage, prior permission of Competent Authority or the Engineer-In-Charge shall be obtained. To demarcate / declare the area as “UNSAFE” , cordon it using barricading tape & display suitable caution notice or keep a person to restrict / divert the traffic on this route through other safe passage.

7	<p>Prior to use power / electrically operated hand tools / equipments / machines / gadgets like welding machine, hand grinder, hand drill etc., ensure for its safe operation & use it only if it is found safe to use. Do not use defective, unsafe or improperly maintained equipments.</p> <p>The electrical power supply required to run such equipments shall not be taken directly at their own but shall be obtained through concerned Electrical Maintenance Departments or their authorized persons or under their observations / guidance only. The Electrical Section shall provide temporary electrical connection up to contractor's Mains Board on which it is compulsory to install main switch, ELCB & fuses of adequate capacity. All such equipments shall invariably be earthed adequately to prevent electrical shock, sparking, short circuit etc. Power cord to be used shall be of adequate capacity, without any joint & shall consist of earth wire also. Hence, it is necessary to use adequate capacity 3-wire power cord for single & 5-wire power cord for three phase power connections. The plugs, receptacles, pins, holders etc. shall be of adequate capacity & safe to use.</p> <p>All electrical & mechanical equipments / tools-tackles viz. welding machine, cutting machine, Grinder, Drill, Chain Pulley Blocks, Hook chooks etc. required to be used during work execution shall be of standard make & bear ISI certification mark on it.</p> <p>The consumables like welding electrodes, grinding wheels / discs etc. which have specific prescribed life span shall not be used in any case if its expiry date is over.</p>																																							
8	<p>It is compulsory to use standard make Personal Protective Equipments (P.P.Es.) as per the job requirement. Do not work without use of required P.P.Es. Contractor is responsible to provide standard make (ISI approved) Personal Protective Equipments / Safety Gadgets suitable to give sufficient protection against hazards involved in their work / job to their staff, as per the job requirement and insist / enforce their staff to put on the same while at works.</p> <p>The ongoing work is liable to be stopped at any time if your staff found working without P.P.Es. Following is the list of various P.P.Es. to be used for various works / worksites.</p> <p>List of safety equipments</p> <table border="1" data-bbox="199 1041 1455 1825"> <tr> <td data-bbox="199 1041 295 1131">01</td> <td data-bbox="295 1041 726 1131">Industrial Safety Helmet.</td> <td data-bbox="726 1041 1455 1131">For protection of head against falling objects or during fall of person from height.
