

Corrigendum-III

SALE OF NPG BAUXITE AND BAUXITE DUST THROUGH E_AUCTION

E-AUCTION No.GS/BX/02/2021-22

Amendments in following clauses of e-Auction document:

Clause No.	Old Clause	Amended Clause
Chap-I 2.5	<p>Sale Order / LoI shall be issued to successful bidder at Offer Price, and payment for the material will be collected before generation of Delivery Order. After generation of delivery order Joint Sampling and analysis as per IS standard shall be done once for every stack before dispatch by GMDC Laboratory and the Invoice Price will be derived based on this analysis report only. The price will be rounded upto 02 decimals.</p> <p>However, at the time of dispatch if the bidder raises complaint or dispute regarding quality, Joint Sampling and Analysis as per NABL Accredited Laboratory shall be done, expenses for the same shall be borne by party raising the issue/dispute. The price applicable after the mutually agreed quality parameter shall be treated as “Invoice price” and difference of refund/recovery may be adjusted by relevant debit/credit note on pro-rata quality parameter basis.</p> <p>For any correction/ adjustment of offer price from this arrangement shall be applicable to successful bidder and relevant debit/credit note will be issued accordingly.</p>	<p>Sale Order / LoI shall be issued to successful bidder at Offer Price, and payment for the material will be collected before generation of Delivery Order. After generation of delivery order Joint Sampling and analysis as per IS standard shall be done once for every stack before dispatch by GMDC Laboratory and the Invoice Price will be derived based on this analysis report only. The price will be rounded upto 02 decimals.</p> <p>However, at the time of dispatch if the bidder raises complaint or dispute regarding quality, Joint Sampling and Analysis as per NABL Accredited Laboratory shall be done, expenses for the same shall be borne by party raising the issue/dispute. The price applicable after the mutually agreed quality parameter shall be treated as “Invoice price” and difference of refund/recovery may be adjusted by relevant debit/credit note on pro-rata quality parameter basis.</p> <p>For any correction/ adjustment of offer price from this arrangement shall be applicable to successful bidder and relevant debit/credit note will be issued accordingly.</p> <p>The above mentioned arrangement for adjusting Invoice Price based on joint sampling and analysis report shall be applicable only if the successful bidder intimate GMDC Ltd regarding the applicability in written before starting of the dispatch. Such request shall be</p>

		<p>applicable on the total quantity subscribed by the respective bidder.</p> <p>All the relevant clause with respect to this shall be applicable only when bidder opt for the arrangement of joint sampling and analysis based pricing (Invoice Price), else the same shall not be made applicable and effective Price (Offer Price = Invoice Price) will be charged accordingly.</p> <p>The bidder will not be allowed to change the above mentioned pricing arrangement once dispatch is started.</p>
Chap-III 1.7 -e	Joint Sampling and analysis shall be done once for every stack before dispatch by GMDC Laboratory and the Invoice Price will be derived based on this analysis report only.	Joint Sampling and analysis shall be done once for every stack before dispatch by GMDC Laboratory and the Invoice Price will be derived based on this analysis report only, subject to applicability as per Clause 2.5 of Chapter-I.
Chap-III 1.7 -f	However, at the time of dispatch if the bidder raises complaint or dispute regarding quality, Joint Sampling and Analysis as per NABL Accredited Laboratory shall be done, expenses for the same shall be borne by party raising the issue/dispute. The price applicable after the mutually agreed quality parameter shall be treated as “Invoice price” and difference of refund/recovery may be adjusted by relevant debit/credit note on pro-rata quality parameter basis.	However, at the time of dispatch if the bidder raises complaint or dispute regarding quality, Joint Sampling and Analysis as per NABL Accredited Laboratory shall be done, expenses for the same shall be borne by party raising the issue/dispute. The price applicable after the mutually agreed quality parameter shall be treated as “Invoice price” and difference of refund/recovery may be adjusted by relevant debit/credit note on pro-rata quality parameter basis, subject to applicability as per Clause 2.5 of Chapter-I.
