2. Introduction of EVs in GMDC's fleet:

Supporting India's Net-Zero target, GMDC has made a brilliant initiative by introducing 14 Electric Vehicles in corporate Office, Ahmedabad. The EV's had replaced the conventional vehicles and will help in reducing the emissions and strengthen our commitment for a greener future.

The major benefit of electric Vehicle is the contribution that they can make towards improving air quality in towns and cities. With no tailpipe, pure electric cars produce no carbon dioxide emissions when driving. This reduces air pollution considerably. Research by the European Energy Agency found that, the carbon emissions of an electric car are around 17 – 30% lower than driving a petrol or diesel car.

Our CSR: Connecting with the Society:

1. "GMDC-Samarthya" A skill Development program:

GMDC has launched a skill development program "GMDC-Samarthya" intending to provide skill training and employment to 3,000 youths during the next three years. GMDC-GVT has empanelled reputed skill training partners for this program. .Aspire Disruptive Skills Foundation (ADSF) is one of the key training partners empanelled under this program.

A centre visit cum orientation meet at Centre of Excellence, ADSF, Ahmedabad was organized on December 20, 2022. General Manager CSR, General Managers from all the Lignite Projects and GMDC-GVT Team had participated in the program. ADSF officials gave a brief overview about the training programs and various courses offered under this program.

2. Promoting FIT INDIA Program; Sports and Exercise equipments to Thordi Village:

With the objective to support the FIT INDIA Program and to encourage youths for the physical fitness, GMDC-GVT under its CSR initiative has distributed Sports and Exercise Equipments at Thordi Village, near Lignite Project Bhavnagar.

The main idea is to promote the sports and fitness among youths of villages. It will also help them to perform better in the entry level physical examinations in Police Department & Military Services.

Our Engagements for Holistic Work Environment:

1. Bonding of Employees with Project Shikhar:

On the onset of New Year 2023, the Managing Director of GMDC Sh. Roopwant Singh has greeted the employees with a motivational note. A token of memento in the form of Head Caps with emblem of “Project Shikhar” were also given to employees to better connect them with it.

2. Employees Corner:

GMDC Employees have come up with the outstanding performance in the First Class Manager’s Certificate (FMC) & Second Class Managers’ Certificate (SMC) examinations in both Coal & Metal Category. To add the laurel and strengthening the concept of “Woman in Mining”, Ms. TanviThakkar, became the first WomenMining Engineer in GMDC to clear FMC.
