

Request for Proposal for

Selection of Project Management Consultant (PMC) for Turnaround of GMDC's 2X125 MW Akrimota Thermal Power Station, Gujarat

Clarification regarding clause No-8 and Corrigendum – III

**Gujarat Mineral Development Corporation Limited
Khanij Bhavan, 132-Ring Road, Gujarat University Ground,
Vastrapur, Ahmedabad- 380052**

Pre-Bid Meeting Date: 11th May-2023

Clarification regarding clause No-8

Sr. No.	Clause No	Clause (as per RfP)	Query	Response
1.	<p>8. Insurance to be taken out by Bidder, subpoint (v)</p> <p>Page 32</p>	<p>In the event of any breakdown or accident during the course of any operation, the Bidder shall notify the facts to the Authority, or any other officer immediately present there of such incidence and shall simultaneously make adequate remedial arrangements on his/its own cost and risk and as per the instruction of the Authority</p>	<p>PMC's scope of work under this RFQ is to supervise the activities of the Erection Contractor as per the agreed protocol (will be) established between GMDC/ PMC and Contractors. Therefore, PMC will monitor the Erection Contractor for following the agreed protocol during the erection and commissioning phase at site. Therefore, there is no possibility of equipment damage resulting from PMC actions or instructions.</p> <p>Incase GMDC feels that the damage occurred solely attributable to PMC's instruction, then the aggregate liability shall not exceed the total Contract Value, please confirm.</p>	<p>Clarification:</p> <p>The PMC's role is envisaged to be advisory/supervisory as defined in the scope of work. Decisions related to the works executed during the Overhaul shall not be taken independently by the PMC, but shall be done in consultation with the Owner. However, if there is any damage due to reasons solely attributable to the PMC's direction, the liability shall be limited to the total contract value of the PMC.</p> <p>Further, subpoints (i) to (iv) of Clause 8 shall be as defined in the RFP.</p>
