	<p><i>RFP conditions remain unchanged for (i) other criteria pertaining to Project Team (i.e. Min qualifications) of Middle and Junior Resources and (ii) criteria for Team Leader (Senior Resource)”</i></p> <p>There seems to be inadvertent typographical error which led to inconsistency in required minimum experience for resource categories. For e.g., adjacent table mentions marks would be given for resource with > 6-8 years of experience in power sector; but alongside it mentions minimum experience needed is 10 years.</p> <p>We would also like to highlight referring to the Page 12 of RFP that the Senior Resource requires 15 years of experience whereas upper limit of middle resource is 10 years, which makes resources >10 years and up to 15 years undefined.</p>		Middle Resource	<ul style="list-style-type: none"> • B.E/ B.
