## Our CSR: Connecting with the Society

### ◆ Facilitating Nutritious Food For Children (Fry Section Structure) at Akshaya Patra Foundation, Bhavnagar

At GMDC, our commitment to Corporate Social Responsibility (CSR) goes beyond business. We're delighted to share our latest endeavor in partnership with the Akshaya Patra Foundation, Bhavnagar, where we are dedicated in facilitating nutritious food to children, with a special focus on the Fry Section.

Our mission is simple yet impactful – to provide children with access to nutritious meals, ensuring they receive not only sustenance but also the fuel for a brighter and healthier future.

In the Fry Section, we have a dedicated team of individuals who tirelessly work to prepare delicious and wholesome meals for the young beneficiaries. GMDC believe that every child deserves the right to a nutritious diet, as it plays a pivotal role in their growth, development, and education.

### ◆ Computer Sets to S. M. Royala High School of Bhumbhali Village:

The Gujarat Mineral Development Corporation (GMDC) continues to champion the cause of education and technological empowerment through its CSR program. In an initiative, GMDC has extended its support to S.M. Royla High School in Bhavnagar by providing 20 computer Sets to bridge the digital divide and enhance the learning experience for students.

Access to technology is crucial in today's world, and this initiative ensures that students have the opportunity to acquire essential digital skills and explore the world of possibilities by unlocking digital education, fostering digital literacy, promoting opportunities, and inspiring career paths.

### ◆ Enhancing Mobility and Inclusivity by Tricycle Distribution:

The Gujarat Mineral Development Corporation (GMDC) has taken a significant step in contributing to the well-being and inclusivity of differently-abled individuals in the state of Odisha through its Corporate Social Responsibility (CSR) program. In a commendable effort to enhance mobility and ensure that no one is left behind, GMDC has provided tricycles to differently-abled people. These tricycles are specially designed to accommodate their unique needs and ensure mobility. This initiative in Odisha, is a shining example of how corporations can make a meaningful impact on society. By addressing the unique needs of disabled individuals, GMDC not only promotes mobility but also plays a significant role in fostering inclusivity, independence, and an improved quality of life for the beneficiaries. This initiative demonstrates GMDC's commitment to social responsibility and its dedication to creating positive change in the communities it serves.

## Capacity Building:

GMDC conducted a “Change Management” training program for its employees across its Lignite and Bauxite Mines, Thermal Power Plant and Corporate Office. The focus of the training was to bring foundation-level transformation among employees, facilitate change management, use SMART goals, improve cross-functional collaboration among teams and continuous improvement of our work practices through innovation towards holistic development.

### Driving Change for Growth and Innovation

"Transformation through  
executing Change Management"

## Awards & Accolades:

GMDC is glad to receive the 14<sup>th</sup> “Exceed Green Future Environment Award” at Lucknow in the Afforestation Category for Extensive Plantation done in Mata No Madh Lignite Mining Area in Kutch for the enhancement of Green Cover. The award was presented by Shri Satish Mahana, Hon'ble Speaker of the UP Assembly, fortifies our commitment to a sustainable and greener future.

- ◆ GMDC’s Surkha (North) Lignite Mine in Bhavnagar has been conferred with the “Subh Karan Sarawagi Environment Award” for the year 2022-23 by FIMI - Federation of Indian Mineral Industries at New Delhi. This recognition is a testament to our dedication towards environment protection with best practices having a positive impact on sustainability.
