# **Part 1: Introduction**

## **1. Background about GMDC**

Gujarat Mineral Development Corporation Ltd (GMDC) is a leading state-owned mining and minerals company in the western Indian state of Gujarat with operational experience spanning nearly 50 years. GMDC is a zero-debt company listed on national and Bombay Stock Exchanges. The Government of Gujarat (GoG) disinvested 26% stake to the public shareholders vide an IPO in 1997 while the balance ownership is held by the Government of Gujarat.

GMDC's product portfolio spans across mining, value added products, and power, with mining activities spread across the state of Gujarat in districts Kutch, Devbhoomi Dwarka, Panchmahal, Vadodara, Bhavnagar, Bharuch, Surat and Chotaudepur. It currently mines Lignite from five operational mines, with five upcoming mines in the pipeline, and other minerals including Bauxite, Fluorspar, Manganese, Ball Clay, Silica Sand, Bentonitic Clay, and Limestone. It provides value added services through works such as Pyrite removal from Lignite, Beneficiation of Bauxite, low-grade Manganese, and Fluorspar.

To leverage its experience in mining operations, GMDC has set up a diversified power portfolio with forward integration into a 2X125 MW lignite-based thermal power Plant in Nani Chher, Gujarat, and clean energy sources including 200.9 MW of Wind power assets in Maliya, Jodiya, Gorsar, Bhanvad, Bada, Varvala, Rojmal, and a 5 MW Solar power project in Panandhro.

## **2. Plant details**

GMDC has been operating a 250 MW lignite-based thermal power Plant (Akrimota Thermal Power Station, ATPS) over the past 15 years. ATPS has two units of 125 MW each commissioned in July 2006, and March 2007 respectively.

ATPS procures lignite required for generation of power from GMDC's mines (Mata na Madh, and Umarsar) located at proximity (~60 km) and transported directly to the Plant via road. Furthermore, the water supply to the power Plant is ensured through nearest Kori creek (through 1.4 km long sea water intake channel).

ATPS has a long-term power purchase agreement with GUVNL for supply of power till 2036, for the recovery of fixed charges and variable charges as per the actual Plant performance parameters (net availability, station heat rate, auxiliary power consumption).

## **3. Context of RFP**

### **3.1 Intent of specification**

The intent of this specification is to carry out a civil works according as the terms of reference / scope of work detailed in Part 2 of this document.

The scope of work shall include provision of services and supply of materials. Services shall include restoration, retrofitting, replacing, repairing, carrying out all tests and or checks, trial runs, and any other work required.

The Successful Bidder shall conform in all respects to the highest standard of engineering, design, quality, and workmanship so that after completion of the civil works, the Plant shall be capable of operating safely, reliably, and sustainably in a manner acceptable to the owner.

In this context, GMDC is inviting bids from bona fide, technically competent, and experienced vendors to carry out the civil works, in line with the requirements detailed in the Scope of Work.

<b>Name of work:</b>	Request for Proposal (RFP) for Selection of Contractor for repair of Plant Civil Structures/ Components at GMDC's 2X125 MW Akrimota Thermal Power Station (ATPS), Gujarat
<b>RFP no.:</b>	GMDC/Power/ATPS/18/23-24

### 3.2 Plant visits

The Bidders are invited to visit the Plant prior to submission of the Bids. The objective of the Plant visits shall be to understand the scope of work, feasibility of execution, and make the Bidders fully conversant with the job, site conditions, constraints, and collect all information as required and as available before quoting against this specification.

The Bidders can schedule their visit to the Plant by providing prior intimation to the Owner (via e-mail) along with the list of visitors from the Bidding Entity to ensure ease of coordination and availability of key personnel.

The visits are optional, the Bidders can opt to visit the Plant at their own discretion. Should they opt to visit the Plant, the Bidder shall submit a Plant visit plan to the Owner indicating the timelines and the key personnel visiting, for prior consent and approval. The Owner shall facilitate the visits for the Bidders and make necessary arrangements at the Plant. The cost of the Plant visit, including transportation and accommodation, shall be borne by bidder.

The Successful Bidder shall indemnify the Owner in case of breach of this Section. If the confidential details relating to this Contract or its contents are received by a third-party from the Successful Bidder and the third-party makes use of these details to cause harm or monetary loss to the Owner or use these Documents for their personal gain/ monetary gain, the Successful Bidder shall compensate the Owner for the loss suffered as well as for the value of gain derived by the third-party. The Successful Bidder shall not use the confidential details of the Contract for any other purpose except for the strict purpose of this Contract.

## **2. Appointment of Successful Bidder**

### **2.1 Appointment terms**

Based on the results of this Bid as per the evaluation criteria mentioned in Section 5 of Part 3 of this document, the Owner shall appoint the Successful Bidder, and the Successful Bidder shall accept the appointment to deploy skilled, qualified, and competent manpower, and necessary systems, and tools as required for efficient execution of the said works subject to the terms and conditions mentioned in the Contract.

The Owner reserves the right to increase or decrease the contractual work, mentioned in the scope of services, as per section 3 during the Contract period by giving prior notice in writing.

Successful Bidder shall not be entitled to any compensation or indemnity on account of increase or decrease in the contractual work.

In case of requirement of execution of additional work as part of the scope of work detailed in Section 3 of Part 2 of this document during the Contract period, contractor shall be responsible to execute such additional work during the Contract period at the same rate finalized for the respective works. No escalation in the rate of the works for such additional work during the contract period shall be considered.

In case of a requirement of other works which are not covered in the scope of work detailed in Section 3 of Part 2 of this document, but the same is necessary for successful completion of the said work, the Successful Bidder may be assigned that work at the lowest rate derived and mutually agreed between the Successful Bidder and the Owner.

The MD is authorized to take suitable decision and action in case of requirement to amend/alter the contract conditions/quantities of the works/ extension of the contract period/allotment of additional works/revision of the rates of the work etc., if necessary, in the interest of the Owner.

## 2.2 Duration of the Contract

The Contract shall be deemed to have come into force and effect 7 (seven) days from the date of acceptance of the Letter of Award (LOA) by the Successful Bidder. The Successful Bidder shall execute the scope of work for provision of services and supply of material as covered in Section 2 within a period of 36 weeks from the date of acceptance of LOA. In the said duration, the Successful Bidder shall complete the following key activities in the Package as per the stipulated timelines, where T shall mean the date of acceptance of the LOA:

S. No	Activity	Duration
1	Advance payment for procurement of materials, after submission of Performance Security and submission of item-wise price list	T + 2 weeks
2	Submission of detailed "Civil Works Execution Plan"	T + 6 weeks
3	Completion of Pre-Overhaul activities	T + 24 weeks
4	Completion of Overhauling activities	T + 32 weeks
5	Completion of inspection and operational acceptance of executed overhaul works by PMC	T + 34 weeks
6	Submission of final report	T + 36 weeks

The Contract shall be deemed to be successfully executed post completion of the aforementioned activities, as certified by competent authority from the PMC and Owner. The Successful Bidder shall strive to complete the execution within the stipulated period of 34 weeks, however, in case of a delay, the Successful Bidder shall ensure completion of its contractual obligations as early as possible, while the Owner reserves the right to levy penalties/liquidated damages.

### **3. Responsibilities of the Successful Bidder**

The responsibilities of the Successful Bidder as part of the Contract have been segregated into two key categories – services and supply. The terms of reference / scope of work have been detailed for each category below.

#### **3.1 Scope of services**

The scope of the Contract shall be providing end-to-end services for civil works of the Plant. The Successful Bidder shall ensure execution of the scope of work is done in accordance with best-in-class practices, standards of safety, and mutually agreed terms with Owner.

#### **3.2 Detailed planning**

1. The Successful Bidder shall create a detailed consolidated 'Civil Works Execution Plan' in collaboration with the PMC and the Owner, focusing on sequencing of activities, identification of interdependencies, and indicating clear milestones, in line with the timelines mentioned in Section 13.2 including all activities that need to be completed before the shutdown / overhaul (pre-overhaul activities).
2. The 'Civil Works Execution Plan' shall be used as the single source of truth for monitoring schedule compliance for the Successful Bidder, i.e., deviations in actual timelines vis-à-vis planned timelines.
3. The 'Civil Works Execution Plan' shall encompass all activities including but not limited to dismantling, inspecting, cleaning, repairing, and testing.
4. The Successful Bidder shall prepare appropriate Quality Assurance Plan (QAP) or Quality Inspection Plan (QIP) and Quality Control Plan (QCP) for execution of the Civil Works and shall get it reviewed by competent authority from the PMC and Owner. The Successful Bidder shall apprise Owner about the plans to enable frequent audits, and highlight potential concerns, if any.

##### **3.2.1 Statutory approvals**

The Successful Bidder shall obtain, on behalf of the owner, all necessary statutory approvals from Inspection Authorities, or other government authorities, as may be required, as per Applicable Laws at its own cost. All necessary documentation prepared and / or obtained for such statutory approvals shall be submitted to the owner for review prior to submitting for approvals to relevant authorities. Coordination and liaising with competent authority are in the scope of Successful Bidder.

##### **3.2.2 Workforce deployment**

1. The Successful Bidder shall deploy 'Site-in-charge' with strong technical expertise and experience of over 15 years, having successfully completed at least 2 civil works of a thermal power plant in the last 10 years, in coal or lignite-based thermal power plants in India suitably qualified and sufficient manpower for timely & satisfactorily execution of the works under the contract.
2. The minimum requirements for the Successful Bidder have been summarized below:

S. No	Member	Role	Minimum requirement	Qualifications
1	Site-in-charge	Overall coordinator	1	15+ years of experience in site management, project planning, structural design, and civil works. B. tech /BE in civil engineering
2	Construction Manager (Civil)	Supervisor for construction activities	1	Minimum 12 years of experience in planning, structural design, and construction oversight. B. tech/BE in civil engineering
3	HSE Officer	Supervisor for health, safety, and environment related activities	1	Minimum 12 years of experience in developing & implementing safety management system; conducting compliance audits, etc. B. tech/BE in mechanical/ civil engineering; Diploma in industrial safety

3. The Successful Bidder shall deploy sufficient skilled, semi-skilled and un-skilled manpower separately to properly complete the job in given/scheduled time.
4. The Successful Bidder shall depute its own workmen/labor with proper identification to enter the plant premises after ensuring that the jobs are scheduled.
5. At the time of deploying manpower, the Successful Bidder shall strictly comply all the applicable labor laws/Acts norms.
6. The Successful Bidder shall also comply with the safety requirements and provide his workmen/labor with safety equipment for properly undertaking the operations involved under this contract.
7. Successful Bidder shall nominate /authorize senior experienced person in writing as "Site-In-Charge" to co-ordinate with engineer and who shall bear overall responsibility for performance of the contract. Such person shall remain always available at site or site office allotted to the contractor at the site. Successful Bidder has to submit the authority letter and documentary proof for the same.
8. The Successful Bidder shall appoint a "Construction Manager, Civil" who shall co-ordinate with Engineer-In-Charge for daily entrusted job. They have to maintain daily records duly signed for the works carried out and duly certified by Engineer-In-Charge. The Successful Bidder in co-ordination with the Engineer-In-Charge shall ensure the availability of adequate manpower to carry out the job satisfactorily on a daily basis. As per the instruction of Engineer-In-Charge they have to allot the work and execute the same in specified time limit.

### 3.2.3 Tools and Tackles

1. All equipment and tools & tackles required to execute the contract are in the scope of the Successful Bidder. The Successful Bidder should ensure that equipment and tools & tackles are in healthy & working condition. All consumable items would be in scope of the Successful Bidder.

- 1.1 Consumables like cement should be of 53 grade PPC from reputed brand having IS approved certification for e.g., Ambuja Cements, Ultratech Cements, Hathi Cement, Kamal Cement etc.
  - 1.2 Consumables like aggregates, sand, gravels etc. should be of good quality as per IS specifications.
  - 1.3 Sand should be of good quality, free from chlorides and suitable for good quality of concrete.
  - 1.4 Consumables like TMT CSR bars and other steel should be of IS specifications for e.g., TISCO, RINL, SAIL etc.
2. For proper execution of the work as per the scope, the Successful Bidder is required to maintain/arrange timely sufficient quantity of equipment and tools & tackles like but not limited to breaker machine, plumbing kit, carpentry kit, staging, shuttering & scaffolding materials, survey work equipment, transportation vehicles, dewatering diesel pumps, desludging work, Dust/ Ash removal, Concrete Mixer machine, Concrete vibrators, water tanker, JCB, Road Roller, all consumables like but not limited to petrol, diesel, oil, gas, etc., power cables, power supply extension boards, sockets, flash back arrestor, industrial gas, welding rods, gas cutting set, gas cylinders, welding set, hand gloves, welding helmets, tractors with standard hydraulic trolleys etc. in good working condition at site as per day to day work requirements and emergency situations to complete the work in stipulated time.
  3. In case of breakdown of equipment, the Successful Bidder should work round the clock for putting back the area in service immediately within minimum time. In case of any emergency arising during night hours the Successful Bidder should be able to mobilize the manpower immediately within minimum time.
  4. Pin sockets of IS standards should be used for all connections. For any accident take place and any damage to the equipment and/or injury to human due to carelessness in loose connection, Successful Bidder will be held responsible & liable for any recovery/actions.

#### **3.2.4 Infrastructure arrangement**

1. While GMDC will arrange for the accommodation and food for Successful Bidder's personnel deployed in the Plant based on the availability and on a chargeable basis, in case infrastructure is not available, the Successful Bidder shall be responsible for arranging the same for the entire course the Civil works.
2. The Successful Bidder shall maintain a dedicated shed for conducting necessary works including but not limited to fabrication, repair, storage of material, etc. The owner shall provide access to the available facilities and workshop in the Plant with prior written consent, as per availability.
3. For timely and successful completion of the works, if new set of skilled operators are required for workshop equipment, the Successful Bidder shall arrange the same at its own cost.

#### **3.2.5 Structural modifications / strengthening.**

The Successful Bidder shall be responsible for necessary structural modifications including supply, fabrication, and erection of any new structure to support piping, equipment, and provision of any additional platform if required for access, or any other structural modification works required for execution of the Civil works to aid the completion of the works defined in Section 2.3.1 of this document.

### **3.2.6 Scaffolding and platforms**

Successful Bidder's scope shall include supply of all scaffolding, and / or platforms, as may be required for repair / civil works and commissioning. These items shall be specifically brought to the Plant solely for repair / civil works purpose and if no more needed for regular maintenance of the equipment, can however, be taken back by the Successful Bidder after completion of the work at the Plant.

### **3.2.7 Cranes**

The Successful Bidder shall arrange for cranes with skilled operators, as required and if needed.

### **3.2.8 Dismantling of existing structure**

1. The Successful Bidder shall prepare a checklist for dismantling any structures (if required for the work) and submit to competent authority from the PMC and the Owner for review. The dismantled structures need to be normalized / re-fixed post completion of the project.
2. The Successful Bidder shall submit a floor plan for storing the dismantled components of and submit it to the PMC for approval. The Successful Bidder shall ensure the components are appropriately stored in the area, as per the floor plan approved by the PMC, during the works.

### **3.2.9 Safety arrangements**

1. The Successful Bidder shall ensure the personnel deployed in the Plant adhere to the appropriate health, safety, and environment (HSE) requirements at the time of deployment. This will include medical tests required, if any, among other requirements to be aligned with the Plant HSE team.
2. The Successful Bidder shall make own arrangement for proper electrical and electronic grounding of all systems, supplied by them as required by the system design. All required accessories including grounding cables are also included in Successful Bidder's scope.
3. Safe power supply and illumination for confined places shall be arranged by the Successful Bidder. Any illumination works necessary to fulfill the scope of services defined in this RfP shall be carried out by the Successful Bidder prior to the start of other work.
4. A single point electrical supply of 415V, 32/63 Amp 3 phase and single point electrical supply of 230V, 16 Amp single phase power supply point from nearest available healthy source shall be supplied to the Successful Bidder free of cost. The Successful Bidder shall be responsible for the provision of cables for extending power to its apparatus.
5. The Successful Bidder shall be solely responsible for ensuring the safety of the adjacent equipment / foundations and of the existing supporting structures. The Civil work by the Successful Bidder shall be carried out in such a manner that no damage is caused to existing equipment / foundations / structure.

### **3.2.10 Permits**

1. The Successful Bidder shall obtain and maintain in effect all applicable Successful Bidder permits required in connection with the Successful Bidder's performance of its obligations hereunder, including but not limited to licenses to permit the Successful Bidder to do business in the jurisdictions where the work is to be performed, procurement, fabrication, construction,

erection, and other applicable permits required to move, transport, and deliver material / equipment to and from the Plant.

2. The Successful Bidder shall obtain all necessary Contractor and Construction permits. If the Successful Bidder at any time becomes aware, whether as a result of notice from the owner or otherwise, of any applicable permit not obtained by him, the Successful Bidder shall promptly give notice thereof to the owner and the Successful Bidder shall be responsible for obtaining such applicable Permits.
3. The Successful Bidder shall provide support to the owner in obtaining necessary permits, including but not limited to the following activities:
  - I. Overall co-ordination of permitting requirements
  - II. Attendance at meetings with the owner, and third parties designated by the owner.
  - III. Preparation of permit applications or, as applicable, application to transfer permits to the Owner.

  - V. Assistance in presentations at hearing of governmental instrumentalities / agencies
  - VI. Provision of all available information and documents required by Owner in connection with obtaining any Owner Permits; and
  - VII. Such other services as Owner may request from time to time required for Owner permits.

### 3.3 Civil works activities

The Successful Bidder shall prepare a comprehensive list of activities to be undertaken, detailed in Section 3.3.1 of Part 2 of this document.

#### 3.3.1 Civil works plan

The Successful Bidder shall be responsible for performing civil works in this RfP. The list of activities to be carried out, across all key components, have been detailed below. All the activities have been categorized based on the area/component into 2 (two) different categories– Category A and Category B. Detailed bill of quantities for all the civil works / activities detailed below is present in Annexure 1.

#### Category A

Area/ component	Description of activities to be performed
Chimneys	<ul style="list-style-type: none"> <li>• Scaffolding systems – enabling works</li> <li>• Structural repair works (external &amp; internal) of existing loose, damaged Concrete from RCC members of all affected RCC Columns, Beams, Slabs</li> <li>• Structural steel work</li> <li>• Protective works</li> <li>• External painting</li> </ul>
Main Turbine	<ul style="list-style-type: none"> <li>• Scaffolding systems – enabling works</li> <li>• Structural steel work</li> <li>• Inspection and repair of roof</li> </ul>

Area/ component	Description of activities to be performed
Boiler and ESP	<ul style="list-style-type: none"> <li>• Scaffolding systems – enabling works</li> <li>• Structural repair works (external &amp; internal) of existing loose, damaged Concrete from RCC members of all affected RCC Columns, Beams, Slabs</li> <li>• Structural steel work</li> <li>• Protective works</li> <li>• Internal painting</li> </ul>

### Category B

Area/ component	Description of activities to be performed
Cooling Towers	<ul style="list-style-type: none"> <li>• Scaffolding systems – enabling works</li> <li>• Structural repair works (ext &amp; internal) of existing loose, damaged Concrete from RCC members of all affected RCC Columns, Beams, Slabs</li> <li>• Structural steel work</li> <li>• Protective works</li> <li>• Waterproofing works</li> <li>• External painting</li> <li>• Internal painting</li> </ul>
Intake Channel and Forebay	<ul style="list-style-type: none"> <li>• Scaffolding systems – enabling works</li> <li>• Structural repair works (ext &amp; internal) of existing loose, damaged Concrete from RCC members of all affected RCC Columns, Beams, Slabs</li> <li>• Structural steel work</li> <li>• Protective works</li> <li>• Waterproofing works</li> <li>• External painting</li> </ul>

The Owner reserves the right to partially award the above-mentioned scope of work by awarding any select categories (Category A or Category B) or sub-categories to the Successful Bidder by giving prior notice in writing.

#### 3.3.2 Scope for supply of material

The Successful Bidder shall procure all material as per the quantities and specifications detailed in Annexure 1 for both units of the Plant simultaneously.

#### 3.3.3 Procurement planning

1. The Successful Bidder shall create a 'Procurement Register' in collaboration with the PMC, including all the detailed item-wise Bills of Quantity (BoQs) with associated costs and technical specifications to ensure adherence to desired quality and exercise cost control within Contractual limits. The Successful Bidder shall be responsible to purchase and procure all the items in the Procurement Register
2. The Successful Bidder shall prepare a 'Procurement Plan' for the purpose of monitoring all Procurement activities and ensuring timely delivery of all materials, in line with the timelines.
3. The Successful Bidder shall coordinate with the PMC in maintaining a digital data sheet (in excel format) of the 'Procurement Plan', with the desired timelines and costs vis-à-vis the actual timelines followed and costs incurred to track compliance. The Successful Bidder and

PMC shall grant all requisite access to the data sheet to the Owner, and share necessary summaries for reporting purpose, if requested

#### **3.3.4 Material management**

The Successful Bidder shall deploy appropriate material management systems (e.g., ERP solutions) to track movement of material and adherence to schedules and quality. Further, the Successful Bidder shall integrate the system with the digital data sheet described in Part 2 of this document.

#### **3.3.5 Quality management**

The Successful Bidder shall ensure the procurement of material is as per the technical specifications provided in Annexure 1 and adhere to highest standard of workmanship, to ensure after completion of the works, the Plant shall be capable of performing in a safe, reliable, sustainable, and in a manner acceptable to the Owner.

#### **3.3.6 Storage of material in Plant**

The Successful Bidder shall be responsible for storage of all procured material / equipment at the Plant within the Successful Bidder's shed, provided by the owner. The Successful Bidder shall be solely responsible for security of the material / equipment at the Plant. In case of theft / burglary / loss of material, the Successful Bidder shall bear the cost of replenishing the material and ensure timely delivery to minimize impact on the execution of the works.

### **3.4 Standards for performance of obligations**

The Successful Bidder represents and warrants that it has the requisite skills, experience, expertise, and capacity to fulfill its obligations and responsibilities under the Contract. The Successful Bidder shall perform all its services hereunder in accordance and compliance with:

1. Accepted prudent industry practices.
2. Incident reporting with corrective and preventive measures.
3. Implementation of lessons learnt from incidents on similar facilities.
4. All Applicable Laws
5. All applicable clearances to be obtained and maintained including but not limited to all relevant health and safety legislations, environment permits and licenses.

The Successful Bidder shall have round-the-clock qualified, trained, and experienced, with valid necessary certifications, crew of adequate strength who are alert and vigilant for carrying out all the normal and emergency activities.

### **3.5 Standards for Sub-contracting**

For the purpose of performing its obligations under the Contract, the Successful Bidder may appoint Sub-Contractors with prior permission from the owner as deemed fit. Appointment of such Sub-Contractors by the Successful Bidder shall at no time mean that the Successful Bidder is relieved of its primary duty and liability to perform its obligations as set out in the Contract. The Successful Bidder shall be responsible for:

1. Obtaining any and all necessary authorizations required for use of all Plant infrastructure / facilities in connection with the performance of its obligations hereunder.
2. Ensuring adherence to standard operating procedures and safety standards by the Sub-Contractor and be liable in the event of any issue affecting the performance of the asset

#### **4. Responsibilities of the Owner**

The Owner shall be responsible for the following key activities pertaining to the execution of the Civil works of the Plant.

##### **4.1 Access to Plant infrastructure**

The Owner will arrange for the Successful Bidder's accommodation and food and beverage requirements at the Plant for the key Personnel deployed on ground to oversee the execution of the works, on chargeable basis and on the basis of availability of accommodation. In case infrastructure is not available, the Successful Bidder shall be responsible for arranging the same. The Successful Bidder shall ensure that the Personnel are available at the Plant for the entire course of work and shall take requisite consent from the Owner with prior intimation through a Written Notice in case of any changes in availability of Personnel.

##### **4.2 Access to documents and data**

The Owner shall provide the Successful Bidder with access to available drawings, documents, design manuals, and operational information required for the successful execution of the works. In case any technical drawing, document is unavailable with the owner, then the same shall be developed by the Successful Bidder at its own cost.

#### **5. Rights of the Owner**

The owner, throughout the tenure of the Contract, reserves the following rights relating to preparation and execution of the works, not specifically granted to the Successful Bidder.

##### **5.1 General policies and procedures**

The owner reserves the rights for review and determination of general policies and procedures not previously delegated to the Successful Bidder as part of the scope of work.

##### **5.2 Audits**

The owner may, from time to time, designate any responsible person on its behalf to conduct audits, pertaining to Owner's capacity defined in the Contract, of financial (billing and invoicing), technical, safety, and to visit and inspect the Plant to discuss such affairs, which relate to the services provided by the Successful Bidder, with its authorized representatives.

##### **5.3 Access to data**

The owner reserves the rights to access all records, documents, and data relating to the services provided by the Successful Bidder during the preparation and the execution of the works, including for making copies thereof or extracts.

The owner shall have the right, at all times, on reasonable notice and at the premises of the Successful Bidder to examine drawings / design documents which have been prepared by the Successful Bidder

## **6. Quantity Variance**

1. The quoted rates for all materials detailed in the BoQ in Annexure 1 shall remain the same irrespective of any variation in individual quantities.
2. The quantities given in the BoQ in Annexure 1 may change to any extent (both on plus and minus side)
3. Quantity variance shall be applicable on items up to a limit of 15% (fifteen percent) of the Lumpsum charges for Repair of Plant Civil Structures (both on plus and minus side)

## **7. Rate Settlement Mechanism**

During the execution of the civil works, if the Owner/PMC/Successful Bidder identify additional items to be procured, deviations in quantities, and / or associated services to be performed, over and above the items given in the BoQ in Annexure 1 to ensure performance, such items and services shall be notified to the competent authorities of the PMC and the Owner prior to initiation of procurement or execution of the services.

A 'Rate Settlement Committee' shall be established with competent authorities from the PMC and the Owner. The PMC and the Owner shall present the need for the additional items and / or services to the 'Rate Settlement Committee', with a rationale for the quantities of items to be procured and rates for the items and / or services discovered in the market. The committee shall reserve the right to discuss the rates and authorize the Successful Bidder to initiate procurement of the identified items and / or execution of the services.

## **8. Inspection and Testing of Civil Works**

The Successful Bidder shall engage a reputable third-party consultant (approved structural engineer / chartered engineer / professional engineer) to inspect and certify all the civil works across all the components conducted by the Successful Bidder, as per government norms.

The appointed third-party consultant shall possess relevant expertise and accreditation in conducting inspection for civil engineering projects. The inspection findings and recommendations provided by the third-party consultant shall be binding on both parties, and no work shall proceed until the civil works have been deemed satisfactory by the consultant. The Owner may also require that all the inspections and tests conducted by third-party consultant be carried out in the presence of authorized representatives of the Owner/PMC.

Based on the results of inspection, the PMC and/or the Owner shall be entitled to reject at any time any defective material, item or component (including specially manufactured or fabricated items and components) supplied by the Successful Bidder for incorporation in the works, and upon such rejection, the Successful Bidder shall either perform such work or improvement thereon or in respect thereof, as shall be necessary to bring the material item/component to the requisite standard, or shall, if so required by the PMC (whose decision in this behalf shall be final), remove the rejected material/item/component from the job site within the time specified by the PMC or the Owner and replace it at his own cost and expense (without additional remuneration or compensation in respect thereof) with material(s)/item(s)/component(s) approved by the Site Engineer.

The Successful Bidder shall bear all costs associated with engaging the third-party consultant for inspection. Failure to comply with the inspection findings or to address any deficiencies identified by the third-party consultant may result in rejection of the Successful Bidder's works or termination of the contract, and the Owner may forfeit the payments associated with completion of the overhauling activities and any payment thereafter. The Owner reserves the right to request additional inspections or tests as deemed necessary to ensure the quality and integrity of the civil works.

## **9. Reporting requirements and deliverables**

The Successful Bidder shall prepare and submit a comprehensive 'Civil Works Completion Report' incorporating the key activities undertaken, results of the performance inspection and testing of works; and list of material supplied to the Owner as part of the works, within 2 weeks of completion of the work, to mark the completion.

Further, the Successful Bidder shall prepare and submit fortnightly progress reports with the PMC, and the Owner. Each progress report shall include:

1. Photographs and detailed descriptions of progress including each stage of design, procurement, manufacture, delivery at Site, construction, erection, and testing.
2. A detailed description of the milestones achieved, and the Work/ Services performed prior to the date of the fortnightly progress report and the extent to which payments therefore have been received against the milestones.
3. A description of the status of supplies and Equipment and of Successful Bidder's and all Major Sub-Contractors activities and engineering, manufacturing, and construction progress as compared with the Project Schedule.
4. Copies of quality assurance reports including test results (i) from the manufacturing and fabrication facilities of all Sub-Contractors and (ii) with respect to all construction activity at the Facility Site
5. Safety statistics required under Applicable Laws, including details of any hazardous incidents and activities relating to environmental aspects and public relations.
6. Comparisons of actual and planned progress, with details of any aspects which may jeopardize the completion in accordance with the Contract, including Execution Plan and the mitigation measures / action plan being (or to be) adopted to overcome such aspects. It shall include a clear identification and evaluation of problems and deficiencies in the Services (including but not limited to an evaluation of any factors which are anticipated to have a material effect on the Project Schedule).
7. Any other information as considered necessary by Owner / Owner's Representative.

## **11. Contract performance measurement**

### **11.1 Key Performance Indicators (KPIs)**

The Successful Bidder shall adhere to the following KPIs and targets during the Civil works. In case of shortfall, liquidated damages shall be applicable and in case of superior performance, incentives shall be applicable as per the following sections:

## 11.2 Time-based KPIs

Phase	KPI	Liquidated damages	Incentive
Execution	Schedule compliance with "Civil Works Execution Plan" as per RfP	0.5% of lumpsum price for Repair of Plant Civil Structures for every week of delay in completion of 'Civil Works Execution Plan'	NA

*Note—Any delay more than 3 days shall be accounted as a week of delay while calculating the liquidated damages.*

## 11.3 Overall ceiling on Liquidated Damages and incentives

1. All liabilities due from the Successful Bidder arising out of the shortfall of performance levels mentioned under Section 14, as per the liquidated damages, during the course of the Civil works, shall be restricted to a maximum of 10% of the lump sum price for supply of material and execution defined in Section 16 of Part 2 of this document.
2. All incentives due to the Successful Bidder as per the incentives defined in Section 8.1, during the course of the execution, shall be restricted to a maximum of 5% of the lump sum price for supply of material and execution defined in Section 10.1 of Part 2 of this document.

## 12. Payment terms

### 12.1 Lumpsum charges for Repair of Plant Civil Structures

The Successful Bidder shall quote the Lumpsum charges for Repair of Plant Civil Structures for the duration of the execution, as per the Price Bid format.

### 12.2 Payment milestones

The Owner hereby covenants to pay the Successful Bidder for performance of the Contractual terms as payment terms specified hereunder –

## **Part 3: Instructions to Bidders**

### **1. Introduction**

#### **1.1 Bidding process overview**

The owner has adopted a single stage two packet envelope Bidding system with evaluation as per the prequalification, lowest cost based (L1) method as detailed out in Section 2 of Part 3 of this document.

Price Bid shall be submitted online through <https://gmdctender.nprocure.com>. The Bids for which the Price Bid is submitted in hard copy / physical form shall be rejected as non-responsive.

Complete Bid shall be submitted on or before the time and date fixed for submission of technical and price Bids as detailed in Section 1 of Part 3 of this document. Bids delivered after the due dates will be rejected.

The Bidders need to offer their Bids which conform to the scope of work and terms and conditions detailed in Part 2 of this document.

As a first step, evaluation of Technical Bid will be conducted as per Section 6.2 of Part 3 of this document. Post the evaluation of Technical Bids, the Price Bids of only those Bidders meeting the pre-qualification detailed in Sections 7 of Part 3 of this document shall be opened.

Subsequently, a Price Bid evaluation of qualified Bidders will be carried out as per Section 8 of Part 3 of this document. The Bidder quoting the lowest price among all the participating bidders, shall be considered as the 'Preferred Bidder'.

## **1.2 Due diligence**

Before Bidding, the Bidder shall undertake and shall be deemed before Bidding to have undertaken a thorough study of the proposed work, the job(s) involved, the Plant conditions, the labor, power, water, material and equipment availability, transport and communication facilities and temporary offices and accommodation quarters, and all other factors, constraints, and facilities necessary for the formulation of the Bid, supply of materials and the performance of the work.

The intending Bidders shall be deemed to have visited the Plant and familiarized themselves thoroughly with the working conditions at the Plant before submitting the Bid. Non-familiarity with the Plant conditions will not be considered a reason either for extra claims or for not carrying out the work in strict conformity with the specifications.

It will be imperative on each Bidder to acquaint himself of all local laws, conditions and factors which may have any effect on the execution of works and supplies under the Bid document. In their own interest, Bidder is requested to familiarize themselves with (but not limited to) the Indian Income Tax Act 1961, Indian Companies Act 2013, Customs Act 1962, Factory Act, Contract Labor Act 1970, Arbitration Act 1996, EPF Act 1952, Employees State Insurance Act (ESI) 1948 & other related applicable Acts and Laws & Regulations of India, with their latest amendments, as prevalent in India. Owner shall not entertain any request for clarification from the Bidder regarding such local conditions.

It must be understood and agreed that such factors have properly been investigated and considered while submitting the Bid. No claim for financial and other adjustments to the Work Order price, on account of lack of clarity or proper understanding of such factors, shall be entertained.

## **1.3 Acknowledgement by Bidder**

By submitting the Bid, the Bidder acknowledges that:

1. It has made a complete and careful examination of the scope of work and terms and conditions mentioned in Part 2 of this document.
2. It has made available all the relevant information requested by the owner.
3. It accepts the risks of inadequacy, or error due to improper due diligence on its part as described in Section 1 of Part 3 of this document.
4. It does not have any conflict of interest.
5. It is bound by the undertakings provided by it under and in terms hereof.

The owner shall not be liable for any omission, mistake, or error in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to the RFP or the Bidding Process, including any error or mistake therein or in any information or data given by the owner.

#### 1.4 Cost of Bidding

The Bidders shall be responsible for all the costs associated with the preparation of their Bids and their participation in the Bid Process. The owner will not be responsible or in any way liable for such costs, regardless of the conduct or outcome of the Bidding Process.

## 2. Bid requirements

### 2.1 Bid validity

Bids shall remain valid for a period of not less than 180 (one hundred and eighty) days from the Bid submission date (described as 'Bid Validity Period'). The Bid shall be considered non-responsive if such Bid is valid for a period less than the Bid Validity Period.

In exceptional circumstances, prior to expiry of the original Bid Validity Period, relevant authorities from the owner may request the Bidders to extend the period of validity for a specified additional period. The request and the responses thereto shall be made in writing. A Bidder may refuse the request without forfeiting its Bid Security / EMD. A Bidder agreeing to the request will not be required or permitted to modify his Bid but will be required to extend the validity of his Bid Security/EMD for the period of the extension, and in compliance with Section 2.5 of Part 3 of this document in all respects.

### 2.2 Number of Bids by Bidder

No Bidder shall submit more than one Bid pursuant to this RFP. If a Bidder submits or participates in more than one Bid, such Bids by the Bidder shall be disqualified.

### 2.3 Governing law and jurisdiction

The Bidding process shall be governed by and construed in accordance with the Indian laws and the courts at Ahmedabad, Gujarat shall have exclusive jurisdiction over all disputes arising under, pursuant to, and / or in connection to the Bidding process.

### 2.4 GMDC's right to accept and reject any Bids or all Bids

Notwithstanding anything contained in this RFP, the owner reserves the rights to accept or reject any Bid and to annul the Bidding process / Bid evaluation process and reject all Bids at any time without any liability or any obligations for such acceptance, rejection, or annulment, without assigning any reasons thereof.

It shall be deemed that by submitting the Bids, the Bidder agrees and releases the owner, its employees, agents and advisers, irrevocably, unconditionally, fully and finally from any and all liability for claims, losses, damages, costs, expenses or liabilities in any way related to or arising from the exercise of any rights and / or performance of any obligations hereunder, pursuant hereto and / or in connection to the Bidding process and waives, to the fullest extent

permitted by Applicable Laws, any and all rights and/or claims it may have in this respect, whether actual or contingent, whether present or in future.

Without prejudice to the generality of the above terms, the owner reserves the right to reject any Bid if:

1. The Bid does not meet the technical eligibility and qualification criteria specified in this RFP.
2. A material misrepresentation is made or discovered at any time, or if the Bidder is found to be indulging in fraudulent and corrupt practices.
3. The Bidder does not provide, within the time specified by the owner, the supplemental information sought by the owner for evaluation of the Bid.
4. The Bidder submits a conditional Bid.

If such disqualification / rejection occurs after the Bids have been opened and the Preferred Bidder as per award criteria gets disqualified / rejected, then the owner reserves the right to consider the next best Bidder or take any other measure as may be deemed fit in the sole discretion of the owner, including annulment of the process.

### **3. Earnest Money Deposit (EMD) / Bid Security**

The Bidder shall furnish a separate Bid Security (described as 'Earnest Money Deposit') as part of its Bid as per the given format. The Bid Security / EMD shall be sealed in separate sealed envelope along with the RFP fee, as described in Section 1.5 of Part 3 of this document. An amount of **INR 36 Lakhs** shall be provided as EMD by the banks approved by the Government of Gujarat from time to time except for co-operative banks, in favor of "Gujarat Mineral Development Corporation Ltd." The list of approved banks has been listed in Annexure 13.

The EMD shall be in any of the below mentioned format:

1. Account payee Demand Draft / Banker's Cheque

The Bidder must meet pre-qualification criteria specified in Section 7.1 and have submitted all documents as per Section 4 to qualify for next stage of assessment.

#### **8.2.3 Evaluation of Price Bid**

The Bidders shall be required to submit documents as per Section 4. The owner shall examine and evaluate the Price Bids as per the evaluation steps specified below.

#### **8.2.4 Opening of Price Bid**

The Price Bids of only the Bidders determined to be responsive and meeting the Pre-Qualification criteria in accordance with Section 7 shall be opened.

#### **8.2.5 Identification of Preferred Bidder**

The Bidder quoting the lowest price (L1) among the qualified Bidders, shall be declared as the Preferred Bidder. In case of a tie among two or more qualified Bidders, the Bidders with the highest average audited annual revenue per annum for last three years (FY2021 to FY2023), shall be considered the Preferred Bidder.

After discussions at the discretion of the owner, the LOA would be granted to the Preferred Bidder who would then be the Successful Bidder.

#### **8.2.6 Clarification of Bids and request for information**

To facilitate evaluation of Bids, the owner may, at its sole discretion, seek in writing / in-person meetings, clarifications / documents / missing information from any Bidder pertaining to its Bid. If the response from the Bidder is not received by the owner before the expiration of the deadline prescribed in the written request, the owner reserves the right to proceed with the evaluation process at the total risk and cost of the Bidder.

#### **8.2.7 Verification and disqualification**

The owner reserves the right to verify all statements, information and documents submitted by the Bidder in response to the RFP and the Bidder shall, when so required by the owner, make available all such information, evidence and documents as may be necessary for such verification. Any such verification or lack of such verification by the owner shall not relieve the Bidder of its obligations or liabilities hereunder nor will it affect any rights of the owner there under.

The owner reserves the right to reject any Bid and / or appropriate EMD if:

1. At any time, a material misrepresentation in terms of misleading or false representation is made or uncovered, or
2. The Bidder does not provide, within the time specified by the owner, the supplemental information sought by the owner for evaluation of the Bid.
3. In case of fraudulent Bid and the Bidder is found to be involved in fraudulent and corrupt practice as per Section 10
4. In case the Bidder has any conflict of interest as per Section 11
5. A Bidder makes an effort to influence the owner in its decisions on the evaluation process / selection process.
6. While evaluating the Bid, if it comes to GMDC's knowledge expressly or implied, that some Bidders may have compounded in any manner whatsoever or otherwise joined to form an alliance resulting in distorting competitive price discovery or delaying the processing of proposal.
7. Record of poor performance such as abandoning the work, rescinding of Work Order for which the reasons are attributable to the non-performance of the Bidder, consistent history of litigation awarded against the applicant or financial failure due to bankruptcy.
8. A Bidder submits or participates in more than one Bid under this RFP.

If such disqualification / rejection occurs after the Bids have been opened and the Preferred Bidder as per award criteria gets disqualified / rejected, then the owner reserves the right to consider the next best Bidder or take any other measure as may be deemed fit in the sole discretion of the owner, including annulment of the process.

In case it is found during the evaluation of Bids or at any time before signing of the Work Order or after its execution and during the period of subsistence thereof, that one or more of the pre-qualification criteria / technical criteria have not been met by the Bidder, or the Bidder has made material misrepresentation or has given any materially incorrect or false information, the Bidder shall be disqualified forthwith if not yet appointed as the Bidder either by issue of the LOA or entering into the Work Order, and if the Successful Bidder has already been issued the LOA or has entered into the Work Order, as the case may be, the same shall, notwithstanding anything to the contrary contained therein or in this RFP, be liable to be terminated, by a communication in writing by the owner to the Successful Bidder or the Bidder, as the case may be, without the owner being liable in any manner whatsoever to the Successful Bidder or the Bidder. In such an event, the owner shall be entitled to forfeit and appropriate the EMD or Performance Security, as the case may be, without prejudice to any other right or remedy that may be available to the owner under the RFP and/or the Work Order.

#### **8.2.8 Contacts during Bid evaluation**

Bids shall be deemed to be under consideration immediately after they are opened and until such time the owner makes official intimation of award/ rejection to the Bidders. While the Bids are under consideration, Bidders and/ or their representatives or other interested Parties are advised to refrain, save and except as required under the Bidding documents, from contacting by any means, the owner and/ or their consultants/ employees/representatives on matters related to the Bids under consideration.

#### **8.2.9 Correspondence with Bidder**

Save and except as provided in this RFP, the owner shall not entertain any correspondence with any Bidder in relation to acceptance or rejection of any Bid.

#### **8.2.10 Confidentiality**

Information relating to the examination, clarification, evaluation, and recommendation for the Bidders shall not be disclosed to any person who is not officially concerned with the process or is not a retained professional advisor advising the owner in relation to, or matters arising out of, or concerning the Bidding process. The owner will treat all information, submitted as part of the Bid, in confidence and will require all those who have access to such material to treat the same in confidence. The owner may not divulge any such information unless it is directed to do so by any statutory entity that has the power under law to require its disclosure or is to enforce or assert any right or privilege of the statutory entity and/ or the owner or as may be required by law or in connection with any legal process.

## **9. Appointment of Bidder**

### **9.1 Notification of award**

Prior to expiry of the Bid Validity Period, the owner shall notify the Preferred Bidder as the Successful Bidder in Writing that their Bid has been accepted. This letter ("Letter of Award"/ "LOA") shall be issued, induplicate, and shall specify the sum which the owner shall pay to the Successful Bidder and sum that the Successful Bidder shall pay to the owner in consideration of scope as per the terms of Work Order.

Successful Bidder shall, within 7 (seven) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgement thereof. In the event the duplicate copy of the LOA duly signed by the Successful Bidder is not received by the stipulated date, the owner may, unless it consents to extension of time for submission thereof, appropriate the Bid Security of such Bidder as damages on account of failure of the Successful Bidder to acknowledge the LOA, and the next eligible and qualified Bidder may be considered.

### **9.2 Signing of Work Order**

After acknowledgement of the LOA as aforesaid by the Successful Bidder, it shall cause the Successful Bidder, subject to furnishing the Performance Security as per the RFP provisions, to execute/sign the Agreement within the 07 (seven) days from the date of LOA.

After the signing of the Work Order, the Successful Bidder shall be called the "Contractor".

### **9.3 Performance Security**

The Successful Bidder shall furnish Performance Security to the owner for securing the due and faithful performance of its obligations under the Agreement, within 7 (seven) days from the date of acceptance of LOA, in the form of Demand Draft or an unconditional and irrevocable bank guarantee (Annexure 12) for amount of equivalent to 10% (Ten percent) of the total contract value (without GST), payable to the owner by the Successful Bidder (the "Performance Security") from the banks approved by the Government of Gujarat from time to time except for co-operative banks. Such Performance Security shall be in favor of "Gujarat Mineral Development Corporation Ltd" and admissible and payable at Ahmedabad branch from the banks approved by the Government of Gujarat from time to time except for co-operative banks.

The Successful Bidder will be bounded for conflict resolution for a period of 12 (twelve) months after the completion of the Work Order. Hence, the Bidder shall maintain a valid and binding Performance Security for a period of 24 (twenty-four) months. The Bidder shall ensure that the Performance Security shall subsist in full force and effect in terms hereof, throughout the tenure of the Work Order and thereafter until expiry of three months. In case tenure of the Work Order is extended then the Bidder shall have to renew Performance Security for a period of extended tenure.

If the Successful Bidder, fails to furnish the Performance Security, it shall be lawful for the owner to forfeit the EMD and cancel the Contract or any part thereof.

the owner shall be entitled to forfeit and appropriate the amount of the Performance Security in whole or in part:

1. in the event the owner requires to recover any sum due and payable to it by the Bidder including but not limited to damages; and which the Bidder has failed to pay in relation thereof; and
2. in relation to Bidder's breach in accordance with the terms contained in the Agreement

At any time during the Validity Period, the Performance Security has either been partially or completely been encashed by the owner in accordance with the provision of the Work Order, the Bidder shall within 15 (fifteen) days of such encashment either replenish, or provide a fresh Performance Security, as the case may be, failing which the owner shall be entitled to terminate the Work Order.

At the end of the tenure of the Work Order, the Performance Security shall be returned to the Bidder without any interest, subject to any deductions which may be made by the owner in respect of any outstanding dues under the terms of the Agreement.

#### **9.4 Proprietary data**

Subject to the provisions of Section 6.9, all documents and other information provided by the owner or submitted by Bidder to the owner shall remain or become the property of the owner. Bidder is to treat all information as strictly confidential. The owner will not return any Bid, or any information related thereto. All information collected, analyzed, processed or in whatever manner provided by the Bidder to the owner in relation to the assignment pursuant to the scope of work / terms of reference shall be the property of the owner.

#### **9.5 Tax liability**

The rates quoted in Price Bid Annexure 10 shall be inclusive of all taxes, duties, surcharge Levies etc. as applicable except applicable Goods and Service Tax. Applicable GST at the time of invoicing shall be reimbursed by the owner.

The owner shall be entitled to deduct tax at source as may be applicable. The TDS certificate(s) shall be submitted as per the due date specified in the Income Tax Act.

#### **10. Fraudulent and corrupt practices**

The Bidders and their respective officers, employees, agents, and advisers shall observe the highest standard of ethics during the Bidding process and subsequent to the issue of the LOA and during the subsistence of the Work Order. Notwithstanding anything to the contrary contained herein, or in the LOA or in the Work Order, GMDC may reject a Bid, withdraw the LOA, or terminate the Work Order, without being liable in any manner whatsoever to the Bidder, if it determines that the Bidder or as the case may be, has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice, or restrictive practice in the Bidding process. In such an event, GMDC shall be entitled to forfeit and appropriate the EMD, as the case may be, without prejudice to any other right or remedy that may be available to GMDC under the Bidding documents and/ or the Contract, or otherwise. In case of cancellation of Work Order, if already awarded, GMDC shall be entitled to recover from the Bidder the amount of any loss arising from such cancellation in accordance with provisions of RFP document.

Without prejudice to the rights of GMDC hereinabove and the rights and remedies which GMDC may have under the LOA or the Work Order or otherwise if a Bidder as the case may be, is found

by GMDC to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding process, or after the issue of the LOA or the execution of the Work Order and/or otherwise, such Bidder shall not be eligible to participate in any RFP or RFP issued by GMDC during a period of 2 (two) years from the date of identification of such practice.

For the purposes of this Section 8, the following terms shall have the meaning hereinafter respectively assigned to them:

1. **“Corrupt practice”** shall mean (i)the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding process (for avoidance of doubt, offering of employment to or employing or engaging in any manner whatsoever, directly or indirectly, any official of GMDC who is or has been associated in any manner, directly or indirectly, with the Bidding process or the LOA or has dealt with matters concerning the Work Order or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of GMDC, shall be deemed to constitute influencing the actions of a person connected with the Bidding process); or (ii) engaging in any manner whatsoever, whether during the Bidding process or after the issue of the LOA or after the execution of the Work Order, any person in respect of any matter relating to the LOA or the Work Order or otherwise, who at any time has been or is a legal, financial or technical adviser of GMDC in relation to any matter concerning the assignment
2. **“Fraudulent practice”** shall mean a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding process.
3. **“Coercive practice”** shall mean impairing or harming, or threatening to impair or harm, directly or indirectly, any person or property to influence any person’s participation or action in the Bidding process.
4. **“Undesirable practice”** shall mean (i)establishing contact with any person connected with or employed or engaged by GMDC with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding process; or (ii)having a Conflict of Interest as per Section 9

**“Restrictive practice”** shall mean forming a cartel or arriving at any understanding or arrangement among Bidders with the objective of restricting or manipulating a full and fair competition in the Bidding process.

## **11. Conflict of Interest**

The Bidder shall not have a conflict of interest that may affect the selection process. Any Bidder found to have a conflict of interest shall be disqualified. In the event of disqualification, GMDC shall forfeit and appropriate the Bid Security, if available, or as mutually agreed genuine pre-estimated compensation and damages payable to GMDC for, inter alia, the time, cost, and effort of GMDC including consideration of such Bid, without prejudice to any other right or remedy that may be available to GMDC hereunder or otherwise.

GMDC requires that the appointed Bidder provide professional, objective, and impartial advice and at all times hold GMDC’s interest’s paramount, avoid conflicts with other assignments or its own interests, and act without any consideration for future work. The Bidder shall not accept or engage in any assignment that would be in conflict with its prior or current obligations to other

clients, or that may place it in a position of not being able to carry out the assignment in the best interests of GMDC.

Without limiting the generality of the above, shall be deemed to have a conflict of interest affecting the selection process, if the relationship between two Bidders is established through common holding, either directly or through associates, of at least 26% holding of equity/profit sharing in another company/firm, or in each other and other terms as specified hereunder:

1. The Bidder, its member or associate (or any constituent thereof) and any other Bidder, its member or associate (or any constituent thereof) have common controlling Ownership interest.     - i. more than 26% of the paid up and subscribed equity capital in the other Bidder or associate of such other Bidder, its member or associates is company and/or
    - ii. more than 26% of profit sharing in other Bidder or its associates such other Bidder or its associates is a Limited Liability Partnership firm and/or
2. A constituent of such Bidders is also a constituent of another Bidders, or
3. Such Bidders receive or has received any direct or indirect subsidy or grant from any other Bidder/s, or has provided any such subsidy to any other Bidders, or
4. Such Bidder has the same legal representative for purposes of this Bid as any other Bidders or
5. such Bidders have a relationship with another Bidders, directly or through common third Parties, that puts them in a position to have access to each other's' information about, or to influence the Bid of either or each of the other Bidders or
6. there is a conflict among this and other assignments of the Bidder (including its personnel and other members, if any) and any subsidiaries or entities controlled by such Bidder or having common controlling shareholders. The duties of the Bidder will depend on the circumstances of each case. While providing services to GMDC for this assignment, the Bidder shall not take up any assignment that by its nature will result in conflict with the present assignment.
7. The Bidder shall furnish an affirmative statement as to the existence of, or potential for conflict of interest on the part of the Bidder due to prior, current Contracts, engagements, or affiliations with GMDC. Additionally, such disclosure shall address any and all potential elements (time frame for service delivery, resource, financial or other) that would

adversely impact the ability of the Bidder to complete the requirements as given in the RFP.
