- **Environment Clearance for capacity expansion at Surkha(N) Lignite Mine**

GMDC has achieved a major milestone with the approval of Environmental Clearance for capacity expansion at Surkha (N) Lignite Mine by the Ministry of Environment, Forest & Climate Change, Government of India. This sanction will allow us to expand the production of lignite from 3 MTPA to 5 MTPA.

GMDC's lignite production boost aligns with our commitment to fuelling economic growth. This Environmental Clearance marks a milestone in GMDC's journey towards sustainable and impactful resource management.

Mapping Blue Hydrogen to Combat Climate Challenges

GMDC's iCEM is seeking experts to conduct a feasibility study on the production of Blue Hydrogen through the gasification of Lignite. This initiative shows GMDC's dedication to sustainable energy. More details may be refer to www.icemtenders.nprocure.com

Inviting Proposals for
FEASIBILITY STUDY ON
BLUE HYDROGEN FROM
GASIFICATION OF LIGNITE

Gujarat Mineral Development Corporation Ltd. (GMDC) is India's No.1 merchant seller of Lignite. We are expanding our horizons by venturing into Coal mining. Towards employing cleaner ways to utilising our Lignite and Coal reserves, we are exploring their gasification to cater to downstream sectors.

International Center of Excellence in Mining (iCEM), an autonomous institution established by GMDC, is entrusted with understanding the techno-economics of this initiative towards catalysing projects that make mining sustainable.

RFP sought from reputed and experienced **Technical Service Providers** for Feasibility Study on producing Blue Hydrogen and other downstream products from Gasification of Lignite (ICEM/01/23-24)

- **RFP Uploading Date**
11/01/24
- **Due Date for Online Submission at** <https://icemtender.nprocure.com/>
(Timeline applicable for offline submission too)
01/02/24 up to 17:00 Hrs. IST

Employee Engagement

75th Republic Day Celebration

GMDC proudly celebrated the 75th Republic Day, honouring the values that form the foundation of our Nation. The Indian National Flag, was unfurled by Our Managing Director, Shri Roopwant Singh, IAS, symbolising our commitment to our Nation's principles and heritage.

Our Presence

GMDC @ Vibrant Gujarat Global Trade Show

Vibrant Gujarat Global Summit, conceptualised in 2003 has today evolved as one of the most reputed global forums for business networking, knowledge sharing and strategic partnerships for inclusive growth and sustainable development.

Driven by its inherent entrepreneurial spirit, the State of Gujarat has taken significant strides in developing a resilient and vibrant economy over the past two decades and has emerged as one of India's most industrialized and urbanized States. Apart from

being a national leader across various sectors, the State has emerged as one of the most preferred investment destinations.

The 10th edition of the VGGS-2024 is slated for launch in January 2024. GMDC has showcased the potential of mineral development at the Vibrant Gujarat Global Trade Show. Our Exhibition Stall was seen as a hub of innovation and sustainability in the mining industry. Through such participations, we are performing our commitment to a greener Gujarat.

Inauguration of GMDC Annex Building

On January 22, GMDC has inaugurated its extension office as GMDC Annex Building located at Ashram Road. This office will serve a hub for the activities of GMDC supported societies. GMDC Gramya Vikas Trust, GMDC Science & Research Center and Gujarat Mineral Research & Industrial Consultancy Society (GMRICS)
