**Assessment, Formulation and Implementation of Enterprise Risk Management (ERM) in GMDC**

**RFP No. GMDC/PPD/001/2024-25**

---

## **Corrigendum - 1**

**Answer to Pre-Bid Queries along with Bid due date extension**

**Gujarat Mineral Development Corporation**

**18<sup>th</sup> July 2024**

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
1	<b>Section-2.1</b>	In reference to Phase-I and II of the engagement, are there minimum/ maximum number of risks to be identified?	No. All relevant risks to be identified as a comprehensive coverage of all risks is intended.
2	<b>Section-2.1</b>	How many risk registers are expected to be delivered by the bidder?	The Service Provider shall be expected to deliver all enterprise level, operating unit level and functional level risk registers.
3	<b>Section-2.1</b>	Are the risk register and risks expected to be delivered at company level or unit level?	Risk registers are expected to be delivered at company level (including all functional unit levels) as well as the operating unit level.
4	<b>Section-2.1</b>	Does the bidder need to include KRIs as a part of risk registers?	Yes
5	<b>Section-2.1</b>	Does GMDC have an in-house risk sensing tool deployed for monitoring and tracking risks?	No.
6	<b>Section-2.1</b>	Does the bidder need to develop and deploy a <b>risk sensing tool for GMDC</b> to enhance the existing framework?	The Service Provider shall need to assess the readymade and customizable tools available in the market. Basis such assessment, the Service provider shall advice GMDC for purchase of best tool suitable for GMDC. The procurement of the tool is not in the scope of the Service Provider.
7	<b>Section-2.1</b>	In reference to risks identified during Phase-I of engagement, does the bidder need to develop KRIs for all risk identified or prioritized risks shortlisted at the end of Phase-I?	Like the name suggests, Key Risk Indicators (KRIs) to be identified for all the key risks. The key risks at the end of Phase I can be discussed with GMDC management and shortlisted.
8	<b>Section-2.1</b>	Does the bidder need to prepare Business Continuity Plan (BCP) at the end of both Module-I and II of Phase-II?	The repetition error stands corrected. The successful bidder shall be required to prepare Business Continuity plan at the end of Module – II of Phase – II.
9	<b>Section-2.1</b>	In reference to Module-II of Phase-II, will the risk registers be prepared for sample operating units and function, and rolled-out for other units post discussion and approval from GMDC management?	Yes, the risk registers may first be prepared for sample operating units and functions and subsequently, post their approval from GMDC, the consultant shall prepare the same along similar lines for other operating units and functions.
10	<b>Section-3.1</b>	In accordance to bid submission timelines as per RFP, looking at the size of work and time involved in creating a	The timeline for submission of the bids stands extended. Kindly refer Annexure 2 for more details.

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		proposal, is there a possibility of timeline extension for final submission by 2 weeks?	
11	<b>Section-5.2</b>	Per the requirement criteria of team Leader, just wanted to check if the Chartered Accountant with similar experience work?	The minimum educational qualification requirement criteria for the team leader stands amended as below.  "B.E/B. Tech & postgraduate in Management from a reputed B school OR Chartered Accountant"
12	<b>General</b>	Does GMDC currently have a designated Chief Risk Officer? Are there existing policies (Risk Management, BCP) and risk registers at GMDC?	GMDC currently has a Risk Management Committee and basic level Risk Management Policy.
13	<b>General</b>	Need to understand the organization structure of the company including - Business and Functional Units to accordingly estimate relevant stakeholders, no. of interviews and context of discussions.	The Bidders can refer to the GMDC website for the details of existing organization structure for functional and operating units. Other details can be referred to in the Answer to Pre Bid query No 23.
14	<b>Section II: Terms of Reference / Scope of Work</b>  <b>3 Timeline and Milestone</b>	Flexibility within individual milestone timelines. Is it possible to spill-over timelines onto the next milestone, ensuring overall timelines for Milestone 1 and Milestone 2 are met?	Generally, GMDC does not prefer such practices. However, any such changes beyond the control of both parties shall be discussed on case-to-case basis.
15	<b>Section II: Terms of Reference / Scope of Work, 1.2, B, f. (Page 11)</b>	Risk Registers – How many risk registers to be prepared; Whether individual and separate risk registers are required to be prepared for every business or functional units or both?	Overall objective is comprehensive coverage of all risks at enterprise level, functional level and operating unit level. The Service Provider shall prepare all risk registers according to this objective.
16	<b>Section II: Terms of Reference / Scope of Work, 1.2, B, j. (Page 12)</b>	Expectations and Parameters relating to Board Reporting (Monitoring & Implementation) - Whether overall involvement of review team will be restricted to only data provisioning for the presentation or entire deck is to be prepared and presented by service provider? Also, format	The entire deck for the Board Reporting is to be prepared and presented by the service provider. The format and template for the same shall also be prepared by the service provider under the guidance of the competent authority.

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		and template relating to the same is to be defined by the entity or service provider.	
17	<b>Section II: Terms of Reference / Scope of Work, 1.3, 4. (Page 13)</b>	Risk Sense Tool – is this a tool already available with GMDC or it is expected that a tool be deployed by the service provider? Is this a proprietary tool already in use y GMDC?	Please refer to Answer to Pre-Bid Query No. 5 and 6.
18	<b>Section II: Terms of Reference / Scope of Work, 1.2, C, (Page 12)</b>	Training Sessions - Whether multiple trainings are required to be conducted for respective business or functional units? Details relating to no. of trainings to be conducted as part of the risk workshop.	<p>The Service Provider shall prepare the training plan for Senior Management, risk owners and risk champions in consultation with GMDC. Such training program shall be targeted towards Senior management as well as at functional and operating unit level risk owners and champions.</p> <p>GMDC expect the Service Provider to conduct such training at the end of Phase 2 once. Thereafter it can be conducted on quarterly basis. However, the training frequency can also be increased if need for such additional trainings arises.</p>
19	<b>Section II: Terms of Reference / Scope of Work, 1.3 (Page 12)</b>	Implementation and Monitoring: What shall be the scope for implementation and monitoring milestone. Is it restricted to only prioritized risks, or all the risks reported in respective risk registers?	The detailed scope of the Work for the “Phase III – Implementation, Monitoring and Support” is specified in clause 1.3 of Section II of the RFP.
20	<b>Section II: Terms of Reference / Scope of Work, 1.3 (Page 12)</b>	Implementation and Monitoring: Scope suggests change in the risk rating based on new information available - Whether such changes shall be based on only our research & analysis or new voting / prioritization is required to be conducted? If yes, what shall be the frequency of the same?	Such changes shall be based on the research of the service provider based on Good Industry Practice as well as the inputs given by GMDC. The Service Provider shall be required to update such risk ratings on continuous basis as and when required during the implementation phase.
21	<b>Section III: Instruction to Bidders, cl. 2.5 (Page 19)</b>	Waiver: Requesting waiver relating below mentioned terms and conditions as per RFP	RFP conditions remain unchanged.

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		a. Earnest Money Deposit of INR 10 lacs b. Performance Bank Guarantee c. Liquidated damages (LD) at 0.1% per day (Maximum 10%)	
22	<b>Section III: Instruction to Bidders, cl. 1.6 (Page 17)</b>	We would urge to extend the last date of submission to July 26, please.	The Bid submission date stands extended. Please refer Annexure-2 of this document.
23	<b>Section II: Terms of Reference / Scope of Work, 1.2, B, f. (Page 10)</b>	Clarifications requests from Business Continuity Planning (BCP) perspective: i.) Kindly share the locations details and type (E.g. Head office, Plant, Warehouse, Regional Office etc.) along with count of locations to be covered as a part of the BCM engagement - Location Count, details ii.) Type of Location:" iii.) Kindly share the list of in scope departments across the above locations which needs to be covered as part of the engagement? iv.) Are there any subsidiaries which needs to be covered as a part of this Engagement? v.) Kindly share the overall organization structure along with departments (you may skip the names but the departments / sub department is important) vi.) We understand as part of physical and environmental review, site visit is required. Request your confirmation. vii.) Please confirm if the organization already has BCM implemented or if any documentation with respect to	All such details shall be shared with the selected service provider.  <b>For Sr. No i) , ii) and iii) ,</b> the location details are as follows. <ul style="list-style-type: none"> <li>• GMDC’s head office is situated at Ahmedabad. GMDC also has regional office at Bhubaneswar, Site offices at Angul and Sundergarh.</li> <li>• GMDC has existing five operational lignite mining projects at Rajpardi, Tadakeshwar, Bhavnagar, Umarsar and Mata no Madh.</li> <li>• GMDC is in advance stage to operationalize six new lignite mining projects situated at EFG-Valia, Damlai, Ghala, Lakhsat, Panandhro extension, Bharkhandam in Gujarat state.</li> <li>• GMDC has also allotted Coal blocks at Baitrani West, Buraphar and Kudanali Lubri in Odisha state.</li> <li>• GMDC has also Metal mine lease at Ambaji, Gujarat. However, it is yet to become operational.</li> <li>• GMDC also has Fluorspar mining project and beneficiation plant at Kadipani. GMDC also has bauxite mines at Gadhsisa and Bhatia in Gujarat.</li> </ul>

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any

The Service provider shall need to</p>

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
			assess the steps being taken by GMDC from the risk perspective and provide its suggestions.
24	<b>Schedule of Bidding, Page- 16</b>	<p>The Pre-bid meeting will be held on 03rd July 2024 and the responses may be published a few days after that.</p> <p>Therefore, we request you to kindly extend the bid submission due date by three (3) weeks from the date of issuance of pre-bid response/ corrigendum. This will allow us adequate time to deliver a quality proposal and also help to obtain the necessary internal approvals based on your pre-bid responses.</p>	The Bid submission date stands extended. Please refer Annexure-2 of this document.
25	<b>Clause 9, Conflict of Interest, Page 39</b>	It is requested that final value estimated for all such compensation and damages shall be limited to contract value or less, least would be applicable.	Please refer the clause 3.3.3 of Section V of the RFP for the limitation of Liability post the signing of the Contract.
26	<b>Section V, Contract Terms and Conditions, Clause 3.1, Obligation of Service Provider General, Page 53</b>	It is to clarify that we shall be responsible only for acts carried out by us and that also within the scope of work for consultancy. Deloitte shall not be responsible nor represent the client for any acts that is not responsible to us or our scope nor any claims be levied against us. Please let us know whether your understanding is correct.	Yes. Your understanding is correct
27	<b>Section V, Contract Terms and Conditions, Clause 3.2.3, Confidentiality, Page 49</b>	<p>The confidentiality obligations shall survive the termination of this Contract / completion of services for a period of one (1) year"</p> <p>We request you to insert a clause</p>	RFP Conditions remain unchanged.

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		<p>"The Client shall use the advice, opinions, reports or other work product of the service provider solely for the purposes specified in the TOR / Scope of work and, in particular, shall not, without the prior written consent of the service provider, use any advice, opinion, report or other work product of service provider in connection with business decisions of any third party or for advertisement purposes". This is ensuring mutual confidentiality between parties.</p>	
28	<p><b>Qualification Table, Team Leader, Page 28 of 86</b></p>	<p>We request you to please add CA in minimum educational qualification and Mining assignments in minimum qualification experience.</p> <p>Experience of mining will enable the team to analyze the operational risks also.</p>	<p>Please refer Answer to Pre Bid query No 11.</p>
29	<p><b>Qualification Table, Project Manager, Page 28 of 86</b></p>	<p>We request you to add Mining with ERM domain in the experience of Project Manager.</p>	<p>Please refer to the RFP provision specified in page no 28. RFP already specified the Project Manager should have experience in ERM domain as well as experience on at least two mining assignments. Therefore, RFP conditions prevail.</p>

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
30	<b>Module I, Page - 10</b>	i.) Is there any BCM policy or procedure defined at the enterprise level? If it is not defined, does the scope include formulation of the same? ii.) Please confirm whether any Business Impact Analysis or Risk Assessment has been performed to define the BCP? iii.) Please provide the following details for Business Continuity Management Systems ('BCMS') scope –  a) How many physical locations across mines, power plants are to be considered in the scope of BCM b) How many corporate & regional offices to be considered in scope? c) How many departments to be considered within scope (IT, Operations, Marketing, Accounts, HR etc.)?	i) Presently, there is no policy on Business Continuity Plan defined. It is under the scope of the Service Provider as per the Section II of the RFP. ii) It shall be under the scope of the Service Provider. iii) a). Please refer to answer to Pre bid query no . 23 b).As per the a) above. c).All functional and operating units to be considered within the scope.
31	<b>Module II, Page - 11</b>	Please clarify if the KRIs need to be identified for all the identified risks or will it be limited to only the key risks?	The KRIs shall have to be identified for all the risks which have been identified.
32	<b>Phase – I ERM Maturity Assessment</b>	1. Could you provide detailed information on the current ERM framework and practices in place?  2. What specific industry standards and assessment methodologies should we use for the maturity assessment?  3. Are there any particular areas or parameters you want us to focus on during the assessment?	1. Please refer to answer to Pre-Bid query no 12 2. The Service Provider shall need to take cognizance of the Good Industry Practices followed by peers in the mining industry. 3. The Service Provider shall need to perform the scope of work specified in Section II of RFP. 4. Yes. Please refer clause 1.1 d) of the Section II of the RFP.  5. The same shall be shared with the successful bidder upon being selected.

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		<p>4. Do you have a preference for benchmarking against specific leading ERM frameworks such as COSO or ISO 31000:2018?</p> <p>5. Can you share any previous assessments or reports that could help in understanding the existing ERM framework better?</p>	
33	<b>Phase – II Module I – Develop ERM Policy and Framework</b>	<ul style="list-style-type: none"> <li>• What are the key drivers and challenges for the organization that we should consider while developing the ERM policy?</li> <li>• Can you provide insights into the current governance structure related to risk management?</li> <li>• Are there specific roles and responsibilities you want to be included in the new governance structure?</li> <li>• What specific risks should be covered in the ERM Policy and Framework document, especially in relation to ESG and cyber security?</li> <li>• Are there any existing documents or charters that we should reference while developing the Risk Management Committee (RMC) charter?</li> </ul>	Please refer to answers to Pre-Bid query no 12. Please note that all such aspects shall be shared with the Selected Bidder during the stakeholder holder discussions/ deliberation with GMDC.
34	<b>Phase – II Module II – Risk Identification, Assessment, Prioritization, and Mitigation Measures</b>	<p>i.) What tools or methods do you currently use for monitoring external and emerging risks?</p> <p>ii.) Can you provide access to key stakeholders for interviews and data collection to identify internal and external risks?</p> <p>iii.) Are there any specific criteria or scales you prefer for qualitative and quantitative risk assessments?</p> <p>iv.) Can you share previous risk assessments or risk registers to aid in our analysis and development of new registers?</p>	<p>i.) Presently, GMDC has not deployed any specific tool for identifying and monitoring external and emerging risks.</p> <p>ii.) GMDC shall provide all support to enable stakeholder consultations.</p> <p>iii.) No.</p> <p>iv.) To be discussed and deliberated with selected Service Provider.</p> <p>v.) Please refer response provided in sr. no iv).</p>

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		<p>v.) What is the existing process for prioritizing risks, and are there any improvements you would like to see?</p> <p>vi.) Are there any particular elements you want to be included in the Business Continuity Plan?</p> <p>vii.) Can you provide details on the preferred format and structure for the workshops with senior leadership?</p> <p>viii.) How frequently do you update risk registers and mitigation plans? Are there any specific formats you use?</p> <p>ix.) What criteria do you use to determine Key Risk Indicators (KRIs), and are there any existing KRIs we should consider?</p> <p>x.) How do you currently report key risks to the Board/RMC, and are there any improvements you would like in this process?</p>	<p>vi.) The Selected Service Provider shall need to perform Scope of Work pertaining to Business Continuity Plan as specified in Section II (page no 12) of RFP.</p> <p>vii.) Please refer the response provided in sr. no iv).</p> <p>viii.) Presently safety risk is updated on quarterly basis whereas other risks are updated on annual basis.</p> <p>ix.) Presently it is not in place.</p> <p>x.) Please refer response provided in sr no iv).</p>
35	<b>Phase – II Module III – Training and Capability Development</b>	<p>1. What are the specific training needs for senior management, risk owners, and risk champions?</p> <p>2. Are there any existing training materials or resources that we should incorporate into the new training sessions?</p>	<p>1. The Service Provider shall be expected to conduct the training sessions on ERM concepts &amp; Framework and deliverable of Module 1 and Module 2 as specified in RFP (i.e Risk Register, Key Risks Indicators and Business continuity Plan) during the implementation period. Please refer to answer to pre bid query no. 18.</p> <p>2. Presently, there is no Training material is available. The Service Provider shall need to develop the training material.</p>
36	<b>Phase III – Implementation and Support</b>	<p>1. Can you provide details on the current process for updating key risks, including risk statements, contributing factors, risk scores, and mitigation measures?</p>	<p>All such aspects shall be discussed and deliberated with the Selected Bidder during the stakeholder holder discussions/ deliberations.</p>

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		<p>2. How often do you review the implementation status of proposed mitigation plans, and what format do you use for these reviews?</p> <p>3. What process do you follow to assess the performance of KRIs, and how often are these assessments conducted?</p> <p>4. Can you provide access to the Risk Sensing Tool or any other tools you use for monitoring emerging risks?</p> <p>5. What are the key elements you include in RMC/Board presentations, and are there any specific formats you prefer?</p> <p>6. How frequently do you publish updates to key risks and mitigation plans, and what is the preferred format for these updates?</p> <p>7. Can you provide details on the current process for continuous monitoring of risk categories and downgrading risks?</p> <p>8. Are there any specific challenges or roadblocks you have encountered in the implementation of risk mitigation plans that we should be aware of?</p> <p>9. What criteria do you use to evaluate the effectiveness of implemented mitigation measures, and how frequently are these evaluations conducted?</p>	<p>Please refer to Answer to Pre-Bid Query No. 5 and 6 for the Risk sensing tool.</p>

Sl. No.	Clause No.	Pre-Bid queries/ Clarification required	Response / Addendum / Corrigendum if any
		10. How do you integrate ERM updates and mitigation plans into the company's Annual Report, and what format do you prefer for this content?	
37	<b>Section 3, Clause 1.5 (a): RFP Fee</b>	Please confirm whether MSMEs will be excused from paying the RFP Document / Tender fee	Following clause stands inserted in clause 1.5 and 2.5.
38	<b>Section 3, Clause 2.5 (a): EMD</b>	Please confirm whether MSMEs will be excused from depositing the EMD/ Bid Security. We can submit a Bid undertaking in lieu of the same in case required	"Bidders holding and sharing valid Certificate issued under the MSME Act, 2006 on the date of submission of Tender are exempted from submission of RFP Fees and EMD/ Bid Security"
39	<b>Section 3, Clause 5.1 (b): PQ Criteria</b>	Keeping in mind the MSME relaxations and the Guidance notes for selection of consulting services, it is requested that the average audited revenue requirement be reduced to Rs. 20 crores (Rs twenty Crores) per annum as Rs. 100 crores will only be met by large organizations	GMDC envisages firms with substantial experience in the domain to undertake the work owing to the criticality of the nature of work. It is ascertained that firms above a certain size can carry such an experience. Hence, the tender conditions prevail.
40	<b>Section 3, Clause 5.2: RFP Fee</b>	It is requested to provide relaxation in prior turnover and prior experience criteria for MSMEs as per guidelines with respect to the current criteria laid down. The qualifying criteria should include both public sector and private sector clients.	RFP conditions remain unchanged.
41	<b>Clause 5.2 ( C )</b>	Marking Criteria for proposed Team Leader and Project Manager	The Marking criteria for the Team Leader and Project Manager stands amended and Placed in Annexure-1.

**Annexure 1: Marking Criteria for proposed Project Team (Ammended clause 5.2 ( C))**
