Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
1	Section II	Scope of Work	<ol style="list-style-type: none"> <li>1) What is the expected level of accuracy is required for DPR?</li> <li>2) If it is a Bankable DPR with Class 3 accuracy, the timelines are set on the conservative side. Can we consider extending the timelines to ensure good quality work?</li> </ol>	<ol style="list-style-type: none"> <li>1) The accuracy should be in compliance with the requirement of Bankable DPR.</li> <li>2) The timeline of 7 months is adequate in our view.</li> </ol>
2		Geology	<ol style="list-style-type: none"> <li>1) Electronic database available or not?</li> <li>2) Geological model and overburden characteristics (material types, densities, moisture content, etc.).</li> <li>3) QAQC</li> <li>4) Is validation of existing geological data included in scope or not?</li> <li>5) While performing a fatal flow in the database provided, what will be the clause for changes in scope, timelines, or commercials?</li> <li>6) Report should be done in accordance with the Indian Mineral Industry Code (2019) (IMIC) or the United Nations Framework Classification for Resources (2019) (UNFC) or any other international code practices please clarify if GMDC seeks for international funding?</li> <li>7) If Infill drilling is required to fill the gaps in the database how will the timelines be affected?</li> </ol>	<ol style="list-style-type: none"> <li>1) Yes, GR database is available in CSV/ Text file formats.</li> <li>2) Geological database and Coal characteristics are available. OB characteristics are not available.</li> <li>3) QAQC data is not available</li> <li>4) Yes</li> <li>5) RFP conditions shall prevail</li> <li>6) The Report should be in compliance with United Nations Framework Classification for Resources (2019) (UNFC).</li> <li>7) Both blocks are fully explored, and GR has been approved by Ministry of Coal. Infill drilling is not required.</li> <li>8) Not available</li> <li>9) Not available</li> <li>10) The Present Mining Model is prepared in Minex by CMPDI.</li> <li>11) It is not in the scope of Service Provider.</li> <li>12) It is not in the scope of the Service Provider</li> <li>13) Draft Comprehensive Hydrological Report along with the Groundwater modelling is</li> </ol>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
			<p>8) Geotechnical logging, information and report available or not</p> <p>9) Is geotechnical testing data and geotechnical report is available?</p> <p>10) Mining Model in datamine or any other preference from GMDC?</p> <p>11) Environmental Assessment and Approvals. Public Hearing Process?</p> <p>12) Land Schedule/Land Acquisition who is responsible?</p> <p>13) Is Geohydrological Report available with Pump Tests and Modelling?</p> <p>14) Whether the study boundary is mine gate Coal Processing, Beneficiation/ Metallurgical Testing and its scope</p> <p>15) Railway or Truck Dispatch from Mine Area required for Overburden Dumping Low Grade Coal Stockpile</p> <p>16) Will GMDC provide the Mine Design Criteria?</p> <p>17) Tailings Dam Out of Scope?</p>	<p>available. However, it is yet to be approved by respective authorities.</p> <p>14) No</p> <p>15) Combination of both Rail and Truck based dispatch. It is also to be noted that the draft logistic plan is being prepared by separate vendor appointed by GMDC.</p> <p>16) Mining Plan to be shared. The design criteria with rationale of optimizations to be suggested by the Service provider.</p> <p>17) Not required</p>
3		Mine Plan	Anticipated changes in the mine layout due to land/other infrastructure constraints, production targets, or overburden characteristics that may impact the system design.	GMDC is open for constructive design change suggestions.
4		Infrastructure-Related Information	<ul style="list-style-type: none"> <li>• Power supply capacity and availability at the mine site.</li> <li>• Water sources and management systems</li> <li>• Access roads and their load-bearing capacity.</li> </ul>	Service Provider to assess these details.

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
			<ul style="list-style-type: none"> <li>Any other relevant infrastructure details that may affect</li> </ul>	
5		Economic and Financial Data	Cost of capital, discount rates, and any other financial parameters for economic analysis will be provided by GMDC?	GMDC is a zero-debt company. GMDC can provide cost of equity, however, cost of debt to be assumed by the Service Provider based on consultation with financial institutions.
6		Admin & Finance	i.) Is the RFP fee and bank guarantee to be submitted for both the packages separately? ii.) Can we participate for one single package?	i.) Only one Bank Guarantee and RFP Fees to be submitted for both packages. No separate BGs or RFP Fees are required. ii.) The Bidder shall have to participate in both the packages mandatorily as per the RFP provisions.
7	5.1 (ii) Pre-qualification criteria Page no. 28	The Bidder must have an annual audited revenue of <b>INR 10 (Ten) crore</b> from consulting activities averaged for the best 3 years out of last 5 years.	The Bidder must have an annual audited revenue of <b>INR 5 (Five) crore</b> from consulting activities averaged for the best 3 years out of last 5 years.  To encourage more participation and receive competitive offers from bidders.	RFP Conditions remain unchanged.
8	Clause 1.5 (a) RFP fee Page no 19	Bidder will need to submit non-refundable RFP Document/Tender Fee of INR 23,600/ (i.e INR Twenty-three thousand and six hundred only) (i.e. RFP Fees of INR 20,000 + 18% GST). The RFP Document Fees should be submitted in any one of following payment modes	<b>Additional Clause to be added:</b> Registered MSEs are exempted from submission of RFP document/Tender fee  As per Public Procurement Policy by Ministry of micro, small, and medium enterprise refer Office memorandum, dated 25thMarch, 2022 issued by office of Development Commissioner (Micro, small and medium Enterprise), Govt. Of India	RFP conditions remain unchanged.

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
9	Clause 2.5 (a) EMD/Bid security fee Page no 22	The bidder shall furnish, a separate Bid Security (also referred to as "Earnest Money Deposit" (EMD)/ Bid Security") for Captioned work as part of his Bid as per the given format. The Bid Security/EMD shall be sealed in a separate sealed envelope along with RFP Fees and super scribing "Earnest Money Deposit and RFP Fees ". An Earnest Money Deposit of an amount of INR 5 lakh (INR Five Lakh) shall be provided in favour of "Gujarat Mineral Development Corporation Ltd", in any one of the following forms/formats. The List of Approved Bank except co - operative banks are provided in Annexure 14.	<p><b>Additional Clause to be added:</b></p> <p>The bidders Registered with MSEs are exempted from submission of Earnest Money Deposit (EMD)/Bid Security against uploading of valid documentary evidence.</p> <p>As per Public Procurement Policy by Ministry of micro, small, and medium enterprise refer Office memorandum, dated 25thMarch, 2022 issued by office of Development Commissioner (Micro, small and medium Enterprise), Govt. Of India.</p>	The Bidder having valid MSME registration as on Bid submission date is exempted from submission of Bid Security.
10	Clause 1.A. (ii) Assessment of approved mining plan & mine closure plan.  Page no. 10	<p><b>Assessment of Approved Mining Plan &amp; Mine closure plan</b></p> <p>As per the regulatory requirements in India, a mining plan shall need to be approved by concerned Government Agency. The Mining plan for Baitarani West Coal Block and Burapahar coal block has already been approved. In this regard, the Service provider shall undertake review work as below:</p>	Please clarify if there is a need of change in mining plan and mine closure plan after the assessment of approved Mining plan, Whether DPR would be prepared on updated mining strategy? At the same time, whether Mining plan will be revised based on updated mining strategy if given in mining plan.	GMDC is open for a constructive suggestions . However, the call for revision in mining plan is solely at discretion of GMDC.

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
		<ul style="list-style-type: none"> <li>• Review existing mine and closure plans with view on audit findings and economic limits to determine usability and gaps to enhance the required study's confidence.</li> <li>• Undertake fatal flaw analysis (including consolidation) on all technical, operational, and financial inputs for both deposits.</li> <li>• Provide recommendation on the item revisions to meet the required study standards and module 2 scope inclusions to deliver the required outcome such as cost optimization and maximizing coal recovery etc.</li> </ul>		

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
11	Clause 1.B. Module 2: Geological Resource Estimation  Page no. 10	Preparation of Geological Model using software like Minex, Datamine, Vulkan or any other standard software. It shall include geostatistical analysis wherever required and raw files are to be shared with GMDC. Presently, Geological Model is available in Minex Software with string files in csv/text format. The Service Provider can undertake cleaning after reviewing it if it is required in its opinion post review.	Please clarify of the following: - 1) Whether complete geological model of the coal blocks will be provided to consultant in Minex format or just database in csv/text format. 2) Do Consultant also has to provide comments on Minex model of the coal blocks prepared by GMDC.	1) GMDC shall provide database in csv/ text format. 2) Model has not been prepared by GMDC; it is prepared by CMPDI. GMDC is open to any constructive suggestions.
12	Clause 1.C. Module 3 Geotechnical Studt  Page no 11	The Service Provider shall conduct a Geo-Technical study appropriate for pit walls, dumps, roads, and other key ground stability assessments to support feasibility level. Such assessment shall also cover assessment of followings;	Please clarify whether the geological study may be outsourced to third party	As per the clause 4 g) Sub-contracting of entire TOR is not permitted. However, for any specific technical matter requiring advice/inputs from experts or specific agencies, the Service provider may engage sub-Service providers under intimation to Authority.
13	2. Deliverables  Page no. 17	“T” refers to Commencement Date which shall be within 15 days from the date of signing of the Agreement.	The commencement day for the project should be the day when “Complete dataset” is handed over by GMDC to the consultant for study purpose.	RFP Conditions remain unchanged
14	5.2 Technical Score Criteria A (1)  Page no. 29	<b>Type of Scope:</b> Preparation of Detailed Project Report (DPR) for Coal Mining Projects.	<b>1. Type of Scope:</b> Preparation of Detailed Project Report (DPR) for Coal Mining Projects.	The clause 5.2 A (1) stands amended as below.  <b>Type of Scope:</b> Preparation of Detailed Project Report (DPR) for Coal Mining Projects/ <b>Lignite Mining Projects.</b>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
		<p><b>Type of Client:</b> Government owned firm/ Private sector registered firm.</p> <p><b>Engagement:</b> Completed work shall be considered eligible for assigning marks.</p>	<p><b>Type of Client:</b> Government owned firm/ Private sector registered firm <b>listed in NSE/BSE</b></p> <p><b>Engagement:</b> Completed work shall be considered eligible for assigning marks.</p> <p><b>2. We request you to allow submission of credentials related to preparation of Detailed Project report (DPR) for coal as well as Lignite Mining Projects.</b></p> <p>The approach &amp; Methodology and scope of work involved in preparing DPRs both for Coal &amp; Lignite Mines are same. This will lead to selection of well rounded and proficient consultant for this assignment</p> <p><b>3. Further, getting a completion certificate against the assignments, especially from Govt. /PSU clients, is very difficult due to various administrative issues despite the assignment having been completed and payment made against the work completion. Therefore, CA certificates or self-declarations as completion proof is a standard practice across the Govt. Companies/PSUs. This may be considered as accepted.</b></p>	<p><b>Type of Client:</b> Government owned firm/ Private sector registered firm.</p> <p><b>Engagement:</b> Completed work/ <b>Ongoing work</b> which is at least 70% complete shall also be considered eligible for assigning marks.</p> <p><b>Documentary evidence:</b> Documentary evidence for work experience from the client such relevant portion of Work Order/contract and Client completion certificate/ Certificate from Auditor of the firm or a registered Chartered Accountant shall be submitted.</p>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
15	5.2 Technical Score Criteria A (2)  Page no. 30	<p><b>Type of Scope:</b> Experience of having completed Preparation of Feasibility Study for Coal/ Lignite Mining Projects.</p> <p><b>Type of Client:</b> Government owned firm/ Private sector registered firm.</p> <p><b>Engagement:</b> Completed work shall be considered eligible for assigning marks.</p> <ul style="list-style-type: none"> <li>Different projects (with separate Work Orders / Purchase Orders and separate scope) with the same client can be cited as separate projects.</li> </ul> <p>Any DPR experience spilling over from 1 above (if more than 3) too can be considered.</p>	<p><b>1. Type of Scope:</b> Experience of having completed Preparation of Feasibility Study/DPR/<b>Techno economic Feasibility Report (TEFR)/Detailed Techno Economic Assessment report</b> for Coal/ Lignite Mining Projects.</p> <p><b>2. Type of Client:</b> Government owned firm/ Private sector registered firm <b>listed in NSE/BSE</b></p> <p><b>Engagement:</b> Completed work shall be considered eligible for assigning marks.</p> <ul style="list-style-type: none"> <li>Different projects (with separate Work Orders / Purchase Orders and separate scope) with the same client can be cited as separate projects.</li> </ul> <p>Any DPR experience spilling over from 1 above (if more than 3) too can be considered.</p> <p>The detailed Techno Economic Assessment report for coal/ Lignite projects may also be considered by GMDC, as such reports comprehensively include the financial aspects of the projects</p>	<p>The clause 5.2 A (2) stands amended as below.</p> <p><b>Type of Scope:</b> Experience of Preparation of <b>Pre-feasibility study/Feasibility Study/Techno economic Feasibility Report (TEFR)/Detailed Techno Economic Assessment report</b> for Coal/ Lignite Mining Projects.</p> <p><b>Type of Client:</b> Government owned firm/ Private sector registered firm.</p> <p><b>Engagement:</b> Completed work/ <b>Ongoing work</b> which is at least 70% complete shall also be considered eligible for assigning marks.</p> <p><b>Documentary evidence:</b> Documentary evidence for work experience from the client such relevant portion of Work Order/contract and Client completion certificate/ Certificate from Auditor of the firm or a registered Chartered Accountant shall be submitted.</p> <p>Any DPR experience spilling over from 5.2 A(1) above (if more than 3) too can be considered.</p>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
			<p>It is worth noting that the previous tender published by GMDC for preparation of DPRs for six lignite projects, a similar experience was required from the bidders.</p> <p>Therefore, GMDC may consider revising this clause in line with the corrigendum issued for RFP No. GMDC/PPD/004/22-23, dated October 2022, for preparation of DPRs for Lignite projects in the Kutch and South Gujarat regions</p>	
16	5.1(ii)	<p><b>Pre-Qualification Criteria</b></p> <p>The Bidder must have an annual audited revenue of INR 10 (Ten) crore from consulting activities averaged for the best 3 years out of last 5 years.</p>	<p>The turnover asked is on a very higher side. Typically Turnover should be equivalent to the value of the work maximum. We believe for this work, average turnover of 3 Crore on higher side is sufficient. Further average turnover should be allowed from any number of years upto maximum of 3 years i..e say if a Bidder have average turnover of 3 Crore (say 9 Crore/3 years) even from years less than 3 years out of last 5 years, bidder should be considered.</p> <p>Typically PSU &amp; Govt. entity provide relaxation in turn over criteria to MSME &amp; startups.</p> <p>The provision for Relaxation of Norms for Startups &amp; MSME the prior Turnover criteria</p>	The RFP conditions remain unchanged.

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
			<p>is made as per the GoI, Ministry of Micro, Small &amp; Medium Enterprise – Policy Circular dated 10-03-2016. In compliance to, various Govt Dept. are considering relaxation for the same, following are few evident OMs:</p> <ol style="list-style-type: none"> <li>1. Ministry of Micro, Small &amp; Medium Enterprise – OM dated 10-03-2016</li> <li>2. Ministry of Finance – OM dated 25-07-2016 &amp; 20-09-2016</li> <li>3. Ministry of Heavy Industries &amp; Public Enterprises – OM dated 08-11-2016</li> </ol> <p>Hence, we request you to allow exemption for the prior year turnover and experience for DIPP Registered start-up.</p>	
17	5.1(ii) (a)	<b>Pre-Qualification Criteria</b>	<p>Bidder must be QCI/NABET Accredited Mine Plan Preparation Agency (MPPA)</p> <p>QCI/NABET has accredited several agencies for the preparation of Mining Plan, Detailed Project Report and Project Reports for Coal Project which is testimony of available set up and quality. Hence MPPA certificate should be must requirement.</p>	The RFP conditions remain unchanged.
18	5.1 (iii)	<b>Pre Qualification Criteria</b>	<p>Should be modified as follows:</p> <p>“Geological Resource estimation, Mine Plan and Schedule comprising of Pit Design and Optimization, Material sequencing, Scheduling, Equipment planning, Manpower Plan, infrastructure plan, Capital cost and</p>	<p>The definition of Coal DPR specified in clause 5.1 (iii) stands amended as below.</p> <p>“Geological Resource estimation, Mine Plan and Schedule comprising of Pit Design and Optimization, Material sequencing, Scheduling, Equipment planning, Manpower Plan,</p>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
		Equipment planning, Manpower Plan, infrastructure plan, Capital cost and O&M Costs estimation, Financial Analysis and Risk analysis".	O&M Costs estimation, Financial Analysis and Risk analysis".  Typically Geotechnical work is separate and DPR is prepared based on the resource model and other data generated through various studies and may not be part of DPR work itself. Hence request to remove geotechnical study.	infrastructure plan, Capital cost and O&M Costs estimation, Financial Analysis and Risk analysis".
19	5.2 A (1)	<p><b>Experience of Bidder</b></p> <p>Experience over last ten completed years and current year (2014 to 2024) meeting the following criteria: Type of Scope: Preparation of Detailed Project Report (DPR) for Coal Mining Projects.</p>	<p>1. Engagement: Completed or Ongoing work shall be considered eligible for assigning marks.</p> <p>It may be noted that Mining Plan is a mandatory document for Coal Mining however DPR/Project Report is typically internal document and not prepared for every project. Further, most coal mines are reallocated/auctioned in last 3-4 years only. Hence DPR has not been undertaken for many projects off let. Even in cases where DPR is prepared, its time taking work. Hence, we request you kindly also consider the ongoing works as well.</p> <p>2. Since Bidder must be Indian Company, we understand that the projects claimed must have been executed in India? Kindly clarify?</p>	<p>1. Ongoing work shall also be considered. Please refer to queries no. 14 and 15.</p> <p>2. There is no restriction on geography as per the RFP conditions.</p>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
20	5.2 A (2)	<p><b>Experience of Bidder</b></p> <p>Type of Scope: Experience of having completed Preparation of Feasibility Study for Coal/ Lignite Mining Projects.</p> <p>Type of Client: Government owned firm/ Private sector registered firm.</p> <p>Engagement: Completed work shall be considered eligible for assigning marks.</p> <ul style="list-style-type: none"> <li>• Different projects (with separate Work Orders / Purchase Orders and separate scope) with the same client can be cited as separate projects.</li> </ul> <p>Any DPR experience spilling over from 1 above (if more than 3) too can be considered.</p>	<ol style="list-style-type: none"> <li>1. We understand that feasibility work (including technical as well as financial feasibility) done for the participation in auction shall also be considered.</li> <li>2. Since Bidder must be Indian Company, we understand that the projects claimed must have been executed in India? Kindly clarify?</li> </ol>	<ol style="list-style-type: none"> <li>1. Yes, your understanding is correct. Please refer to answer to pre bid query no 15 for the amended provision.</li> <li>2. There is no restriction on geography as per the RFP conditions.</li> </ol>
21	5.2 (B)	<p><b>Team Requirement</b></p>	<p>Kindly clarify if entire team should be on the rolls of the Bidder or hired expert shall be considered. We believe entire team should be on the rolls of bidder. Further, is there any age limit for the experts proposed? Typically tenders provide for age limit of 65 years.</p>	<p>Entire team need not be on the roll of the Bidder. RFP conditions remain unchanged.</p>
22	7.3 (i)	<p><b>Performance Guarantee</b></p> <p>The Successful Bidder shall furnish Performance Security to Authority for securing the due and faithful</p>	<p>We request you to consider reducing Performance Bank Guarantee to 5% upto maximum of INR 5 lakh. In other PSU contract, Performance BG is being considered 3-5%.</p>	<p>The RFP provision prevails and remains unchanged.</p>

Sl. No.	Clause No.	Clause Description	Pre-Bid queries/ Clarification	Response / Addendum / Corrigendum if any
		<p>performance of its obligations under the Agreement, within 30 days from the LOA, in the form of Demand Draft or an unconditional and irrevocable bank guarantee (Annexure 13) for amount of equivalent to 10% (Ten percent) of Service Fees (without GST) quoted for the Scope of Work payable to GMDC by the Successful Bidders (the "Performance Security") from Approved Bank to Authority. Such performance Security shall be in favour of Gujarat Mineral Development Corporation Ltd and admissible and payable at Ahmedabad branch from Approved Bank to Authority.</p>		
23	Section II:	<p><b>Terms of Reference</b></p> <p><b>Module 3: Geotechnical Study</b> The Service Provider shall conduct a Geo-Technical study appropriate for pit walls, dumps, roads, and other key ground stability assessments to support feasibility level. Such assessment shall also cover assessment of followings;</p> <ul style="list-style-type: none"> <li>• Material characteristics and parameters.</li> <li>• Hydrology and groundwater.</li> </ul>	<p>Kindly clarify if geotechnical studies are done and data is available which is to be studies and interpreted or fresh geotechnical studies to be undertaken.</p> <p>In case new studies to be undertaken, kindly specify specific studies. In such case time allowed will not be sufficient as work will be dependent on the completion of geotechnical studies.</p> <p>However we would like to submit that such geotechnical studies specifically hydrology and groundwater, slope stability, etc. may be</p>	<p>Geo-Technical study is part of Service Provider's scope under this RFP.</p> <p>List of available data and studies undertaken by GMDC are given below.</p> <ol style="list-style-type: none"> <li>1.
