Employee Engagement:

Vikas Saptah Celebrations: Marking two decades of Gujarat’s transformative journey of growth and good governance, GMDC proudly participated in Vikas Saptah — a week that celebrates progress through people’s participation. Employees across GMDC took the Vikas Pledge, reaffirming their dedication to integrity, sustainability, and service to the State’s development mission. As part of the observance, GMDC undertook a series of initiatives reflecting its core values — promoting environmental stewardship, community engagement, and continuous improvement in operations — contributing to Gujarat’s vision of a Viksit Bharat.

Employee Engagement:

During **Vikas Saptah**, GMDC continued to advance its mission of inclusive growth through initiatives that empower, educate, and uplift communities. From Digital and Financial Literacy Camps and Cyber Awareness Sessions to Medical Outreach Programmes, every activity was designed to promote wellbeing, safety, and informed participation in a rapidly changing digital era. Students also joined hands through the Tech for Transformation initiative, presenting innovative ideas on renewable energy and India’s scientific achievements, symbolising a bright and self-reliant tomorrow. Through these collective efforts, GMDC reaffirms its belief that true progress stems from awareness, innovation, and compassion — the cornerstones of a Viksit Bharat.

During **Vikas Saptah 2025**, GMDC employees visited institutions for the visually impaired and senior citizens, reflecting the organisation’s belief in shared progress and compassionate growth. Meanwhile, under Tech for Transformation, school students showcased innovative projects on renewable energy and sustainability — symbolising the spirit of creativity and purpose that drives a Viksit Bharat. At the heart of these initiatives, GMDC continues to uphold its core value of progressing with people for business growth, blending empathy with innovation for a brighter tomorrow.

Employee Engagement:

Festivals at GMDC are more than traditions — they are reflections of our collective spirit. Whether it's the rhythm of Navratri Garba, the light of Diwali, or the blessings of Dhanteras, every celebration across our offices and project sites brings our teams together in unity, respect, and shared happiness. Through these celebrations, GMDC continues to uphold its belief that progress begins with people — fostering a culture that values togetherness, inclusivity, and sustainable growth.

Capacity Building across GMDC

At GMDC, continuous learning drives operational excellence. A focused session on **Quality Management Systems (QMS) and Resource Optimization for Kutch New Projects** was conducted by Dr. Cornelis Bockemühl, renowned Swiss geologist and international expert in the field. The interactive session provided valuable insights into sustainable resource utilization and quality enhancement, reinforcing GMDC's commitment to responsible mining and performance excellence.

Our Commitment for Sustainability

Carrying forward the **Van Mahotsav 2025 celebrations**, Team GMDC came together across Tadkeshwar and Umarsar Projects to nurture the bond between people and nature. From heartfelt performances and awareness drives at Tadkeshwar to over 1,000 tree plantations and 200 fruit-bearing saplings distributed among village schools — Umarsar Primary, Chhuger Primary, and Guneri High School — every effort reflected the collective spirit of responsibility and care. Together, we grow greener - one sapling, one community at a time.
