

Item Number	Item Description	Quantity	UNIT	Tender Rate	Amount
1	Supply of crushed stone aggregates, chipping etc of hard stone up to 63mm size free of disintegrated pieces deleterious and organic mater and grading as per I.R.C./MORTH for 1st layer (50mm to 63mm) in required sizes of box as per direction of EIC	5400	Cu.M.		
2	Supply of murrum / binding material for 1st layer	1350	Cu.M.		
3	Rolling and consolidation of 1st layer of WBM including watering not exceeding 100mm thickness (Main layer including binding materials) filling in depression which occure during the process with power roller 8T to 12T	54000	Sq.M.		
4	Supply of crushed stone aggregates, chipping etc of hard stone up to 63mm size free of disintegrated pieces deleterious and organic mater and grading as per I.R.C./MORTH for 2nd layer (50mm to 63mm) in required sizes of box as per direction of EIC	5400	Cu.M.		
5	Supply of murrum / binding materila 2nd layer	1350	Cu.M.		
6	Spreading of matal sizes as per item no.1 & 4 for rolling and WBM including filling the interstices to reqires camber and gradient of 1st and 2nd layer	10800	Cu.M.		
7	Spreading of murrum as per item no. 2 & 5 for 1st and 2nd layer	2700	Cu.M.		
8	Rolling and consolidation of 2nd layer of WBM including watering not exceeding 200mm thickness (Main layer including binding materials) filling in depression which occure during the process with power roller 8T to 12T	54000	SQ.M.
